CHRISTMAS 250 PROMPTS

CHRISTMAS PROMPTS 1-4

- 1. Classic Christmas • TEXT: MERRY & BRIGHT**

Create an original Christmas merchandise illustration featuring decorated Christmas tree with wrapped gifts and a star topper. Render it in a Classic Christmas direction: traditional Christmas merchandise art with evergreen, holly, ribbon, ornaments and crisp screen-print separation. Use a controlled palette of #C62828, #1F6B3A, #F7F0DC, #D4AF37, #183A2A. Add the exact wording "MERRY & BRIGHT" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.
- 2. Retro Christmas • TEXT: DECK THE HALLS**

Create an original Christmas merchandise illustration featuring stacked wrapped gifts with oversized bow and holly. Render it in a Retro Christmas direction: 1970s retro holiday graphic with chunky curves, sunbursts, stars and cheerful seasonal motifs. Use a controlled palette of #C83A32, #F1DFC2, #D4A72C, #3F6B43, #3A2A22. Add the exact wording "DECK THE HALLS" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.
- 3. Neon Christmas • TEXT: WRAPPED IN JOY**

Create an original Christmas merchandise illustration featuring generic wooden holiday guard with drum and evergreen. Render it in a Neon Christmas direction: 1990s neon holiday graphic with crisp electric outlines, geometric bursts and checker accents, no blurry glow. Use a controlled palette of #FF2D2D, #12D85A, #00CFE8, #F5F2E8, #17142B. Add the exact wording "WRAPPED IN JOY" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.
- 4. Vintage Christmas Card • TEXT: BELIEVE IN JOY**

Create an original Christmas merchandise illustration featuring gingerbread character holding a candy cane. Render it in a Vintage Christmas Card direction: mid-century holiday-card aesthetic, worn screen-print texture, bold simple silhouettes and old-print charm. Use a controlled palette of #A94735, #E9D9B8, #2F6944, #D2A23B, #1B1B1B. Add the exact wording "BELIEVE IN JOY" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

CHRISTMAS PROMPTS 5-8

5. Western Christmas • TEXT: MERRY STATE OF MIND

Create an original Christmas merchandise illustration featuring festive dachshund in a generic holiday sweater with no logos. Render it in a Western Christmas direction: western holiday aesthetic with rope curves, boots, stars, bandana accents and rugged badge composition. Use a controlled palette of #B33B32, #E8D4B4, #2F6341, #C79A3C, #5A382A. Add the exact wording "MERRY STATE OF MIND" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

6. Coquette Christmas • TEXT: ALL IS MERRY

Create an original Christmas merchandise illustration featuring Christmas mailbox with envelopes, evergreen and bow. Render it in a Coquette Christmas direction: feminine coquette holiday aesthetic with bows, ribbons, hearts, pearls and polished Christmas shapes. Use a controlled palette of #C92F45, #F2DFE6, #2F7047, #252025, #D2AF4C. Add the exact wording "ALL IS MERRY" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

7. Tattoo Flash Christmas • TEXT: JINGLE ALL THE WAY

Create an original Christmas merchandise illustration featuring vintage pickup truck carrying an evergreen tree, with no logos or branding. Render it in a Tattoo Flash Christmas direction: traditional tattoo-flash-inspired holiday icons with bold black contour, limited color and compact composition. Use a controlled palette of #D84A35, #E9DDBF, #2C6543, #D3A43B, #171717. Add the exact wording "JINGLE ALL THE WAY" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

8. Disco Christmas • TEXT: HOLLY JOLLY DAYS

Create an original Christmas merchandise illustration featuring cozy cocoa mug with marshmallows, candy cane and evergreen. Render it in a Disco Christmas direction: 1970s disco holiday graphic with mirror-ball facets, groovy waves, stars and energetic festive silhouettes. Use a controlled palette of #D946EF, #F2E2C8, #D7353A, #2F7547, #E0C54A. Add the exact wording "HOLLY JOLLY DAYS" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

CHRISTMAS PROMPTS 9-12

9. Minimal Christmas • TEXT: HOLIDAY CHEER

Create an original Christmas merchandise illustration featuring Christmas stocking stuffed with candy, evergreen and small gifts. Render it in a Minimal Christmas direction: clean minimalist Christmas line art with strong negative space and precise geometric balance. Use a controlled palette of #B9272D, #F7F5EF, #2F6844, #C7B59A, #343434. Add the exact wording "HOLIDAY CHEER" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

10. Preppy Christmas • TEXT: JINGLE BABE

Create an original Christmas merchandise illustration featuring large Christmas bow with dangling ornaments and stars. Render it in a Preppy Christmas direction: preppy heritage Christmas aesthetic with stripes, shields, bows, stars and clean seasonal geometry. Use a controlled palette of #284B3C, #F2E5C8, #A52F3A, #23395B, #C5A24A. Add the exact wording "JINGLE BABE" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

11. Kitsch Christmas • TEXT: CHRISTMAS MAGIC

Create an original Christmas merchandise illustration featuring highland cow with Christmas bow, evergreen and ornaments. Render it in a Kitsch Christmas direction: cute vintage kitsch holiday illustration with cheerful ornaments, starbursts and old-print charm. Use a controlled palette of #D83C35, #F7E7D2, #F18AA5, #236B42, #E5B83E. Add the exact wording "CHRISTMAS MAGIC" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

12. Clay Christmas • TEXT: CHRISTMAS SPIRIT

Create an original Christmas merchandise illustration featuring cross wrapped with tasteful evergreen, red ribbon and small stars. Render it in a Clay Christmas direction: handmade polymer-clay Christmas objects with rounded sculpted forms, fingerprints, matte texture and collectible charm. Use a controlled palette of #D94B52, #F0E3CA, #2F7047, #E3B34B, #9277B5. Add the exact wording "CHRISTMAS SPIRIT" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

CHRISTMAS PROMPTS 13-16

13. Watercolor Christmas • TEXT: MERRY SEASON

Create an original Christmas merchandise illustration featuring pink holiday tumbler with bow, candy cane and tiny hearts. Render it in a Watercolor Christmas direction: whimsical watercolor holiday arrangement with soft painted edges, layered washes and airy composition. Use a controlled palette of #C94B4B, #F3E5D0, #D8A23B, #5C7A55, #68506E. Add the exact wording "MERRY SEASON" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

