CASE TIP: Keep faces, eyes, and any critical focal details away from the upper-left camera area. Use leaves, stars, webs, florals, textures, and other secondary elements for bleed.

25 FALL BOOKISH PROMPTS

1. Autumn Library Window

Create a fall bookish 9:16 vertical phone-case artwork featuring cozy dark-academia library window framed by amber maple leaves, stacked antique books, tiny pumpkins, acorns and a steaming mug. Use a warm cozy autumn palette and a polished merchandise-ready illustration style. Keep the main focal details away from the upper-left camera area. Extend secondary decorative elements naturally toward all edges for bleed. Maintain strong detail from top to bottom. No phone mockup, phone outline, case outline, logos, copyrighted characters, trademarked titles, readable book titles, watermark, or unintended text. Premium print-ready composition.

2. Pumpkin Spice Book Stack

Create a fall bookish 9:16 vertical phone-case artwork featuring tall stack of vintage novels topped with a pumpkin-spice mug, cinnamon sticks, miniature pumpkins and drifting fall leaves. Use a warm cozy autumn palette and a polished merchandise-ready illustration style. Keep the main focal details away from the upper-left camera area. Extend secondary decorative elements naturally toward all edges for bleed. Maintain strong detail from top to bottom. No phone mockup, phone outline, case outline, logos, copyrighted characters, trademarked titles, readable book titles, watermark, or unintended text. Premium print-ready composition.

3. Bookish Pumpkin Patch

Create a fall bookish 9:16 vertical phone-case artwork featuring whimsical pumpkin patch where open books nestle among pumpkins, vines and golden leaves. Use a warm cozy autumn palette and a polished merchandise-ready illustration style. Keep the main focal details away from the upper-left camera area. Extend secondary decorative elements naturally toward all edges for bleed. Maintain strong detail from top to bottom. No phone mockup, phone outline, case outline, logos, copyrighted characters, trademarked titles, readable book titles, watermark, or unintended text. Premium print-ready composition.

4. Sweater Weather Reader

Create a fall bookish 9:16 vertical phone-case artwork featuring cozy reading nook with chunky knit blanket, open novel, tea, glasses, candles and scattered maple leaves. Use a warm cozy autumn palette and a polished merchandise-ready illustration style. Keep the main focal details away from the upper-left camera area. Extend secondary decorative elements naturally toward all edges for bleed. Maintain strong detail from top to bottom. No phone mockup, phone outline, case outline, logos, copyrighted characters, trademarked titles, readable book titles, watermark, or unintended text. Premium print-ready composition.

5. Dark Academia Autumn

Create a fall bookish 9:16 vertical phone-case artwork featuring floor-to-ceiling antique bookshelves, brass lamp, leather chair, old books, pressed leaves and moody autumn window light. Use a warm cozy autumn palette and a polished merchandise-ready illustration style. Keep the main focal details away from the upper-left camera area. Extend secondary decorative elements naturally toward all edges for bleed. Maintain strong detail from top to bottom. No phone mockup, phone outline, case outline, logos, copyrighted characters, trademarked titles, readable book titles, watermark, or unintended text. Premium print-ready composition.

6. Fall Bookshelf Garden

Create a fall bookish 9:16 vertical phone-case artwork featuring vertical bookshelf overflowing with novels, trailing ivy, chrysanthemums, tiny pumpkins, mushrooms and falling leaves. Use a warm cozy autumn palette and a polished merchandise-ready illustration style. Keep the main focal details away from the upper-left camera area. Extend secondary decorative elements naturally toward all edges for bleed. Maintain strong detail from top to bottom. No phone mockup, phone outline, case outline, logos, copyrighted characters, trademarked titles, readable book titles, watermark, or unintended text. Premium print-ready composition.

7. Mushrooms & Manuscripts

Create a fall bookish 9:16 vertical phone-case artwork featuring antique books surrounded by red-capped mushrooms, ferns, acorns, moss and curled autumn leaves. Use a warm cozy autumn palette and a polished merchandise-ready illustration style. Keep the main focal details away from the upper-left camera area. Extend secondary decorative elements naturally toward all edges for bleed. Maintain strong detail from top to bottom. No phone mockup, phone outline, case outline, logos, copyrighted characters, trademarked titles, readable book titles, watermark, or unintended text. Premium print-ready composition.

