PIXEL GHOSTS

1. WITCH-HAT GHOST HOLDING A WOODEN SPOOKY-IDEAS SIGN

Create an original Halloween merchandise graphic featuring witch-hat ghost holding a wooden spooky-ideas sign. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

2. BEANIE GHOST HUGGING A JACK-O'-LANTERN

Create an original Halloween merchandise graphic featuring beanie ghost hugging a jack-o'-lantern. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

3. GAMER GHOST WEARING OVERSIZED HEADPHONES AND HOLDING A CONTROLLER

Create an original Halloween merchandise graphic featuring gamer ghost wearing oversized headphones and holding a controller. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

4. COWBOY GHOST WITH WESTERN HAT, BANDANA AND TINY CACTUS ACCENTS

Create an original Halloween merchandise graphic featuring cowboy ghost with western hat, bandana and tiny cactus accents. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

5. BOOKWORM GHOST FLOATING BESIDE STACKED SPOOKY BOOKS

Create an original Halloween merchandise graphic featuring bookworm ghost floating beside stacked spooky books. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

6. COFFEE GHOST HOLDING A PUMPKIN MUG WITH CURLING STEAM

Create an original Halloween merchandise graphic featuring coffee ghost holding a pumpkin mug with curling steam. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

7. GHOST POPPING FROM A BUBBLING PURPLE CAULDRON

Create an original Halloween merchandise graphic featuring ghost popping from a bubbling purple cauldron. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

8. GHOST WRAPPED IN A COZY PATCHWORK QUILT WITH TINY STARS

Create an original Halloween merchandise graphic featuring ghost wrapped in a cozy patchwork quilt with tiny stars. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

9. GHOST CARRYING A CANDY BUCKET BENEATH PIXEL BATS

Create an original Halloween merchandise graphic featuring ghost carrying a candy bucket beneath pixel bats. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

10. GHOST FLORIST HOLDING BLACK, ORANGE AND PURPLE FLOWERS

Create an original Halloween merchandise graphic featuring ghost florist holding black, orange and purple flowers. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

PIXEL WITCHES & MAGIC

11. CUTE RED-HAIRED WITCH SITTING SIDEWAYS ON A BROOM

Create an original Halloween merchandise graphic featuring cute red-haired witch sitting sideways on a broom. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

12. TINY WITCH STIRRING A NEON BUBBLING CAULDRON

Create an original Halloween merchandise graphic featuring tiny witch stirring a neon bubbling cauldron. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

13. WITCH READING AN OVERSIZED SPELL BOOK BENEATH A CRESCENT MOON

Create an original Halloween merchandise graphic featuring witch reading an oversized spell book beneath a crescent moon. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

14. WITCH BARISTA SURROUNDED BY POTION-STYLE COFFEE BOTTLES

Create an original Halloween merchandise graphic featuring witch barista surrounded by potion-style coffee bottles. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

15. WITCH GAMER WITH HEADPHONES, CONTROLLER AND FLOATING PIXEL HEARTS

Create an original Halloween merchandise graphic featuring witch gamer with headphones, controller and floating pixel hearts. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

16. COWGIRL WITCH WEARING WESTERN BOOTS AND A STARRY HAT

Create an original Halloween merchandise graphic featuring cowgirl witch wearing western boots and a starry hat. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

17. WITCH BAKER HOLDING A JACK-O'-LANTERN CUPCAKE

Create an original Halloween merchandise graphic featuring witch baker holding a jack-o'-lantern cupcake. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

18. WITCH GARDENER SURROUNDED BY MUSHROOMS, PUMPKINS AND MAGICAL HERBS

Create an original Halloween merchandise graphic featuring witch gardener surrounded by mushrooms, pumpkins and magical herbs. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

19. WITCH CAT FAMILIAR BESIDE A CRYSTAL BALL AND POTION BOTTLES

Create an original Halloween merchandise graphic featuring witch cat familiar beside a crystal ball and potion bottles. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

20. WITCH BOOTS, STRIPED SOCKS, BROOM AND SPELL-BOOK ARRANGEMENT

Create an original Halloween merchandise graphic featuring witch boots, striped socks, broom and spell-book arrangement. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

PIXEL BLACK CATS

21. BLACK CAT WEARING A PURPLE WITCH HAT WITH GOLD BUCKLE

Create an original Halloween merchandise graphic featuring black cat wearing a purple witch hat with gold buckle. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