14. Grunge Christmas • TEXT: JOLLY ALL DAY

Create an original Christmas merchandise illustration featuring pair of western boots with evergreen, ornaments and rope curves. Render it in a Grunge Christmas direction: edgy grunge streetwear Christmas graphic with distressed ink, rough photocopy texture and bold holiday forms. Use a controlled palette of #171717, #EFE6D5, #C92D35, #2F6A43, #B9B9B9. Add the exact wording "JOLLY ALL DAY" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

15. Paper Cut Christmas • TEXT: CHRISTMAS CREW

Create an original Christmas merchandise illustration featuring holiday baking arrangement with cookies, rolling pin and candy canes. Render it in a Paper Cut Christmas direction: layered paper-cut Christmas illustration with dimensional cut-paper shapes, clean shadows and crisp stacked depth. Use a controlled palette of #B93636, #E8DFCC, #2F7047, #6B5287, #D1A64B. Add the exact wording "CHRISTMAS CREW" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

16. Stained Glass Christmas • TEXT: MERRY EVERYTHING

Create an original Christmas merchandise illustration featuring holiday lantern surrounded by pine, berries and ribbon. Render it in a Stained Glass Christmas direction: stained-glass-inspired holiday emblem with thick dark leading, jewel-tone panels and symmetrical geometry. Use a controlled palette of #B43E63, #E6D8BC, #2C6B48, #315464, #D39A3E. Add the exact wording "MERRY EVERYTHING" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

CHRISTMAS PROMPTS 17-20

17. Botanical Christmas • TEXT: JINGLE & MINGLE

Create an original Christmas merchandise illustration featuring western hat resting on wrapped gifts with holly. Render it in a Botanical Christmas direction: Christmas objects framed by tasteful evergreen, holly, berries and winter botanicals in a balanced merchandise emblem. Use a controlled palette of #B83B37, #E6D9C0, #2C613F, #5D6B49, #B88747. Add the exact wording "JINGLE & MINGLE" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

18. Retro Comic Christmas • TEXT: A VERY MERRY DAY

Create an original Christmas merchandise illustration featuring three candles with evergreen, berries and ribbon. Render it in a Retro Comic Christmas direction: vintage comic-book Christmas action with bold ink, halftone dots, motion bursts and energetic silhouettes. Use a controlled palette of #D94332, #F3E3B7, #E3B52F, #2A7049, #171719. Add the exact wording "A VERY MERRY DAY" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

19. Dark Academia Christmas • TEXT: CHRISTMAS HEART

Create an original Christmas merchandise illustration featuring disco-ball ornament with starbursts and ribbon. Render it in a Dark Academia Christmas direction: dark-academia holiday aesthetic with old books, candles, evergreen, ribbon and scholarly vintage composition. Use a controlled palette of #6E2929, #E0C9A6, #2F4F38, #30312B, #B28A43. Add the exact wording "CHRISTMAS HEART" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

20. Pastel Christmas • TEXT: MERRY AUNTIE

Create an original Christmas merchandise illustration featuring retro ceramic-style Christmas tree with colorful bulbs. Render it in a Pastel Christmas direction: pastel Christmas illustration with soft chunky shapes, cute accessories and mature boutique polish. Use a controlled palette of #F29BC1, #F7E5EE, #6DAA7C, #F0A45C, #33313A. Add the exact wording "MERRY AUNTIE" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

CHRISTMAS PROMPTS 21-24

21. Checkerboard Christmas • TEXT: MERRY LITTLE CHRISTMAS

Create an original Christmas merchandise illustration featuring evergreen branch bundle with berries, bells and ribbon. Render it in a Checkerboard Christmas direction: high-contrast checkerboard Christmas graphic with racing-style energy, bold stars and clean central hero. Use a controlled palette of #111111, #F3E3C5, #C83D36, #2D6A43, #D6A83B. Add the exact wording "MERRY LITTLE CHRISTMAS" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

22. Groovy Christmas • TEXT: JOYFUL SEASON

Create an original Christmas merchandise illustration featuring three stylized fir trees arranged like a Christmas tree farm badge. Render it in a Groovy Christmas direction: 1960s-70s groovy Christmas aesthetic with wavy stripes, daisies, rounded icons and warm retro print texture. Use a controlled palette of #B83B37, #F0DFC3, #D49A36, #3D7048, #4A3428. Add the exact wording "JOYFUL SEASON" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

23. Americana Christmas • TEXT: MERRY TEACHER

Create an original Christmas merchandise illustration featuring stacked Christmas cookies with icing and candy details. Render it in a Americana Christmas direction: Americana Christmas graphic with stars, stripes, evergreen and classic holiday objects without brand insignia. Use a controlled palette of #A63C3C, #F3E7D2, #243B64, #2E6A43, #C6A04B. Add the exact wording "MERRY TEACHER" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

24. Y2K Christmas • TEXT: HOLLY JOLLY

Create an original Christmas merchandise illustration featuring oversized satin bow wrapped around two candy canes with tiny stars. Render it in a Y2K Christmas direction: Y2K-inspired Christmas graphic with flat chrome-like highlights, stars, flames, hearts and sharp playful geometry. Use a controlled palette of #FF4DA6, #BFC4CC, #D92832, #26A85A, #7A3CF0. Add the exact wording "HOLLY JOLLY" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

CHRISTMAS PROMPTS 25-28

25. Folk Art Christmas • TEXT: HOLIDAY MODE

Create an original Christmas merchandise illustration featuring gingerbread house with peppermint details and tiny stars. Render it in a Folk Art Christmas direction: handmade folk-art Christmas illustration with simple stitched shapes, stars, florals and symmetrical craft composition. Use a controlled palette of #A4473D, #F0DFC3, #D49A36, #3E7048, #3B3033. Add the exact wording "HOLIDAY MODE" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

26. Gothic Christmas • TEXT: VERY MERRY

Create an original Christmas merchandise illustration featuring pair of ice skates tied together with ribbon and holly. Render it in a Gothic Christmas direction: elegant gothic Christmas emblem with arches, holly, candles, decorative ravens and dramatic engraved linework. Use a controlled palette of #6B2035, #E1D0B6, #B18A4A, #20201F, #2F5140. Add the exact wording "VERY MERRY" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