8. Autumn Reading Ghost

Create a fall bookish 9:16 vertical phone-case artwork featuring cute sheet ghost reading a tiny book beside pumpkins, leaves and a mug. Use a warm cozy autumn palette and a polished merchandise-ready illustration style. Keep the main focal details away from the upper-left camera area. Extend secondary decorative elements naturally toward all edges for bleed. Maintain strong detail from top to bottom. No phone mockup, phone outline, case outline, logos, copyrighted characters, trademarked titles, readable book titles, watermark, or unintended text. Premium print-ready composition.

9. Coffee Books Leaves

Create a fall bookish 9:16 vertical phone-case artwork featuring editorial flat-lay of open book, latte, tortoiseshell glasses, knit scarf, acorns and colorful leaves. Use a warm cozy autumn palette and a polished merchandise-ready illustration style. Keep the main focal details away from the upper-left camera area. Extend secondary decorative elements naturally toward all edges for bleed. Maintain strong detail from top to bottom. No phone mockup, phone outline, case outline, logos, copyrighted characters, trademarked titles, readable book titles, watermark, or unintended text. Premium print-ready composition.

10. Plaid Bookish Fall

Create a fall bookish 9:16 vertical phone-case artwork featuring stacked books wrapped with warm plaid ribbon, pumpkins, maple leaves and tiny gold stars. Use a warm cozy autumn palette and a polished merchandise-ready illustration style. Keep the main focal details away from the upper-left camera area. Extend secondary decorative elements naturally toward all edges for bleed. Maintain strong detail from top to bottom. No phone mockup, phone outline, case outline, logos, copyrighted characters, trademarked titles, readable book titles, watermark, or unintended text. Premium print-ready composition.

11. Moonlit Fall Reader

Create a fall bookish 9:16 vertical phone-case artwork featuring crescent moon above a dreamy tower of books with pumpkins, moths and drifting leaves. Use a warm cozy autumn palette and a polished merchandise-ready illustration style. Keep the main focal details away from the upper-left camera area. Extend secondary decorative elements naturally toward all edges for bleed. Maintain strong detail from top to bottom. No phone mockup, phone outline, case outline, logos, copyrighted characters, trademarked titles, readable book titles, watermark, or unintended text. Premium print-ready composition.

12. Vintage Bookstore Autumn

Create a fall bookish 9:16 vertical phone-case artwork featuring narrow old bookstore facade with glowing windows, books in the window, pumpkins at the door and leaves blowing down the street. Use a warm cozy autumn palette and a polished merchandise-ready illustration style. Keep the main focal details away from the upper-left camera area. Extend secondary decorative elements naturally toward all edges for bleed. Maintain strong detail from top to bottom. No phone mockup, phone outline, case outline, logos, copyrighted characters, trademarked titles, readable book titles, watermark, or unintended text. Premium print-ready composition.

13. Cozy Cabin Books

Create a fall bookish 9:16 vertical phone-case artwork featuring rustic cabin reading scene with stacked books, lantern, pinecones, plaid blanket and orange leaves. Use a warm cozy autumn palette and a polished merchandise-ready illustration style. Keep the main focal details away from the upper-left camera area. Extend secondary decorative elements naturally toward all edges for bleed. Maintain strong detail from top to bottom. No phone mockup, phone outline, case outline, logos, copyrighted characters, trademarked titles, readable book titles, watermark, or unintended text. Premium print-ready composition.

14. Floral Autumn Books

Create a fall bookish 9:16 vertical phone-case artwork featuring elegant stack of antique books surrounded by dahlias, chrysanthemums, berries, wheat and autumn leaves. Use a warm cozy autumn palette and a polished merchandise-ready illustration style. Keep the main focal details away from the upper-left camera area. Extend secondary decorative elements naturally toward all edges for bleed. Maintain strong detail from top to bottom. No phone mockup, phone outline, case outline, logos, copyrighted characters, trademarked titles, readable book titles, watermark, or unintended text. Premium print-ready composition.