22. BLACK CAT PEEKING FROM INSIDE A CARVED PUMPKIN

Create an original Halloween merchandise graphic featuring black cat peeking from inside a carved pumpkin. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

23. BLACK CAT DRESSED IN A SIMPLE GHOST SHEET COSTUME

Create an original Halloween merchandise graphic featuring black cat dressed in a simple ghost sheet costume. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

24. BLACK CAT CURLED ON STACKED SPOOKY BOOKS

Create an original Halloween merchandise graphic featuring black cat curled on stacked spooky books. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

25. BLACK CAT GAMER BESIDE A PURPLE HANDHELD CONSOLE

Create an original Halloween merchandise graphic featuring black cat gamer beside a purple handheld console. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

26. BLACK CAT COWBOY WEARING A BROWN HAT AND TINY BANDANA

Create an original Halloween merchandise graphic featuring black cat cowboy wearing a brown hat and tiny bandana. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

27. BLACK CAT SITTING BESIDE A BUBBLING GREEN CAULDRON

Create an original Halloween merchandise graphic featuring black cat sitting beside a bubbling green cauldron. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

28. BLACK CAT HOLDING A MINIATURE PUMPKIN BUCKET

Create an original Halloween merchandise graphic featuring black cat holding a miniature pumpkin bucket. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

29. BLACK CAT PERCHED ON A CRESCENT MOON WITH STARS

Create an original Halloween merchandise graphic featuring black cat perched on a crescent moon with stars. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

30. BLACK CAT BARISTA BESIDE A PUMPKIN LATTE

Create an original Halloween merchandise graphic featuring black cat barista beside a pumpkin latte. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

PIXEL SKELETONS & SKULLS

31. COOL SKELETON WEARING OVERSIZED HEART-SHAPED SUNGLASSES AND FLASHING A PEACE SIGN

Create an original Halloween merchandise graphic featuring cool skeleton wearing oversized heart-shaped sunglasses and flashing a peace sign. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

32. HOODED SKELETON HOLDING A PUMPKIN DRINK

Create an original Halloween merchandise graphic featuring hooded skeleton holding a pumpkin drink. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

33. SKELETON COWBOY WITH HAT, BOOTS AND TINY DESERT ACCENTS

Create an original Halloween merchandise graphic featuring skeleton cowboy with hat, boots and tiny desert accents. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

34. SKELETON GAMER HOLDING A RETRO CONTROLLER

Create an original Halloween merchandise graphic featuring skeleton gamer holding a retro controller. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

35. SKELETON READER LOUNGING AGAINST STACKED HORROR BOOKS

Create an original Halloween merchandise graphic featuring skeleton reader lounging against stacked horror books. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

36. DANCING SKELETON SURROUNDED BY MUSIC NOTES AND TINY STARS

Create an original Halloween merchandise graphic featuring dancing skeleton surrounded by music notes and tiny stars. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

37. SKELETON WITCH WEARING A FLOPPY PURPLE HAT

Create an original Halloween merchandise graphic featuring skeleton witch wearing a floppy purple hat. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

38. SKELETON HAND HOLDING A PINK HEART WITH SPARKLES

Create an original Halloween merchandise graphic featuring skeleton hand holding a pink heart with sparkles. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

39. CUTE SKULL TOPPED WITH A CANDLE AND MELTING WAX

Create an original Halloween merchandise graphic featuring cute skull topped with a candle and melting wax. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

40. FLORAL SKULL SURROUNDED BY AUTUMN LEAVES, TINY PUMPKINS AND STARS

Create an original Halloween merchandise graphic featuring floral skull surrounded by autumn leaves, tiny pumpkins and stars. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

PIXEL PUMPKINS

41. COWBOY-HAT JACK-O'-LANTERN WITH CACTUS ACCENTS

Create an original Halloween merchandise graphic featuring cowboy-hat jack-o'-lantern with cactus accents. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

42. PINK-BOW JACK-O'-LANTERN SURROUNDED BY HEARTS

Create an original Halloween merchandise graphic featuring pink-bow jack-o'-lantern surrounded by hearts. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

43. STACK OF THREE EXPRESSIVE JACK-O'-LANTERNS

Create an original Halloween merchandise graphic featuring stack of three expressive jack-o'-lanterns. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

