PROMPT 001

CANDY CANE POP / HYPER-DIMENSIONAL GLOSSY CLAY SCULPTURE

Create ONE original, commercially polished Christmas artwork with the exact headline “MERRY & BRIGHT”. Feature a smiling gingerbread baker with frosting apron, rendered as hyper-dimensional glossy clay sculpture. Build a distinctive, visually balanced composition with the character or central object as the hero, carefully integrated lettering, expressive details, tactile surfaces, polished lighting, and generous safe margins. Use the Candy Cane Pop palette: #EF476F, #FFF3E4, #06A77D, #FFD166. Add only a few supporting festive accents such as tiny stars, snowflakes, holly, peppermints, ribbons, or sparkles where they strengthen the concept. The design should feel premium, cheerful, and original, not like generic clip art. Reproduce the headline exactly with no additional readable words. Output a standalone isolated artwork on a TRUE TRANSPARENT PNG ALPHA BACKGROUND; no white, colored, or checkerboard backdrop. No product mockups, watermark, brand logos, cropped elements, or copied characters. Keep crisp legible details suitable for apparel and digital products.