15. Library Card Fall

Create a fall bookish 9:16 vertical phone-case artwork featuring retro library-card inspired composition with books, date-stamp motifs, maple leaves, tiny pumpkins and faded paper texture; no readable text. Use a warm cozy autumn palette and a polished merchandise-ready illustration style. Keep the main focal details away from the upper-left camera area. Extend secondary decorative elements naturally toward all edges for bleed. Maintain strong detail from top to bottom. No phone mockup, phone outline, case outline, logos, copyrighted characters, trademarked titles, readable book titles, watermark, or unintended text. Premium print-ready composition.

16. Fox Reading in Fall

Create a fall bookish 9:16 vertical phone-case artwork featuring charming red fox curled beside an open book under an oak tree with acorns and falling leaves. Use a warm cozy autumn palette and a polished merchandise-ready illustration style. Keep the main focal details away from the upper-left camera area. Extend secondary decorative elements naturally toward all edges for bleed. Maintain strong detail from top to bottom. No phone mockup, phone outline, case outline, logos, copyrighted characters, trademarked titles, readable book titles, watermark, or unintended text. Premium print-ready composition.

17. Black Cat Autumn Reader

Create a fall bookish 9:16 vertical phone-case artwork featuring black cat perched on stacked books beside pumpkins, amber candles and scattered leaves. Use a warm cozy autumn palette and a polished merchandise-ready illustration style. Keep the main focal details away from the upper-left camera area. Extend secondary decorative elements naturally toward all edges for bleed. Maintain strong detail from top to bottom. No phone mockup, phone outline, case outline, logos, copyrighted characters, trademarked titles, readable book titles, watermark, or unintended text. Premium print-ready composition.

18. Rainy Autumn Reading

Create a fall bookish 9:16 vertical phone-case artwork featuring rain-speckled library window, open novel, tea and glowing candle surrounded by rust-colored leaves. Use a warm cozy autumn palette and a polished merchandise-ready illustration style. Keep the main focal details away from the upper-left camera area. Extend secondary decorative elements naturally toward all edges for bleed. Maintain strong detail from top to bottom. No phone mockup, phone outline, case outline, logos, copyrighted characters, trademarked titles, readable book titles, watermark, or unintended text. Premium print-ready composition.

19. Book Bouquet Autumn

Create a fall bookish 9:16 vertical phone-case artwork featuring bouquet made from rolled book pages, autumn flowers, wheat, berries and maple leaves tied with velvet ribbon. Use a warm cozy autumn palette and a polished merchandise-ready illustration style. Keep the main focal details away from the upper-left camera area. Extend secondary decorative elements naturally toward all edges for bleed. Maintain strong detail from top to bottom. No phone mockup, phone outline, case outline, logos, copyrighted characters, trademarked titles, readable book titles, watermark, or unintended text. Premium print-ready composition.

20. Harvest Moon Books

Create a fall bookish 9:16 vertical phone-case artwork featuring large harvest moon behind a tall stack of antique books, pumpkins and wheat. Use a warm cozy autumn palette and a polished merchandise-ready illustration style. Keep the main focal details away from the upper-left camera area. Extend secondary decorative elements naturally toward all edges for bleed. Maintain strong detail from top to bottom. No phone mockup, phone outline, case outline, logos, copyrighted characters, trademarked titles, readable book titles, watermark, or unintended text. Premium print-ready composition.

21. Cottagecore Book Basket

Create a fall bookish 9:16 vertical phone-case artwork featuring woven basket filled with books, apples, mini pumpkins, flowers and plaid fabric. Use a warm cozy autumn palette and a polished merchandise-ready illustration style. Keep the main focal details away from the upper-left camera area. Extend secondary decorative elements naturally toward all edges for bleed. Maintain strong detail from top to bottom. No phone mockup, phone outline, case outline, logos, copyrighted characters, trademarked titles, readable book titles, watermark, or unintended text. Premium print-ready composition.