44. JACK-O'-LANTERN WEARING HEADPHONES AND HOLDING A CONTROLLER

Create an original Halloween merchandise graphic featuring jack-o'-lantern wearing headphones and holding a controller. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

45. WITCH-HAT PUMPKIN BESIDE A TINY POTION BOTTLE

Create an original Halloween merchandise graphic featuring witch-hat pumpkin beside a tiny potion bottle. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

46. PUMPKIN READING AN OPEN SPOOKY BOOK

Create an original Halloween merchandise graphic featuring pumpkin reading an open spooky book. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

47. PUMPKIN LATTE CHARACTER WITH WHIPPED CREAM AND CINNAMON

Create an original Halloween merchandise graphic featuring pumpkin latte character with whipped cream and cinnamon. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

48. JACK-O'-LANTERN DISCO BALL SURROUNDED BY STARS

Create an original Halloween merchandise graphic featuring jack-o'-lantern disco ball surrounded by stars. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

49. PUMPKIN PATCH SCENE WITH CRESCENT MOON AND BATS

Create an original Halloween merchandise graphic featuring pumpkin patch scene with crescent moon and bats. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

50. FLORAL PUMPKIN FILLED WITH ORANGE, PURPLE AND PINK AUTUMN FLOWERS

Create an original Halloween merchandise graphic featuring floral pumpkin filled with orange, purple and pink autumn flowers. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

PIXEL MONSTERS & CUTE HORROR

51. CUTE GREEN STITCHED MONSTER HOLDING A JACK-O'-LANTERN

Create an original Halloween merchandise graphic featuring cute green stitched monster holding a jack-o'-lantern. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

52. TINY VAMPIRE WITH DRAMATIC CAPE AND CANDY BUCKET

Create an original Halloween merchandise graphic featuring tiny vampire with dramatic cape and candy bucket. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

53. FRIENDLY MUMMY HUGGING A PUMPKIN

Create an original Halloween merchandise graphic featuring friendly mummy hugging a pumpkin. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

54. CUTE HOODED GRIM REAPER HOLDING A PUMPKIN DRINK

Create an original Halloween merchandise graphic featuring cute hooded grim reaper holding a pumpkin drink. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

55. SMALL PURPLE BAT MONSTER WITH OVERSIZED EARS

Create an original Halloween merchandise graphic featuring small purple bat monster with oversized ears. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

56. CUTE SWAMP MONSTER RISING FROM A BUBBLING POTION POND

Create an original Halloween merchandise graphic featuring cute swamp monster rising from a bubbling potion pond. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

57. TINY WEREWOLF WEARING A HALLOWEEN SWEATER

Create an original Halloween merchandise graphic featuring tiny werewolf wearing a Halloween sweater. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

58. CUTE ONE-EYED PURPLE MONSTER CARRYING CANDY

Create an original Halloween merchandise graphic featuring cute one-eyed purple monster carrying candy. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

59. FRIENDLY SCARECROW MONSTER WITH PATCHWORK HAT AND PUMPKIN

Create an original Halloween merchandise graphic featuring friendly scarecrow monster with patchwork hat and pumpkin. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

60. TINY COFFIN CHARACTER OPENING TO REVEAL A SMILING SPOOKY CREATURE

Create an original Halloween merchandise graphic featuring tiny coffin character opening to reveal a smiling spooky creature. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

PIXEL SPOOKY FOOD & DRINKS

61. MELTY PEPPERONI PIZZA SLICE WITH A CUTE SKULL FACE MOTIF

Create an original Halloween merchandise graphic featuring melty pepperoni pizza slice with a cute skull face motif. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

62. PUMPKIN SPICE DRINK TOPPED WITH WHIPPED CREAM AND JACK-O'-LANTERN CUP ART

Create an original Halloween merchandise graphic featuring pumpkin spice drink topped with whipped cream and jack-o'-lantern cup art. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

63. GHOST-SHAPED ICED COOKIE WITH PINK CHEEKS

Create an original Halloween merchandise graphic featuring ghost-shaped iced cookie with pink cheeks. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

64. BLACK-CAT DONUT WITH PURPLE FROSTING AND ORANGE SPRINKLES

Create an original Halloween merchandise graphic featuring black-cat donut with purple frosting and orange sprinkles. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

65. CANDY CORN TRIO WITH DIFFERENT CUTE EXPRESSIONS

Create an original Halloween merchandise graphic featuring candy corn trio with different cute expressions. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