27. Cute Christmas Character • TEXT: PEACE LOVE CHRISTMAS

Create an original Christmas merchandise illustration featuring holiday book stack with cocoa mug, candle and evergreen. Render it in a Cute Christmas Character direction: original generic cute holiday animal character with seasonal accessories, oversized expressive features and clean bold silhouette. Use a controlled palette of #D84B43, #F3E4CA, #D5A43A, #4C7A52, #2D2930. Add the exact wording "PEACE LOVE CHRISTMAS" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

28. Chalkboard Christmas • TEXT: SWEATER WEATHER

Create an original Christmas merchandise illustration featuring festive black cat beside ornaments and a tiny tree. Render it in a Chalkboard Christmas direction: chalkboard-inspired Christmas aesthetic with hand-drawn stars, evergreen, ornaments and festive marks. Use a controlled palette of #2F3433, #F1EBD9, #A94A45, #48634B, #B69A75. Add the exact wording "SWEATER WEATHER" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

CHRISTMAS PROMPTS 29-32

29. Embroidered Christmas • TEXT: MERRY MAMA

Create an original Christmas merchandise illustration featuring festive cherries, holly, ribbon and ornament cluster. Render it in a Embroidered Christmas direction: embroidered-patch Christmas aesthetic with visible thread texture, satin-stitch borders and simplified seasonal icons. Use a controlled palette of #A92F34, #EFE2C8, #2F6742, #D2A43B, #253A5A. Add the exact wording "MERRY MAMA" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

30. Rhinestone Christmas • TEXT: PEPPERMINT SEASON

Create an original Christmas merchandise illustration featuring smiling ornament character with a simple checkerboard accent. Render it in a Rhinestone Christmas direction: sparkly rhinestone-inspired flat Christmas graphic with gem-dot highlights, bold holiday silhouette and glamorous energy. Use a controlled palette of #171719, #BFC2C7, #D92F4A, #2D7A49, #D4B04C. Add the exact wording "PEPPERMINT SEASON" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

31. Cottagecore Christmas • TEXT: CHRISTMAS CHEER

Create an original Christmas merchandise illustration featuring holiday wreath with bow, ornaments, pinecones and berries. Render it in a Cottagecore Christmas direction: cozy cottagecore Christmas arrangement with mushrooms, tiny florals, evergreen, berries and vintage seasonal objects. Use a controlled palette of #6C4A3A, #E6D7BC, #4E7454, #B83C39, #302B2C. Add the exact wording "CHRISTMAS CHEER" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

32. Bold Christmas Typography • TEXT: MERRY MOM

Create an original Christmas merchandise illustration featuring snow globe containing a tiny Christmas tree and wrapped gifts. Render it in a Bold Christmas Typography direction: typography-led Christmas composition with oversized block lettering, stars, holly and seasonal icons. Use a controlled palette of #D52F35, #F3E3C5, #2E7047, #17171B, #D6A83B. Add the exact wording "MERRY MOM" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

CHRISTMAS PROMPTS 33-36

33. Sticker Bomb Christmas • TEXT: HOLIDAY HAPPINESS

Create an original Christmas merchandise illustration featuring winter cardinal perched on evergreen with berries. Render it in a Sticker Bomb Christmas direction: clean sticker-art Christmas collage with separated original icons, lightning, stars, hearts and holiday objects. Use a controlled palette of #00BFD5, #F04D9B, #D92D35, #32A85D, #171717. Add the exact wording "HOLIDAY HAPPINESS" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

34. Monochrome Christmas • TEXT: SLEIGH THE DAY

Create an original Christmas merchandise illustration featuring snowman with scarf, candy cane and evergreen. Render it in a Monochrome Christmas direction: black-and-white Christmas engraving and line-art composition with crisp contrast and dramatic movement. Use a controlled palette of #111111, #F5F1E8, #777777, #D0C8B8, #343434. Add the exact wording "SLEIGH THE DAY" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

35. Sunset Christmas • TEXT: BAKING SPIRITS BRIGHT

Create an original Christmas merchandise illustration featuring church silhouette beneath a bright star with evergreen accents. Render it in a Sunset Christmas direction: retro sunset Christmas composition with layered sun arcs, evergreen silhouettes and bold centered seasonal object. Use a controlled palette of #D84C4C, #D8A33D, #2F7149, #25334D, #F1E1C7. Add the exact wording "BAKING SPIRITS BRIGHT" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

36. Plaid Christmas • TEXT: FA LA LA

Create an original Christmas merchandise illustration featuring black winter boot filled with evergreen, berries and a large ribbon. Render it in a Plaid Christmas direction: Christmas plaid and gingham graphic with large clean pattern panels, stitched edges and cozy holiday energy. Use a controlled palette of #B52F34, #F0DDBD, #242127, #D5A53B, #2F6B42. Add the exact wording "FA LA LA" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

CHRISTMAS PROMPTS 37-40

- 37. Metallic-Look Christmas • TEXT: MERRY STATE OF MIND**

Create an original Christmas merchandise illustration featuring Christmas bells with ribbon, holly and berries. Render it in a Metallic-Look Christmas direction: flat metallic-look Christmas graphic with printed gold and steel-gray effects, crisp seasonal silhouettes and no realistic foil. Use a controlled palette of #303236, #EEE4D0, #C5A14A, #2E6B45, #A92E35. Add the exact wording "MERRY STATE OF MIND" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.
- 38. Pop Art Christmas • TEXT: ALL IS MERRY**

Create an original Christmas merchandise illustration featuring bow-covered Christmas tree with ornaments and sparkles. Render it in a Pop Art Christmas direction: bold pop-art Christmas graphic with thick outlines, halftone texture, punchy shapes and comic energy. Use a controlled palette of #D94135, #F0C83E, #24AFC1, #2D7048, #F4E6C9. Add the exact wording "ALL IS MERRY" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.
- 39. Boho Christmas • TEXT: JINGLE ALL THE WAY**

Create an original Christmas merchandise illustration featuring peppermint candy cluster with bows and stars. Render it in a Boho Christmas direction: bohemian Christmas aesthetic with terracotta, evergreen, stars, moons, simple botanicals and relaxed handmade balance. Use a controlled palette of #B9684C, #EFE0C7, #C89B3C, #4C7653, #49352B. Add the exact wording "JINGLE ALL THE WAY" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.
- 40. Classic Holiday Heritage • TEXT: HOLLY JOLLY DAYS**