22. Acorn Book Tower

Create a fall bookish 9:16 vertical phone-case artwork featuring playful tower of books with acorns, oak leaves, tiny mushrooms and miniature lanterns tucked between volumes. Use a warm cozy autumn palette and a polished merchandise-ready illustration style. Keep the main focal details away from the upper-left camera area. Extend secondary decorative elements naturally toward all edges for bleed. Maintain strong detail from top to bottom. No phone mockup, phone outline, case outline, logos, copyrighted characters, trademarked titles, readable book titles, watermark, or unintended text. Premium print-ready composition.

23. Pressed Leaves Journal

Create a fall bookish 9:16 vertical phone-case artwork featuring open vintage journal with pressed autumn leaves, fountain pen, dried flowers and old books. Use a warm cozy autumn palette and a polished merchandise-ready illustration style. Keep the main focal details away from the upper-left camera area. Extend secondary decorative elements naturally toward all edges for bleed. Maintain strong detail from top to bottom. No phone mockup, phone outline, case outline, logos, copyrighted characters, trademarked titles, readable book titles, watermark, or unintended text. Premium print-ready composition.

24. Fall Reading Picnic

Create a fall bookish 9:16 vertical phone-case artwork featuring plaid blanket with open books, thermos, apples, pumpkins and scattered leaves beneath an autumn tree. Use a warm cozy autumn palette and a polished merchandise-ready illustration style. Keep the main focal details away from the upper-left camera area. Extend secondary decorative elements naturally toward all edges for bleed. Maintain strong detail from top to bottom. No phone mockup, phone outline, case outline, logos, copyrighted characters, trademarked titles, readable book titles, watermark, or unintended text. Premium print-ready composition.

25. Golden Hour Books

Create a fall bookish 9:16 vertical phone-case artwork featuring sunlit stack of books beside wildflowers, pumpkin and mug with floating dust motes and golden fall leaves. Use a warm cozy autumn palette and a polished merchandise-ready illustration style. Keep the main focal details away from the upper-left camera area. Extend secondary decorative elements naturally toward all edges for bleed. Maintain strong detail from top to bottom. No phone mockup, phone outline, case outline, logos, copyrighted characters, trademarked titles, readable book titles, watermark, or unintended text. Premium print-ready composition.

25 HALLOWEEN BOOKISH PROMPTS

26. Haunted Library

Create a Halloween bookish 9:16 vertical phone-case artwork featuring grand gothic library with towering bookshelves, floating candles, cobwebs, pumpkins and friendly translucent ghosts. Use a cozy spooky Halloween palette and a polished merchandise-ready illustration style. Keep the main focal details away from the upper-left camera area. Extend secondary decorative elements naturally toward all edges for bleed. Maintain strong detail from top to bottom. No phone mockup, phone outline, case outline, logos, copyrighted characters, trademarked titles, readable book titles, watermark, or unintended text. Premium print-ready composition.

27. Ghost Book Club

Create a Halloween bookish 9:16 vertical phone-case artwork featuring group of adorable sheet ghosts reading books together among pumpkins, candles and stars. Use a cozy spooky Halloween palette and a polished merchandise-ready illustration style. Keep the main focal details away from the upper-left camera area. Extend secondary decorative elements naturally toward all edges for bleed. Maintain strong detail from top to bottom. No phone mockup, phone outline, case outline, logos, copyrighted characters, trademarked titles, readable book titles, watermark, or unintended text. Premium print-ready composition.

28. Witchy Reading Nook

Create a Halloween bookish 9:16 vertical phone-case artwork featuring velvet chair, open spellbook, black cat, candles, potion bottles and crescent-moon window. Use a cozy spooky Halloween palette and a polished merchandise-ready illustration style. Keep the main focal details away from the upper-left camera area. Extend secondary decorative elements naturally toward all edges for bleed. Maintain strong detail from top to bottom. No phone mockup, phone outline, case outline, logos, copyrighted characters, trademarked titles, readable book titles, watermark, or unintended text. Premium print-ready composition.