66. HALLOWEEN CUPCAKE TOPPED WITH A TINY BAT AND ORANGE FROSTING

Create an original Halloween merchandise graphic featuring Halloween cupcake topped with a tiny bat and orange frosting. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

67. SPOOKY BOBA CUP WITH PUMPKIN PEARLS AND WITCH HAT

Create an original Halloween merchandise graphic featuring spooky boba cup with pumpkin pearls and witch hat. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

68. CARAMEL APPLE CHARACTER COVERED IN ORANGE AND PURPLE CANDY DRIZZLE

Create an original Halloween merchandise graphic featuring caramel apple character covered in orange and purple candy drizzle. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

69. RAMEN BOWL WITH GHOST-SHAPED STEAM AND TINY BATS

Create an original Halloween merchandise graphic featuring ramen bowl with ghost-shaped steam and tiny bats. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

70. CAULDRON OVERFLOWING WITH COLORFUL HALLOWEEN CANDY

Create an original Halloween merchandise graphic featuring cauldron overflowing with colorful Halloween candy. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

PIXEL BOOKISH & COZY

71. STACK OF SPOOKY BOOKS WITH A TINY SKULL AND CANDLE

Create an original Halloween merchandise graphic featuring stack of spooky books with a tiny skull and candle. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

72. GHOST LIBRARIAN CARRYING AN OVERSIZED PURPLE BOOK

Create an original Halloween merchandise graphic featuring ghost librarian carrying an oversized purple book. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

73. BLACK CAT ASLEEP ACROSS STACKED SPELL BOOKS

Create an original Halloween merchandise graphic featuring black cat asleep across stacked spell books. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

74. OPEN BOOK RELEASING PIXEL BATS, STARS AND A CRESCENT MOON

Create an original Halloween merchandise graphic featuring open book releasing pixel bats, stars and a crescent moon. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

75. COZY HAUNTED BOOKSHELF FILLED WITH BOOKS, PUMPKINS AND POTION BOTTLES

Create an original Halloween merchandise graphic featuring cozy haunted bookshelf filled with books, pumpkins and potion bottles. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

76. SKELETON READER HOLDING A ROMANCE BOOK WITH TINY HEARTS

Create an original Halloween merchandise graphic featuring skeleton reader holding a romance book with tiny hearts. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

77. WITCH READING IN A COZY CHAIR BESIDE A PUMPKIN LAMP

Create an original Halloween merchandise graphic featuring witch reading in a cozy chair beside a pumpkin lamp. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

78. BOOK STACK TOPPED WITH A WITCH HAT AND STEAMING COFFEE

Create an original Halloween merchandise graphic featuring book stack topped with a witch hat and steaming coffee. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

79. HAUNTED BOOKSHOP STOREFRONT WITH GLOWING WINDOWS AND PUMPKINS

Create an original Halloween merchandise graphic featuring haunted bookshop storefront with glowing windows and pumpkins. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

80. BOOK, CANDLE, PUMPKIN AND COFFEE STILL LIFE WITH TINY PIXEL SPARKLES

Create an original Halloween merchandise graphic featuring book, candle, pumpkin and coffee still life with tiny pixel sparkles. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

PIXEL GAMING, MUSIC & RETRO

81. GHOST GAMER WEARING HEADPHONES AND HOLDING A PURPLE CONTROLLER

Create an original Halloween merchandise graphic featuring ghost gamer wearing headphones and holding a purple controller. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

82. HAUNTED ARCADE CABINET WITH A SMILING GHOST ON THE SCREEN

Create an original Halloween merchandise graphic featuring haunted arcade cabinet with a smiling ghost on the screen. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

83. PUMPKIN-HEADED GAMER SITTING BESIDE A RETRO CONSOLE

Create an original Halloween merchandise graphic featuring pumpkin-headed gamer sitting beside a retro console. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

84. SKELETON DJ WEARING HEADPHONES BEHIND A TINY TURNTABLE

Create an original Halloween merchandise graphic featuring skeleton DJ wearing headphones behind a tiny turntable. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

85. BLACK CAT GAMER WITH HANDHELD CONSOLE AND FLOATING HEARTS

Create an original Halloween merchandise graphic featuring black cat gamer with handheld console and floating hearts. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

86. RETRO GAME LEVEL FEATURING PUMPKINS, BATS, STARS AND GRAVE MARKERS

Create an original Halloween merchandise graphic featuring retro game level featuring pumpkins, bats, stars and grave markers. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

