# 250 Hispanic Heritage Month AI Image Prompts

**ENGLISH-ONLY TEXT • CULTURE • FAMILY • TRADITION • PRIDE**

This pack is built for creating varied, print-ready Hispanic Heritage Month artwork across apparel, mugs, totes, stickers, posters, and other products. The prompts intentionally rotate visual styles and cultural references while keeping all requested readable wording in English. Use the prompts as written or swap the exact headline with another English phrase from the text bank below.

**Text rule:** Every prompt requests accurate readable English text only, with no Spanish wording, pseudo-text, extra letters, or watermark.

## English Text Bank

HISPANIC HERITAGE MONTH • CELEBRATE HISPANIC HERITAGE MONTH • HAPPY HISPANIC HERITAGE MONTH • CELEBRATING HISPANIC HERITAGE • HONORING HISPANIC HERITAGE MONTH • PROUD OF OUR ROOTS • ROOTED IN CULTURE • CELEBRATE OUR CULTURE • CULTURE • FAMILY • TRADITION • HERITAGE • CULTURE • PRIDE • HONORING OUR HERITAGE • CELEBRATING OUR ROOTS • STRONG ROOTS • BRIGHT FUTURE • HONORING THE PAST • CELEBRATING THE FUTURE • TOGETHER WE CELEBRATE HISPANIC HERITAGE

Tip: For stronger generations, keep the exact quoted headline unchanged. If the image model struggles with typography, generate the artwork without text and add the same English headline during final design editing.

# CORE TEXT VARIATIONS

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |

|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p><b>007.</b> Create a bold retro screen-print illustration for Hispanic Heritage Month featuring vibrant papel picado banners, marigold-like florals, carved decorative frames, and colorful tiled accents. Integrate the exact headline "HISPANIC HERITAGE MONTH" as the primary readable text. Keep the cultural imagery respectful and visually specific, with balanced decorative detail suitable for shirts, totes, mugs, stickers, or prints. Use polished print-ready composition, strong contrast, isolated or clean background, accurate readable English text only, no Spanish wording, no pseudo-text, no extra letters, no watermark.</p> | <p><b>008.</b> Create a hand-painted folk poster for Hispanic Heritage Month featuring a Talavera-inspired blue, cobalt, yellow, and terracotta floral tile border with a central heritage badge. Integrate the exact headline "CELEBRATE HISPANIC HERITAGE MONTH" as the primary readable text. Keep the cultural imagery respectful and visually specific, with balanced decorative detail suitable for shirts, totes, mugs, stickers, or prints. Use polished print-ready composition, strong contrast, isolated or clean background, accurate readable English text only, no Spanish wording, no pseudo-text, no extra letters, no watermark.</p> |
| <p><b>009.</b> Create a vintage travel-poster artwork for Hispanic Heritage Month featuring an embroidered floral arrangement with birds, leaves, and symmetrical folk stitching. Integrate the exact headline "HAPPY HISPANIC HERITAGE MONTH" as the primary readable text. Keep the cultural imagery respectful and visually specific, with balanced decorative detail suitable for shirts, totes, mugs, stickers, or prints. Use polished print-ready composition, strong contrast, isolated or clean background, accurate readable English text only, no Spanish wording, no pseudo-text, no extra letters, no watermark.</p>                       | <p><b>010.</b> Create a layered paper-cut illustration for Hispanic Heritage Month featuring a sunlit colonial plaza with colorful facades, flowering balconies, and ornamental stonework. Integrate the exact headline "CELEBRATING HISPANIC HERITAGE" as the primary readable text. Keep the cultural imagery respectful and visually specific, with balanced decorative detail suitable for shirts, totes, mugs, stickers, or prints. Use polished print-ready composition, strong contrast, isolated or clean background, accurate readable English text only, no Spanish wording, no pseudo-text, no extra letters, no watermark.</p>            |
| <p><b>011.</b> Create a embroidered patch aesthetic for Hispanic Heritage Month featuring a hand-painted acoustic guitar covered in bright floral motifs and tiny decorative stars. Integrate the exact headline "HONORING HISPANIC HERITAGE MONTH" as the primary readable text. Keep the cultural imagery respectful and visually specific, with balanced decorative detail suitable for shirts, totes, mugs, stickers, or prints. Use polished print-ready composition, strong contrast, isolated or clean background, accurate readable English text only, no Spanish wording, no pseudo-text, no extra letters, no watermark.</p>                  | <p><b>012.</b> Create a clean vector badge design for Hispanic Heritage Month featuring a woven serape-inspired stripe pattern framing oversized vintage lettering. Integrate the exact headline "PROUD OF OUR ROOTS" as the primary readable text. Keep the cultural imagery respectful and visually specific, with balanced decorative detail suitable for shirts, totes, mugs, stickers, or prints. Use polished print-ready composition, strong contrast, isolated or clean background, accurate readable English text only, no Spanish wording, no pseudo-text, no extra letters, no watermark.</p>                                              |
| <p><b>013.</b> Create a watercolor-and-ink illustration for Hispanic Heritage Month featuring a folk-art heart surrounded by radiant flowers, leaves, and ornamental flourishes. Integrate the exact headline "ROOTED IN CULTURE" as the primary readable text. Keep the cultural imagery respectful and visually specific, with balanced decorative detail suitable for shirts, totes, mugs, stickers, or prints. Use polished print-ready composition, strong contrast, isolated or clean background, accurate readable English text only, no Spanish wording, no pseudo-text, no extra letters, no watermark.</p>                                    | <p><b>014.</b> Create a linocut printmaking style for Hispanic Heritage Month featuring a desert botanical composition with agave, prickly pear, warm sunset shapes, and folk borders. Integrate the exact headline "CELEBRATE OUR CULTURE" as the primary readable text. Keep the cultural imagery respectful and visually specific, with balanced decorative detail suitable for shirts, totes, mugs, stickers, or prints. Use polished print-ready composition, strong contrast, isolated or clean background, accurate readable English text only, no Spanish wording, no pseudo-text, no extra letters, no watermark.</p>                        |