29. Skull & Classic Novels

Create a Halloween bookish 9:16 vertical phone-case artwork featuring decorative skull resting on stacked antique books with black roses, candles, moths and spiderwebs. Use a cozy spooky Halloween palette and a polished merchandise-ready illustration style. Keep the main focal details away from the upper-left camera area. Extend secondary decorative elements naturally toward all edges for bleed. Maintain strong detail from top to bottom. No phone mockup, phone outline, case outline, logos, copyrighted characters, trademarked titles, readable book titles, watermark, or unintended text. Premium print-ready composition.

30. Black Cat Spellbooks

Create a Halloween bookish 9:16 vertical phone-case artwork featuring black cat sitting proudly atop old spellbooks with pumpkins, moons, stars and potion bottles. Use a cozy spooky Halloween palette and a polished merchandise-ready illustration style. Keep the main focal details away from the upper-left camera area. Extend secondary decorative elements naturally toward all edges for bleed. Maintain strong detail from top to bottom. No phone mockup, phone outline, case outline, logos, copyrighted characters, trademarked titles, readable book titles, watermark, or unintended text. Premium print-ready composition.

31. Vampire Library

Create a Halloween bookish 9:16 vertical phone-case artwork featuring romantic gothic reading room with crimson chair, antique books, candelabra and bats outside an arched window; no person. Use a cozy spooky Halloween palette and a polished merchandise-ready illustration style. Keep the main focal details away from the upper-left camera area. Extend secondary decorative elements naturally toward all edges for bleed. Maintain strong detail from top to bottom. No phone mockup, phone outline, case outline, logos, copyrighted characters, trademarked titles, readable book titles, watermark, or unintended text. Premium print-ready composition.

32. Pumpkin Bookshop

Create a Halloween bookish 9:16 vertical phone-case artwork featuring tiny enchanted bookshop built inside a giant jack-o'-lantern with glowing windows, stacked books and miniature ghosts. Use a cozy spooky Halloween palette and a polished merchandise-ready illustration style. Keep the main focal details away from the upper-left camera area. Extend secondary decorative elements naturally toward all edges for bleed. Maintain strong detail from top to bottom. No phone mockup, phone outline, case outline, logos, copyrighted characters, trademarked titles, readable book titles, watermark, or unintended text. Premium print-ready composition.

33. Spooky Bookshelf

Create a Halloween bookish 9:16 vertical phone-case artwork featuring tall bookshelf packed with books, skulls, potion bottles, candles, pumpkins, ravens and webs. Use a cozy spooky Halloween palette and a polished merchandise-ready illustration style. Keep the main focal details away from the upper-left camera area. Extend secondary decorative elements naturally toward all edges for bleed. Maintain strong detail from top to bottom. No phone mockup, phone outline, case outline, logos, copyrighted characters, trademarked titles, readable book titles, watermark, or unintended text. Premium print-ready composition.

34. Mystic Library

Create a Halloween bookish 9:16 vertical phone-case artwork featuring mystical literary arrangement of antique books, abstract planchette-like shapes, moons, stars, candles and dried flowers; no readable board text. Use a cozy spooky Halloween palette and a polished merchandise-ready illustration style. Keep the main focal details away from the upper-left camera area. Extend secondary decorative elements naturally toward all edges for bleed. Maintain strong detail from top to bottom. No phone mockup, phone outline, case outline, logos, copyrighted characters, trademarked titles, readable book titles, watermark, or unintended text. Premium print-ready composition.

35. Ghost in the Stacks

Create a Halloween bookish 9:16 vertical phone-case artwork featuring friendly translucent ghost drifting between towering library shelves while carrying an open book. Use a cozy spooky Halloween palette and a polished merchandise-ready illustration style. Keep the main focal details away from the upper-left camera area. Extend secondary decorative elements naturally toward all edges for bleed. Maintain strong detail from top to bottom. No phone mockup, phone outline, case outline, logos, copyrighted characters, trademarked titles, readable book titles, watermark, or unintended text. Premium print-ready composition.

36. Raven & Books

Create a Halloween bookish 9:16 vertical phone-case artwork featuring black raven perched on old books with candle wax, skull, dried roses and crescent moon. Use a cozy spooky Halloween palette and a polished merchandise-ready illustration style. Keep the main focal details away from the upper-left camera area. Extend secondary decorative elements naturally toward all edges for bleed. Maintain strong detail from top to bottom. No phone mockup, phone outline, case outline, logos, copyrighted characters, trademarked titles, readable book titles, watermark, or unintended text. Premium print-ready composition.