Create an original Christmas merchandise illustration featuring holiday record player with evergreen, stars and ornaments. Render it in a Classic Holiday Heritage direction: timeless heritage Christmas graphic with evergreen, ribbon, bells, ornaments and restrained vintage balance. Use a controlled palette of #A92F34, #F0E2C5, #743A42, #315E43, #C4A04A. Add the exact wording "HOLLY JOLLY DAYS" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

CHRISTMAS PROMPTS 41-44

41. Classic Christmas • TEXT: HOLIDAY CHEER

Create an original Christmas merchandise illustration featuring smiling ornament character with a simple checkerboard accent. Render it in a Classic Christmas direction: traditional Christmas merchandise art with evergreen, holly, ribbon, ornaments and crisp screen-print separation. Use a controlled palette of #C62828, #1F6B3A, #F7F0DC, #D4AF37, #183A2A. Add the exact wording "HOLIDAY CHEER" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

42. Retro Christmas • TEXT: MERRY GIRL

Create an original Christmas merchandise illustration featuring holiday wreath with bow, ornaments, pinecones and berries. Render it in a Retro Christmas direction: 1970s retro holiday graphic with chunky curves, sunbursts, stars and cheerful seasonal motifs. Use a controlled palette of #C83A32, #F1DFC2, #D4A72C, #3F6B43, #3A2A22. Add the exact wording "MERRY GIRL" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

43. Neon Christmas • TEXT: TIS THE SEASON

Create an original Christmas merchandise illustration featuring snow globe containing a tiny Christmas tree and wrapped gifts. Render it in a Neon Christmas direction: 1990s neon holiday graphic with crisp electric outlines, geometric bursts and checker accents, no blurry glow. Use a controlled palette of #FF2D2D, #12D85A, #00CFE8, #F5F2E8, #17142B. Add the exact wording "TIS THE SEASON" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

44. Vintage Christmas Card • TEXT: JOYFUL & COZY

Create an original Christmas merchandise illustration featuring winter cardinal perched on evergreen with berries. Render it in a Vintage Christmas Card direction: mid-century holiday-card aesthetic, worn screen-print texture, bold simple silhouettes and old-print charm. Use a controlled palette of #A94735, #E9D9B8, #2F6944, #D2A23B, #1B1B1B. Add the exact wording "JOYFUL & COZY" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

CHRISTMAS PROMPTS 45-48

45. Western Christmas • TEXT: CHRISTMAS IS CALLING

Create an original Christmas merchandise illustration featuring snowman with scarf, candy cane and evergreen. Render it in a Western Christmas direction: western holiday aesthetic with rope curves, boots, stars, bandana accents and rugged badge composition. Use a controlled palette of #B33B32, #E8D4B4, #2F6341, #C79A3C, #5A382A. Add the exact wording "CHRISTMAS IS CALLING" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

46. Coquette Christmas • TEXT: JOLLY ALL DAY

Create an original Christmas merchandise illustration featuring church silhouette beneath a bright star with evergreen accents. Render it in a Coquette Christmas direction: feminine coquette holiday aesthetic with bows, ribbons, hearts, pearls and polished Christmas shapes. Use a controlled palette of #C92F45, #F2DFE6, #2F7047, #252025, #D2AF4C. Add the exact wording "JOLLY ALL DAY" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

47. Tattoo Flash Christmas • TEXT: CHRISTMAS CREW

Create an original Christmas merchandise illustration featuring black winter boot filled with evergreen, berries and a large ribbon. Render it in a Tattoo Flash Christmas direction: traditional tattoo-flash-inspired holiday icons with bold black contour, limited color and compact composition. Use a controlled palette of #D84A35, #E9DDBF, #2C6543, #D3A43B, #171717. Add the exact wording "CHRISTMAS CREW" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

48. Disco Christmas • TEXT: MERRY EVERYTHING

Create an original Christmas merchandise illustration featuring Christmas bells with ribbon, holly and berries. Render it in a Disco Christmas direction: 1970s disco holiday graphic with mirror-ball facets, groovy waves, stars and energetic festive silhouettes. Use a controlled palette of #D946EF, #F2E2C8, #D7353A, #2F7547, #E0C54A. Add the exact wording "MERRY EVERYTHING" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

CHRISTMAS PROMPTS 49-52

49. Minimal Christmas • TEXT: JINGLE & MINGLE

Create an original Christmas merchandise illustration featuring bow-covered Christmas tree with ornaments and sparkles. Render it in a Minimal Christmas direction: clean minimalist Christmas line art with strong negative space and precise geometric balance. Use a controlled palette of #B9272D, #F7F5EF, #2F6844, #C7B59A, #343434. Add the exact wording "JINGLE & MINGLE" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

50. Preppy Christmas • TEXT: A VERY MERRY DAY

Create an original Christmas merchandise illustration featuring peppermint candy cluster with bows and stars. Render it in a Preppy Christmas direction: preppy heritage Christmas aesthetic with stripes, shields, bows, stars and clean seasonal geometry. Use a controlled palette of #B84B3C, #F2E5C8, #A52F3A, #23395B, #C5A24A. Add the exact wording "A VERY MERRY DAY" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

51. Kitsch Christmas • TEXT: GOOD TIDINGS

Create an original Christmas merchandise illustration featuring holiday record player with evergreen, stars and ornaments. Render it in a Kitsch Christmas direction: cute vintage kitsch holiday illustration with cheerful ornaments, starbursts and old-print charm. Use a controlled palette of #D83C35, #F7E7D2, #F18AA5, #236B42, #E5B83E. Add the exact wording "GOOD TIDINGS" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

52. Clay Christmas • TEXT: MERRY GRANDMA

Create an original Christmas merchandise illustration featuring decorated Christmas tree with wrapped gifts and a star topper. Render it in a Clay Christmas direction: handmade polymer-clay Christmas objects with rounded sculpted forms, fingerprints, matte texture and collectible charm. Use a controlled palette of #D94B52, #F0E3CA, #2F7047, #E3B34B, #9277B5. Add the exact wording "MERRY GRANDMA" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