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p><b>236.</b> Create a vintage travel-poster artwork for Hispanic Heritage Month featuring a glossy 3D puffy-letter composition with inflated flowers, stars, and soft dimensional shadows. Integrate the exact headline "HISPANIC HERITAGE MONTH" as the primary readable text. Keep the cultural imagery respectful and visually specific, with balanced decorative detail suitable for shirts, totes, mugs, stickers, or prints. Use polished print-ready composition, strong contrast, isolated or clean background, accurate readable English text only, no Spanish wording, no pseudo-text, no extra letters, no watermark.</p>      | <p><b>237.</b> Create a layered paper-cut illustration for Hispanic Heritage Month featuring a hand-cut paper collage with layered flowers, leaves, arches, and bold dimensional type. Integrate the exact headline "CELEBRATE HISPANIC HERITAGE MONTH" as the primary readable text. Keep the cultural imagery respectful and visually specific, with balanced decorative detail suitable for shirts, totes, mugs, stickers, or prints. Use polished print-ready composition, strong contrast, isolated or clean background, accurate readable English text only, no Spanish wording, no pseudo-text, no extra letters, no watermark.</p> |
| <p><b>238.</b> Create a embroidered patch aesthetic for Hispanic Heritage Month featuring a black-and-cream linocut with carved floral borders and one bright accent color. Integrate the exact headline "HAPPY HISPANIC HERITAGE MONTH" as the primary readable text. Keep the cultural imagery respectful and visually specific, with balanced decorative detail suitable for shirts, totes, mugs, stickers, or prints. Use polished print-ready composition, strong contrast, isolated or clean background, accurate readable English text only, no Spanish wording, no pseudo-text, no extra letters, no watermark.</p>                 | <p><b>239.</b> Create a clean vector badge design for Hispanic Heritage Month featuring a soft watercolor wreath with loose florals, leaves, splashes, and elegant centered lettering. Integrate the exact headline "CELEBRATING HISPANIC HERITAGE" as the primary readable text. Keep the cultural imagery respectful and visually specific, with balanced decorative detail suitable for shirts, totes, mugs, stickers, or prints. Use polished print-ready composition, strong contrast, isolated or clean background, accurate readable English text only, no Spanish wording, no pseudo-text, no extra letters, no watermark.</p>     |
| <p><b>240.</b> Create a watercolor-and-ink illustration for Hispanic Heritage Month featuring a Y2K sticker-bomb composition with chrome stars, bubbly flowers, hearts, and chunky type. Integrate the exact headline "HONORING HISPANIC HERITAGE MONTH" as the primary readable text. Keep the cultural imagery respectful and visually specific, with balanced decorative detail suitable for shirts, totes, mugs, stickers, or prints. Use polished print-ready composition, strong contrast, isolated or clean background, accurate readable English text only, no Spanish wording, no pseudo-text, no extra letters, no watermark.</p> | <p><b>241.</b> Create a linocut printmaking style for Hispanic Heritage Month featuring a dark-academia heritage poster with ornate frame, botanical engraving, books, and warm antique paper. Integrate the exact headline "PROUD OF OUR ROOTS" as the primary readable text. Keep the cultural imagery respectful and visually specific, with balanced decorative detail suitable for shirts, totes, mugs, stickers, or prints. Use polished print-ready composition, strong contrast, isolated or clean background, accurate readable English text only, no Spanish wording, no pseudo-text, no extra letters, no watermark.</p>        |
| <p><b>242.</b> Create a ornate stained-glass look for Hispanic Heritage Month featuring a minimalist modern composition with oversized type, three simple botanical icons, and generous negative space. Integrate the exact headline "ROOTED IN CULTURE" as the primary readable text. Keep the cultural imagery respectful and visually specific, with balanced decorative detail suitable for shirts, totes, mugs, stickers, or prints. Use polished print-ready composition, strong contrast, isolated or clean background, accurate readable English text only, no Spanish wording, no pseudo-text, no extra letters, no watermark.</p> |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |

## BONUS PROMPTS & EXTRA IDEAS

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