37. Candy Corn Book Stack

Create a Halloween bookish 9:16 vertical phone-case artwork featuring cute stacked books decorated with candy corn, tiny ghosts, pumpkins and stars. Use a cozy spooky Halloween palette and a polished merchandise-ready illustration style. Keep the main focal details away from the upper-left camera area. Extend secondary decorative elements naturally toward all edges for bleed. Maintain strong detail from top to bottom. No phone mockup, phone outline, case outline, logos, copyrighted characters, trademarked titles, readable book titles, watermark, or unintended text. Premium print-ready composition.

38. Pink Halloween Reader

Create a Halloween bookish 9:16 vertical phone-case artwork featuring glam spooky book stack with pastel pink pumpkins, black bats, bows, ghosts and sparkly stars. Use a cozy spooky Halloween palette and a polished merchandise-ready illustration style. Keep the main focal details away from the upper-left camera area. Extend secondary decorative elements naturally toward all edges for bleed. Maintain strong detail from top to bottom. No phone mockup, phone outline, case outline, logos, copyrighted characters, trademarked titles, readable book titles, watermark, or unintended text. Premium print-ready composition.

39. Neon Haunted Library

Create a Halloween bookish 9:16 vertical phone-case artwork featuring 1990s neon library scene with books, jack-o'-lanterns, ghosts, checker accents and crisp electric outlines. Use a cozy spooky Halloween palette and a polished merchandise-ready illustration style. Keep the main focal details away from the upper-left camera area. Extend secondary decorative elements naturally toward all edges for bleed. Maintain strong detail from top to bottom. No phone mockup, phone outline, case outline, logos, copyrighted characters, trademarked titles, readable book titles, watermark, or unintended text. Premium print-ready composition.

40. Retro Horror Reader

Create a Halloween bookish 9:16 vertical phone-case artwork featuring vintage pulp-comic style stack of horror books, dramatic jack-o'-lantern, bats and halftone shadows; no readable titles. Use a cozy spooky Halloween palette and a polished merchandise-ready illustration style. Keep the main focal details away from the upper-left camera area. Extend secondary decorative elements naturally toward all edges for bleed. Maintain strong detail from top to bottom. No phone mockup, phone outline, case outline, logos, copyrighted characters, trademarked titles, readable book titles, watermark, or unintended text. Premium print-ready composition.

41. Skeleton Bookworm

Create a Halloween bookish 9:16 vertical phone-case artwork featuring friendly skeleton lounging in an armchair reading a book, surrounded by pumpkins and candles. Use a cozy spooky Halloween palette and a polished merchandise-ready illustration style. Keep the main focal details away from the upper-left camera area. Extend secondary decorative elements naturally toward all edges for bleed. Maintain strong detail from top to bottom. No phone mockup, phone outline, case outline, logos, copyrighted characters, trademarked titles, readable book titles, watermark, or unintended text. Premium print-ready composition.

42. Tarot & Tomes

Create a Halloween bookish 9:16 vertical phone-case artwork featuring mystical vertical arrangement of antique books, celestial cards with abstract symbols, candles, crystals, moons and stars. Use a cozy spooky Halloween palette and a polished merchandise-ready illustration style. Keep the main focal details away from the upper-left camera area. Extend secondary decorative elements naturally toward all edges for bleed. Maintain strong detail from top to bottom. No phone mockup, phone outline, case outline, logos, copyrighted characters, trademarked titles, readable book titles, watermark, or unintended text. Premium print-ready composition.

43. Moth & Moon Library

Create a Halloween bookish 9:16 vertical phone-case artwork featuring luna moth hovering over old books with crescent moon, black flowers, candles and tiny stars. Use a cozy spooky Halloween palette and a polished merchandise-ready illustration style. Keep the main focal details away from the upper-left camera area. Extend secondary decorative elements naturally toward all edges for bleed. Maintain strong detail from top to bottom. No phone mockup, phone outline, case outline, logos, copyrighted characters, trademarked titles, readable book titles, watermark, or unintended text. Premium print-ready composition.