CHRISTMAS PROMPTS 53-56

53. Watercolor Christmas • TEXT: TREE FARM DAYS

Create an original Christmas merchandise illustration featuring stacked wrapped gifts with oversized bow and holly. Render it in a Watercolor Christmas direction: whimsical watercolor holiday arrangement with soft painted edges, layered washes and airy composition. Use a controlled palette of #C94B4B, #F3E5D0, #D8A23B, #5C7A55, #68506E. Add the exact wording "TREE FARM DAYS" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

54. Grunge Christmas • TEXT: COCOA WEATHER

Create an original Christmas merchandise illustration featuring generic wooden holiday guard with drum and evergreen. Render it in a Grunge Christmas direction: edgy grunge streetwear Christmas graphic with distressed ink, rough photocopy texture and bold holiday forms. Use a controlled palette of #171717, #EFE6D5, #C92D35, #2F6A43, #B9B9B9. Add the exact wording "COCOA WEATHER" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

55. Paper Cut Christmas • TEXT: MERRY TEACHER

Create an original Christmas merchandise illustration featuring gingerbread character holding a candy cane. Render it in a Paper Cut Christmas direction: layered paper-cut Christmas illustration with dimensional cut-paper shapes, clean shadows and crisp stacked depth. Use a controlled palette of #B93636, #E8DFCC, #2F7047, #6B5287, #D1A64B. Add the exact wording "MERRY TEACHER" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

56. Stained Glass Christmas • TEXT: HOLLY JOLLY

Create an original Christmas merchandise illustration featuring festive dachshund in a generic holiday sweater with no logos. Render it in a Stained Glass Christmas direction: stained-glass-inspired holiday emblem with thick dark leading, jewel-tone panels and symmetrical geometry. Use a controlled palette of #B43E63, #E6D8BC, #2C6B48, #315464, #D39A3E. Add the exact wording "HOLLY JOLLY" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

CHRISTMAS PROMPTS 57-60

57. Botanical Christmas • TEXT: HOLIDAY MODE

Create an original Christmas merchandise illustration featuring Christmas mailbox with envelopes, evergreen and bow. Render it in a Botanical Christmas direction: Christmas objects framed by tasteful evergreen, holly, berries and winter botanicals in a balanced merchandise emblem. Use a controlled palette of #B83B37, #E6D9C0, #2C613F, #5D6B49, #B88747. Add the exact wording "HOLIDAY MODE" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

58. Retro Comic Christmas • TEXT: VERY MERRY

Create an original Christmas merchandise illustration featuring vintage pickup truck carrying an evergreen tree, with no logos or branding. Render it in a Retro Comic Christmas direction: vintage comic-book Christmas action with bold ink, halftone dots, motion bursts and energetic silhouettes. Use a controlled palette of #D94332, #F3E3B7, #E3B52F, #2A7049, #171719. Add the exact wording "VERY MERRY" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

59. Dark Academia Christmas • TEXT: PEACE LOVE CHRISTMAS

Create an original Christmas merchandise illustration featuring cozy cocoa mug with marshmallows, candy cane and evergreen. Render it in a Dark Academia Christmas direction: dark-academia holiday aesthetic with old books, candles, evergreen, ribbon and scholarly vintage composition. Use a controlled palette of #6E2929, #E0C9A6, #2F4F38, #30312B, #B28A43. Add the exact wording "PEACE LOVE CHRISTMAS" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

60. Pastel Christmas • TEXT: JOY MODE ON

Create an original Christmas merchandise illustration featuring Christmas stocking stuffed with candy, evergreen and small gifts. Render it in a Pastel Christmas direction: pastel Christmas illustration with soft chunky shapes, cute accessories and mature boutique polish. Use a controlled palette of #F29BC1, #F7E5EE, #6DAA7C, #F0A45C, #33313A. Add the exact wording "JOY MODE ON" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

CHRISTMAS PROMPTS 61-64

61. Checkerboard Christmas • TEXT: JOY TO THE WORLD

Create an original Christmas merchandise illustration featuring large Christmas bow with dangling ornaments and stars. Render it in a Checkerboard Christmas direction: high-contrast checkerboard Christmas graphic with racing-style energy, bold stars and clean central hero. Use a controlled palette of #111111, #F3E3C5, #C83D36, #2D6A43, #D6A83B. Add the exact wording "JOY TO THE WORLD" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

62. Groovy Christmas • TEXT: HOLLY DAYS

Create an original Christmas merchandise illustration featuring highland cow with Christmas bow, evergreen and ornaments. Render it in a Groovy Christmas direction: 1960s-70s groovy Christmas aesthetic with wavy stripes, daisies, rounded icons and warm retro print texture. Use a controlled palette of #B83B37, #F0DFC3, #D49A36, #3D7048, #4A3428. Add the exact wording "HOLLY DAYS" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

63. Americana Christmas • TEXT: MERRY BESTIE

Create an original Christmas merchandise illustration featuring cross wrapped with tasteful evergreen, red ribbon and small stars. Render it in a Americana Christmas direction: Americana Christmas graphic with stars, stripes, evergreen and classic holiday objects without brand insignia. Use a controlled palette of #A63C3C, #F3E7D2, #243B64, #2E6A43, #C6A04B. Add the exact wording "MERRY BESTIE" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

64. Y2K Christmas • TEXT: MERRY MOM

Create an original Christmas merchandise illustration featuring pink holiday tumbler with bow, candy cane and tiny hearts. Render it in a Y2K Christmas direction: Y2K-inspired Christmas graphic with flat chrome-like highlights, stars, flames, hearts and sharp playful geometry. Use a controlled palette of #FF4DA6, #BFC4CC, #D92832, #26A85A, #7A3CF0. Add the exact wording "MERRY MOM" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

CHRISTMAS PROMPTS 65-68

65. Folk Art Christmas • TEXT: HOLIDAY HAPPINESS

Create an original Christmas merchandise illustration featuring pair of western boots with evergreen, ornaments and rope curves. Render it in a Folk Art Christmas direction: handmade folk-art Christmas illustration with simple stitched shapes, stars, florals and symmetrical craft composition. Use a controlled palette of #A4473D, #F0DFC3, #D49A36, #3E7048, #3B3033. Add the exact wording "HOLIDAY HAPPINESS" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