87. WITCH FLYING THROUGH A SIDE-SCROLLING MOONLIT GAME SCENE

Create an original Halloween merchandise graphic featuring witch flying through a side-scrolling moonlit game scene. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

88. POTION BOTTLES DISPLAYED LIKE COLORFUL GAME POWER-UPS

Create an original Halloween merchandise graphic featuring potion bottles displayed like colorful game power-ups. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

89. JACK-O'-LANTERN ARCADE BOSS SURROUNDED BY PIXEL HEALTH HEARTS

Create an original Halloween merchandise graphic featuring jack-o'-lantern arcade boss surrounded by pixel health hearts. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

90. SPOOKY CASSETTE PLAYER WITH HEADPHONES, BATS AND NEON STARS

Create an original Halloween merchandise graphic featuring spooky cassette player with headphones, bats and neon stars. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

PIXEL WESTERN, FALL & FAITH

91. COWBOY JACK-O'-LANTERN WITH WESTERN HAT, CACTUS AND STARS

Create an original Halloween merchandise graphic featuring cowboy jack-o'-lantern with western hat, cactus and stars. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

92. HIGHLAND COW WEARING A WITCH HAT SURROUNDED BY PUMPKINS AND AUTUMN LEAVES

Create an original Halloween merchandise graphic featuring Highland cow wearing a witch hat surrounded by pumpkins and autumn leaves. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

93. WESTERN BOOT FILLED WITH HALLOWEEN FLOWERS AND TINY BATS

Create an original Halloween merchandise graphic featuring western boot filled with Halloween flowers and tiny bats. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

94. COW SKULL SURROUNDED BY PUMPKINS, DESERT FLOWERS AND CRESCENT MOON

Create an original Halloween merchandise graphic featuring cow skull surrounded by pumpkins, desert flowers and crescent moon. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

95. GHOST COWBOY BESIDE A CACTUS UNDER A FULL MOON

Create an original Halloween merchandise graphic featuring ghost cowboy beside a cactus under a full moon. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

96. SKELETON COWGIRL HOLDING A SMALL LASSO WITH WESTERN STARS

Create an original Halloween merchandise graphic featuring skeleton cowgirl holding a small lasso with western stars. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

97. SIMPLE CROSS SURROUNDED BY PUMPKINS, AUTUMN LEAVES AND TINY STARS

Create an original Halloween merchandise graphic featuring simple cross surrounded by pumpkins, autumn leaves and tiny stars. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

98. OPEN BIBLE-INSPIRED GENERIC BOOK BESIDE A PUMPKIN AND WARM CANDLE

Create an original Halloween merchandise graphic featuring open Bible-inspired generic book beside a pumpkin and warm candle. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

99. CROSS WRAPPED WITH AUTUMN FLORALS, PUMPKINS AND SUBTLE PIXEL SPARKLES

Create an original Halloween merchandise graphic featuring cross wrapped with autumn florals, pumpkins and subtle pixel sparkles. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.

100. CHURCH SILHOUETTE AT SUNSET WITH PUMPKINS AND AUTUMN FOLIAGE IN THE FOREGROUND

Create an original Halloween merchandise graphic featuring church silhouette at sunset with pumpkins and autumn foliage in the foreground. **STYLE LOCK:** polished retro 8-bit / 16-bit inspired pixel art; clearly visible square pixels; crisp stepped edges; chunky sprite-like shapes; bold dark outlines; clean pixel-cluster highlights and shadows; cute expressive details; high-contrast arcade-game finish; no smooth vector edges, no painterly texture, no photorealism. **PALETTE:** electric purple, pumpkin orange, hot pink, golden yellow, cream, black, with small acid-green or cyan accents when appropriate. **COMPOSITION:** one cohesive centered design, strong silhouette, balanced negative space, readable from several feet away, suitable for shirts, sweatshirts, stickers, mugs and digital PNGs. Decorative pixel bats, stars, hearts, sparkles, webs, leaves, candy, mushrooms or mini pumpkins may be used sparingly when they support the subject. **TRANSPARENT BACKGROUND.** Isolated artwork only. **NO TEXT** unless text is explicitly requested in the subject. No person wearing the design, garment, product mockup, rectangular backdrop, copyrighted character, brand logo, celebrity likeness, real official insignia, watermark, pseudo-text or unintended letters.