44. Potion Shelf Reader

Create a Halloween bookish 9:16 vertical phone-case artwork featuring apothecary bookshelf with books, bubbling potion bottles, herbs, candles, mushrooms and tiny ghosts. Use a cozy spooky Halloween palette and a polished merchandise-ready illustration style. Keep the main focal details away from the upper-left camera area. Extend secondary decorative elements naturally toward all edges for bleed. Maintain strong detail from top to bottom. No phone mockup, phone outline, case outline, logos, copyrighted characters, trademarked titles, readable book titles, watermark, or unintended text. Premium print-ready composition.

45. Graveyard Reading

Create a Halloween bookish 9:16 vertical phone-case artwork featuring old stone bench in a moonlit graveyard with an open book, lantern, pumpkins, ravens and drifting ghost. Use a cozy spooky Halloween palette and a polished merchandise-ready illustration style. Keep the main focal details away from the upper-left camera area. Extend secondary decorative elements naturally toward all edges for bleed. Maintain strong detail from top to bottom. No phone mockup, phone outline, case outline, logos, copyrighted characters, trademarked titles, readable book titles, watermark, or unintended text. Premium print-ready composition.

46. Haunted Book Cart

Create a Halloween bookish 9:16 vertical phone-case artwork featuring vintage rolling library cart overflowing with spooky books, pumpkins, cobwebs, candles and a tiny ghost peeking out. Use a cozy spooky Halloween palette and a polished merchandise-ready illustration style. Keep the main focal details away from the upper-left camera area. Extend secondary decorative elements naturally toward all edges for bleed. Maintain strong detail from top to bottom. No phone mockup, phone outline, case outline, logos, copyrighted characters, trademarked titles, readable book titles, watermark, or unintended text. Premium print-ready composition.

47. Spiderweb Classics

Create a Halloween bookish 9:16 vertical phone-case artwork featuring stack of ornate antique books wrapped in delicate spiderwebs with black roses, spider, candles and crescent moon. Use a cozy spooky Halloween palette and a polished merchandise-ready illustration style. Keep the main focal details away from the upper-left camera area. Extend secondary decorative elements naturally toward all edges for bleed. Maintain strong detail from top to bottom. No phone mockup, phone outline, case outline, logos, copyrighted characters, trademarked titles, readable book titles, watermark, or unintended text. Premium print-ready composition.

48. Pumpkin Head Reader

Create a Halloween bookish 9:16 vertical phone-case artwork featuring whimsical pumpkin-headed character seated cross-legged reading a book with ghosts and bats around them. Use a cozy spooky Halloween palette and a polished merchandise-ready illustration style. Keep the main focal details away from the upper-left camera area. Extend secondary decorative elements naturally toward all edges for bleed. Maintain strong detail from top to bottom. No phone mockup, phone outline, case outline, logos, copyrighted characters, trademarked titles, readable book titles, watermark, or unintended text. Premium print-ready composition.

49. Magic Book Portal

Create a Halloween bookish 9:16 vertical phone-case artwork featuring open antique book releasing a swirling portal of ghosts, moons, stars, bats and glowing pumpkins. Use a cozy spooky Halloween palette and a polished merchandise-ready illustration style. Keep the main focal details away from the upper-left camera area. Extend secondary decorative elements naturally toward all edges for bleed. Maintain strong detail from top to bottom. No phone mockup, phone outline, case outline, logos, copyrighted characters, trademarked titles, readable book titles, watermark, or unintended text. Premium print-ready composition.

50. Gothic Stained Glass Books

Create a Halloween bookish 9:16 vertical phone-case artwork featuring stained-glass inspired vertical design featuring books, raven, crescent moon, roses, candles and gothic arches. Use a cozy spooky Halloween palette and a polished merchandise-ready illustration style. Keep the main focal details away from the upper-left camera area. Extend secondary decorative elements naturally toward all edges for bleed. Maintain strong detail from top to bottom. No phone mockup, phone outline, case outline, logos, copyrighted characters, trademarked titles, readable book titles, watermark, or unintended text. Premium print-ready composition.