66. Gothic Christmas • TEXT: SLEIGH THE DAY

Create an original Christmas merchandise illustration featuring holiday baking arrangement with cookies, rolling pin and candy canes. Render it in a Gothic Christmas direction: elegant gothic Christmas emblem with arches, holly, candles, decorative ravens and dramatic engraved linework. Use a controlled palette of #6B2035, #E1D0B6, #B18A4A, #20201F, #2F5140. Add the exact wording "SLEIGH THE DAY" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

67. Cute Christmas Character • TEXT: BAKING SPIRITS BRIGHT

Create an original Christmas merchandise illustration featuring holiday lantern surrounded by pine, berries and ribbon. Render it in a Cute Christmas Character direction: original generic cute holiday animal character with seasonal accessories, oversized expressive features and clean bold silhouette. Use a controlled palette of #D84B43, #F3E4CA, #D5A43A, #4C7A52, #2D2930. Add the exact wording "BAKING SPIRITS BRIGHT" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

68. Chalkboard Christmas • TEXT: FA LA LA

Create an original Christmas merchandise illustration featuring western hat resting on wrapped gifts with holly. Render it in a Chalkboard Christmas direction: chalkboard-inspired Christmas aesthetic with hand-drawn stars, evergreen, ornaments and festive marks. Use a controlled palette of #2F3433, #F1EBD9, #A94A45, #48634B, #B69A75. Add the exact wording "FA LA LA" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

CHRISTMAS PROMPTS 69-72

69. Embroidered Christmas • TEXT: CHRISTMAS KINDA DAY

Create an original Christmas merchandise illustration featuring three candles with evergreen, berries and ribbon. Render it in a Embroidered Christmas direction: embroidered-patch Christmas aesthetic with visible thread texture, satin-stitch borders and simplified seasonal icons. Use a controlled palette of #A92F34, #EFE2C8, #2F6742, #D2A43B, #253A5A. Add the exact wording "CHRISTMAS KINDA DAY" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

70. Rhinestone Christmas • TEXT: COZY CHRISTMAS CLUB

Create an original Christmas merchandise illustration featuring disco-ball ornament with starbursts and ribbon. Render it in a Rhinestone Christmas direction: sparkly rhinestone-inspired flat Christmas graphic with gem-dot highlights, bold holiday silhouette and glamorous energy. Use a controlled palette of #171719, #BFC2C7, #D92F4A, #2D7A49, #D4B04C. Add the exact wording "COZY CHRISTMAS CLUB" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

71. Cottagecore Christmas • TEXT: CHRISTMAS VIBES

Create an original Christmas merchandise illustration featuring retro ceramic-style Christmas tree with colorful bulbs. Render it in a Cottagecore Christmas direction: cozy cottagecore Christmas arrangement with mushrooms, tiny florals, evergreen, berries and vintage seasonal objects. Use a controlled palette of #6C4A3A, #E6D7BC, #4E7454, #B83C39, #302B2C. Add the exact wording "CHRISTMAS VIBES" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

72. Bold Christmas Typography • TEXT: CHRISTMAS AT HOME

Create an original Christmas merchandise illustration featuring evergreen branch bundle with berries, bells and ribbon. Render it in a Bold Christmas Typography direction: typography-led Christmas composition with oversized block lettering, stars, holly and seasonal icons. Use a controlled palette of #D52F35, #F3E3C5, #2E7047, #17171B, #D6A83B. Add the exact wording "CHRISTMAS AT HOME" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

CHRISTMAS PROMPTS 73-76

73. Sticker Bomb Christmas • TEXT: HOLIDAY CHEER

Create an original Christmas merchandise illustration featuring three stylized fir trees arranged like a Christmas tree farm badge. Render it in a Sticker Bomb Christmas direction: clean sticker-art Christmas collage with separated original icons, lightning, stars, hearts and holiday objects. Use a controlled palette of #00BFD5, #F04D9B, #D92D35, #32A85D, #171717. Add the exact wording "HOLIDAY CHEER" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

74. Monochrome Christmas • TEXT: MERRY GIRL

Create an original Christmas merchandise illustration featuring stacked Christmas cookies with icing and candy details. Render it in a Monochrome Christmas direction: black-and-white Christmas engraving and line-art composition with crisp contrast and dramatic movement. Use a controlled palette of #111111, #F5F1E8, #777777, #D0C8B8, #343434. Add the exact wording "MERRY GIRL" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

75. Sunset Christmas • TEXT: TIS THE SEASON

Create an original Christmas merchandise illustration featuring oversized satin bow wrapped around two candy canes with tiny stars. Render it in a Sunset Christmas direction: retro sunset Christmas composition with layered sun arcs, evergreen silhouettes and bold centered seasonal object. Use a controlled palette of #D84C4C, #D8A33D, #2F7149, #25334D, #F1E1C7. Add the exact wording "TIS THE SEASON" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

76. Plaid Christmas • TEXT: JOYFUL & COZY

Create an original Christmas merchandise illustration featuring gingerbread house with peppermint details and tiny stars. Render it in a Plaid Christmas direction: Christmas plaid and gingham graphic with large clean pattern panels, stitched edges and cozy holiday energy. Use a controlled palette of #B52F34, #F0DDBD, #242127, #D5A53B, #2F6B42. Add the exact wording "JOYFUL & COZY" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

CHRISTMAS PROMPTS 77-80

77. Metallic-Look Christmas • TEXT: CHRISTMAS IS CALLING

Create an original Christmas merchandise illustration featuring pair of ice skates tied together with ribbon and holly. Render it in a Metallic-Look Christmas direction: flat metallic-look Christmas graphic with printed gold and steel-gray effects, crisp seasonal silhouettes and no realistic foil. Use a controlled palette of #303236, #EEE4D0, #C5A14A, #2E6B45, #A92E35. Add the exact wording "CHRISTMAS IS CALLING" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

78. Pop Art Christmas • TEXT: MERRY NURSE

Create an original Christmas merchandise illustration featuring holiday book stack with cocoa mug, candle and evergreen. Render it in a Pop Art Christmas direction: bold pop-art Christmas graphic with thick outlines, halftone texture, punchy shapes and comic energy. Use a controlled palette of #D94135, #F0C83E, #24AFC1, #2D7048, #F4E6C9. Add the exact wording "MERRY NURSE" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

