01. Holy Night Nativity

PERFECT CIRCLE • NOTHING OUTSIDE

Create an ultra-detailed glossy puffy 3D Christian Christmas ornament featuring Mary, Joseph and baby Jesus beneath a glowing Star of Bethlehem. Render the Holy Family as soft inflated dimensional art with rounded edges, pillowy volume, smooth clay-like surfaces, subtle bevels, realistic contact shadows and polished highlights. Surround the scene with tiny puffy stars, evergreen sprigs, pearl-like snow, miniature gold bells and a soft ribbon bow, all arranged within the round composition. **PALETTE:** Holy Night Blue, Bethlehem Navy, champagne gold, warm ivory and muted evergreen. Reverent, peaceful and luminous. No text, mockup, hands, tree, logo, watermark or pseudo-text. **STRICT ROUND ORNAMENT COMPOSITION:** The entire finished artwork must fit inside ONE perfect 1:1 circular boundary. The outer silhouette must remain a clean, mathematically round circle. ALL characters, text, stars, greenery, bows, ribbons, bells, pearls, snow, florals, highlights and decorative elements must remain completely INSIDE the circular edge with comfortable inset spacing. Nothing may protrude, overlap, extend, hang or break outside the circle. No exterior ornament cap, hanging loop, string, ribbon tails or decorations. Transparent background outside the perfect circle.

02. Star of Bethlehem

PERFECT CIRCLE • NOTHING OUTSIDE

Create a luxurious glossy puffy 3D Christian Christmas ornament centered on a radiant eight-point Star of Bethlehem. Build the star from inflated champagne-gold dimensional segments with soft beveled edges and pearl highlights. Add tiny puffy clouds, miniature stars, evergreen tips and an ivory satin-look bow, with a simplified Bethlehem silhouette beneath. PALETTE: champagne gold, warm ivory, Bethlehem navy and soft sky blue. No text or pseudo-text. STRICT ROUND ORNAMENT COMPOSITION: The entire finished artwork must fit inside ONE perfect 1:1 circular boundary. The outer silhouette must remain a clean, mathematically round circle. ALL characters, text, stars, greenery, bows, ribbons, bells, pearls, snow, florals, highlights and decorative elements must remain completely INSIDE the circular edge with comfortable inset spacing. Nothing may protrude, overlap, extend, hang or break outside the circle. No exterior ornament cap, hanging loop, string, ribbon tails or decorations. Transparent background outside the perfect circle.

03. Prince of Peace

PERFECT CIRCLE • NOTHING OUTSIDE

Create a glossy puffy 3D Christian Christmas ornament featuring a white dove carrying a small olive branch, framed by a soft inflated wreath of evergreen, pearl berries and tiny gold stars. Integrate the exact readable text "PRINCE OF PEACE" in elegant dimensional cream lettering with subtle champagne-gold edging. PALETTE: warm ivory, evergreen, champagne gold and Holy Night Blue. No additional text. STRICT ROUND ORNAMENT COMPOSITION: The entire finished artwork must fit inside ONE perfect 1:1 circular boundary. The outer silhouette must remain a clean, mathematically round circle. ALL characters, text, stars, greenery, bows, ribbons, bells, pearls, snow, florals, highlights and decorative elements must remain completely INSIDE the circular edge with comfortable inset spacing. Nothing may protrude, overlap, extend, hang or break outside the circle. No exterior ornament cap, hanging loop, string, ribbon tails or decorations. Transparent background outside the perfect circle.

04. Light of the World

PERFECT CIRCLE • NOTHING OUTSIDE

Create an ultra-detailed puffy 3D Christian ornament featuring a glowing candle with a soft golden flame, surrounded by inflated evergreen, stars and small pearl ornaments. Integrate the exact readable text "LIGHT OF THE WORLD" in clean dimensional lettering. PALETTE: ivory, champagne gold, Bethlehem navy and evergreen. No extra words. STRICT ROUND ORNAMENT COMPOSITION: The entire finished artwork must fit inside ONE perfect 1:1 circular boundary. The outer silhouette must remain a clean, mathematically round circle. ALL characters, text, stars, greenery, bows, ribbons, bells, pearls, snow, florals, highlights and decorative elements must remain completely INSIDE the circular edge with comfortable inset spacing. Nothing may protrude, overlap, extend, hang or break outside the circle. No exterior ornament cap, hanging loop, string, ribbon tails or decorations. Transparent background outside the perfect circle.

05. Joy to the World

PERFECT CIRCLE • NOTHING OUTSIDE

Create a cheerful glossy puffy 3D Christian Christmas ornament with a radiant Bethlehem star above a tiny inflated globe wrapped in a delicate gold ribbon. Add puffy clouds, stars, holly and small bells. Integrate the exact readable text "JOY TO THE WORLD" in bold elegant dimensional lettering. PALETTE: Holy Night Blue, evergreen, cranberry, champagne gold and ivory. No extra text. STRICT ROUND ORNAMENT COMPOSITION: The entire finished artwork must fit inside ONE perfect 1:1 circular boundary. The outer silhouette must remain a clean, mathematically round circle. ALL characters, text, stars, greenery, bows, ribbons, bells, pearls, snow, florals, highlights and decorative elements must remain completely INSIDE the circular edge with comfortable inset spacing. Transparent background outside the perfect circle.

07. O Come Let Us Adore Him

PERFECT CIRCLE • NOTHING OUTSIDE

Create a regal glossy puffy 3D Christian Christmas ornament featuring a small manger scene beneath an inflated arch of stars and evergreen, with three tiny crown-like gold accents symbolizing worship and gifts. Integrate the exact readable text "O COME LET US ADORE HIM" in elegant dimensional lettering. PALETTE: navy, cranberry, gold, ivory and evergreen. STRICT ROUND ORNAMENT COMPOSITION: The entire finished artwork must fit inside ONE perfect 1:1 circular boundary. The outer silhouette must remain a clean, mathematically round circle. ALL characters, text, stars, greenery, bows, ribbons, bells, pearls, snow, florals, highlights and decorative elements must remain completely INSIDE the circular edge with comfortable inset spacing. Nothing may protrude, overlap, extend, hang or break outside the circle. No exterior ornament cap, hanging loop, string, ribbon tails or decorations. Transparent background outside the perfect circle.

08. Silent Night

PERFECT CIRCLE • NOTHING OUTSIDE

Create a serene glossy puffy 3D Christian Christmas ornament showing a peaceful Bethlehem night with a glowing star, small stable silhouette, crescent moon, puffy clouds and pearl-like stars. Integrate the exact readable text "SILENT NIGHT" in graceful inflated lettering. PALETTE: deep navy, soft sky blue, ivory and champagne gold. STRICT ROUND ORNAMENT COMPOSITION: The entire finished artwork must fit inside ONE perfect 1:1 circular boundary. The outer silhouette must remain a clean, mathematically round circle. ALL characters, text, stars, greenery, bows, ribbons, bells, pearls, snow, florals, highlights and decorative elements must remain completely INSIDE the circular edge with comfortable inset spacing. Nothing may protrude, overlap, extend, hang or break outside the circle. No exterior ornament cap, hanging loop, string, ribbon tails or decorations. Transparent background outside the perfect circle.

09. Heaven and Nature Sing

PERFECT CIRCLE • NOTHING OUTSIDE

Create a whimsical glossy puffy 3D Christian Christmas ornament featuring a radiant star, dove, evergreen, musical-note shapes and tiny winter florals arranged as a circular wreath. Integrate the exact readable text "HEAVEN AND NATURE SING" in dimensional cream and gold lettering. PALETTE: evergreen, cranberry, ivory, gold and navy.