79. Boho Christmas • TEXT: MERRY CHRISTMAS

Create an original Christmas merchandise illustration featuring festive black cat beside ornaments and a tiny tree. Render it in a Boho Christmas direction: bohemian Christmas aesthetic with terracotta, evergreen, stars, moons, simple botanicals and relaxed handmade balance. Use a controlled palette of #B9684C, #EFE0C7, #C89B3C, #4C7653, #49352B. Add the exact wording "MERRY CHRISTMAS" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

80. Classic Holiday Heritage • TEXT: COZY & BRIGHT

Create an original Christmas merchandise illustration featuring festive cherries, holly, ribbon and ornament cluster. Render it in a Classic Holiday Heritage direction: timeless heritage Christmas graphic with evergreen, ribbon, bells, ornaments and restrained vintage balance. Use a controlled palette of #A92F34, #F0E2C5, #743A42, #315E43, #C4A04A. Add the exact wording "COZY & BRIGHT" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

CHRISTMAS PROMPTS 81-84

81. Classic Christmas • TEXT: MERRY AND COZY

Create an original Christmas merchandise illustration featuring disco-ball ornament with starbursts and ribbon. Render it in a Classic Christmas direction: traditional Christmas merchandise art with evergreen, holly, ribbon, ornaments and crisp screen-print separation. Use a controlled palette of #C62828, #1F6B3A, #F7F0DC, #D4AF37, #183A2A. Add the exact wording "MERRY AND COZY" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

82. Retro Christmas • TEXT: A VERY MERRY DAY

Create an original Christmas merchandise illustration featuring retro ceramic-style Christmas tree with colorful bulbs. Render it in a Retro Christmas direction: 1970s retro holiday graphic with chunky curves, sunbursts, stars and cheerful seasonal motifs. Use a controlled palette of #C83A32, #F1DFC2, #D4A72C, #3F6B43, #3A2A22. Add the exact wording "A VERY MERRY DAY" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

83. Neon Christmas • TEXT: GOOD TIDINGS

Create an original Christmas merchandise illustration featuring evergreen branch bundle with berries, bells and ribbon. Render it in a Neon Christmas direction: 1990s neon holiday graphic with crisp electric outlines, geometric bursts and checker accents, no blurry glow. Use a controlled palette of #FF2D2D, #12D85A, #00CFE8, #F5F2E8, #17142B. Add the exact wording "GOOD TIDINGS" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

84. Vintage Christmas Card • TEXT: MERRY GRANDMA

Create an original Christmas merchandise illustration featuring three stylized fir trees arranged like a Christmas tree farm badge. Render it in a Vintage Christmas Card direction: mid-century holiday-card aesthetic, worn screen-print texture, bold simple silhouettes and old-print charm. Use a controlled palette of #A94735, #E9D9B8, #2F6944, #D2A23B, #1B1B1B. Add the exact wording "MERRY GRANDMA" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

CHRISTMAS PROMPTS 85-88

85. Western Christmas • TEXT: TREE FARM DAYS

Create an original Christmas merchandise illustration featuring stacked Christmas cookies with icing and candy details. Render it in a Western Christmas direction: western holiday aesthetic with rope curves, boots, stars, bandana accents and rugged badge composition. Use a controlled palette of #B33B32, #E8D4B4, #2F6341, #C79A3C, #5A382A. Add the exact wording "TREE FARM DAYS" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

86. Coquette Christmas • TEXT: COCOA WEATHER

Create an original Christmas merchandise illustration featuring oversized satin bow wrapped around two candy canes with tiny stars. Render it in a Coquette Christmas direction: feminine coquette holiday aesthetic with bows, ribbons, hearts, pearls and polished Christmas shapes. Use a controlled palette of #C92F45, #F2DFE6, #2F7047, #252025, #D2AF4C. Add the exact wording "COCOA WEATHER" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

87. Tattoo Flash Christmas • TEXT: MERRY DAD

Create an original Christmas merchandise illustration featuring gingerbread house with peppermint details and tiny stars. Render it in a Tattoo Flash Christmas direction: traditional tattoo-flash-inspired holiday icons with bold black contour, limited color and compact composition. Use a controlled palette of #D84A35, #E9DDBF, #2C6543, #D3A43B, #171717. Add the exact wording "MERRY DAD" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

88. Disco Christmas • TEXT: MERRY & BRIGHT

Create an original Christmas merchandise illustration featuring pair of ice skates tied together with ribbon and holly. Render it in a Disco Christmas direction: 1970s disco holiday graphic with mirror-ball facets, groovy waves, stars and energetic festive silhouettes. Use a controlled palette of #D946EF, #F2E2C8, #D7353A, #2F7547, #E0C54A. Add the exact wording "MERRY & BRIGHT" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

CHRISTMAS PROMPTS 89-92

89. Minimal Christmas • TEXT: DECK THE HALLS

Create an original Christmas merchandise illustration featuring holiday book stack with cocoa mug, candle and evergreen. Render it in a Minimal Christmas direction: clean minimalist Christmas line art with strong negative space and precise geometric balance. Use a controlled palette of #B9272D, #F7F5EF, #2F6844, #C7B59A, #343434. Add the exact wording "DECK THE HALLS" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

90. Preppy Christmas • TEXT: WRAPPED IN JOY

Create an original Christmas merchandise illustration featuring festive black cat beside ornaments and a tiny tree. Render it in a Preppy Christmas direction: preppy heritage Christmas aesthetic with stripes, shields, bows, stars and clean seasonal geometry. Use a controlled palette of #284B3C, #F2E5C8, #A52F3A, #23395B, #C5A24A. Add the exact wording "WRAPPED IN JOY" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

91. Kitsch Christmas • TEXT: PEACE LOVE CHRISTMAS

Create an original Christmas merchandise illustration featuring festive cherries, holly, ribbon and ornament cluster. Render it in a Kitsch Christmas direction: cute vintage kitsch holiday illustration with cheerful ornaments, starbursts and old-print charm. Use a controlled palette of #D83C35, #F7E7D2, #F18AA5, #236B42, #E5B83E. Add the exact wording "PEACE LOVE CHRISTMAS" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

92. Clay Christmas • TEXT: JOY MODE ON

Create an original Christmas merchandise illustration featuring smiling ornament character with a simple checkerboard accent. Render it in a Clay Christmas direction: handmade polymer-clay Christmas objects with rounded sculpted forms, fingerprints, matte texture and collectible charm. Use a controlled palette of #D94B52, #F0E3CA, #2F7047, #E3B34B, #9277B5. Add the exact wording "JOY MODE ON" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

CHRISTMAS PROMPTS 93-96

93. Watercolor Christmas • TEXT: JOY TO THE WORLD

Create an original Christmas merchandise illustration featuring holiday wreath with bow, ornaments, pinecones and berries. Render it in a Watercolor Christmas direction: whimsical watercolor holiday arrangement with soft painted edges, layered washes and airy composition. Use a controlled palette of #C94B4B, #F3E5D0, #D8A23B, #5C7A55, #68506E. Add the exact wording "JOY TO THE WORLD" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

94. Grunge Christmas • TEXT: HOLLY DAYS

Create an original Christmas merchandise illustration featuring snow globe containing a tiny Christmas tree and wrapped gifts. Render it in a Grunge Christmas direction: edgy grunge streetwear Christmas graphic with distressed ink, rough photocopy texture and bold holiday forms. Use a controlled palette of #171717, #EFE6D5, #C92D35, #2F6A43, #B9B9B9. Add the exact wording "HOLLY DAYS" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

95. Paper Cut Christmas • TEXT: MERRY BESTIE

Create an original Christmas merchandise illustration featuring winter cardinal perched on evergreen with berries. Render it in a Paper Cut Christmas direction: layered paper-cut Christmas illustration with dimensional cut-paper shapes, clean shadows and crisp stacked depth. Use a controlled palette of #B93636, #E8DFCC, #2F7047, #6B5287, #D1A64B. Add the exact wording "MERRY BESTIE" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

96. Stained Glass Christmas • TEXT: CHRISTMAS TIME

Create an original Christmas merchandise illustration featuring snowman with scarf, candy cane and evergreen. Render it in a Stained Glass Christmas direction: stained-glass-inspired holiday emblem with thick dark leading, jewel-tone panels and symmetrical geometry. Use a controlled palette of #B43E63, #E6D8BC, #2C6B48, #315464, #D39A3E. Add the exact wording "CHRISTMAS TIME" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

CHRISTMAS PROMPTS 97-100

97. Botanical Christmas • TEXT: JINGLE BABE

Create an original Christmas merchandise illustration featuring church silhouette beneath a bright star with evergreen accents. Render it in a Botanical Christmas direction: Christmas objects framed by tasteful evergreen, holly, berries and winter botanicals in a balanced merchandise emblem. Use a controlled palette of #B83B37, #E6D9C0, #2C613F, #5D6B49, #B88747. Add the exact wording "JINGLE BABE" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

98. Retro Comic Christmas • TEXT: CHRISTMAS MAGIC

Create an original Christmas merchandise illustration featuring black winter boot filled with evergreen, berries and a large ribbon. Render it in a Retro Comic Christmas direction: vintage comic-book Christmas action with bold ink, halftone dots, motion bursts and energetic silhouettes. Use a controlled palette of #D94332, #F3E3B7, #E3B52F, #2A7049, #171719. Add the exact wording "CHRISTMAS MAGIC" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

99. Dark Academia Christmas • TEXT: CHRISTMAS SPIRIT

Create an original Christmas merchandise illustration featuring Christmas bells with ribbon, holly and berries. Render it in a Dark Academia Christmas direction: dark-academia holiday aesthetic with old books, candles, evergreen, ribbon and scholarly vintage composition. Use a controlled palette of #6E2929, #E0C9A6, #2F4F38, #30312B, #B28A43. Add the exact wording "CHRISTMAS SPIRIT" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

100. Pastel Christmas • TEXT: FA LA LA

Create an original Christmas merchandise illustration featuring bow-covered Christmas tree with ornaments and sparkles. Render it in a Pastel Christmas direction: pastel Christmas illustration with soft chunky shapes, cute accessories and mature boutique polish. Use a controlled palette of #F29BC1, #F7E5EE, #6DAA7C, #F0A45C, #33313A. Add the exact wording "FA LA LA" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

CHRISTMAS PROMPTS 101-104

101. Checkerboard Christmas • TEXT: CHRISTMAS KINDA DAY

Create an original Christmas merchandise illustration featuring peppermint candy cluster with bows and stars. Render it in a Checkerboard Christmas direction: high-contrast checkerboard Christmas graphic with racing-style energy, bold stars and clean central hero. Use a controlled palette of #111111, #F3E3C5, #C83D36, #2D6A43, #D6A83B. Add the exact wording "CHRISTMAS KINDA DAY" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

102. Groovy Christmas • TEXT: COZY CHRISTMAS CLUB

Create an original Christmas merchandise illustration featuring holiday record player with evergreen, stars and ornaments. Render it in a Groovy Christmas direction: 1960s-70s groovy Christmas aesthetic with wavy stripes, daisies, rounded icons and warm retro print texture. Use a controlled palette of #B83B37, #F0DFC3, #D49A36, #3D7048, #4A3428. Add the exact wording "COZY CHRISTMAS CLUB" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

103. Americana Christmas • TEXT: CHRISTMAS VIBES

Create an original Christmas merchandise illustration featuring decorated Christmas tree with wrapped gifts and a star topper. Render it in a Americana Christmas direction: Americana Christmas graphic with stars, stripes, evergreen and classic holiday objects without brand insignia. Use a controlled palette of #A63C3C, #F3E7D2, #243B64, #2E6A43, #C6A04B. Add the exact wording "CHRISTMAS VIBES" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

104. Y2K Christmas • TEXT: CHRISTMAS AT HOME

Create an original Christmas merchandise illustration featuring stacked wrapped gifts with oversized bow and holly. Render it in a Y2K Christmas direction: Y2K-inspired Christmas graphic with flat chrome-like highlights, stars, flames, hearts and sharp playful geometry. Use a controlled palette of #FF4DA6, #BFC4CC, #D92832, #26A85A, #7A3CF0. Add the exact wording "CHRISTMAS AT HOME" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

CHRISTMAS PROMPTS 105-108

105. Folk Art Christmas • TEXT: SWEET CHRISTMAS

Create an original Christmas merchandise illustration featuring generic wooden holiday guard with drum and evergreen. Render it in a Folk Art Christmas direction: handmade folk-art Christmas illustration with simple stitched shapes, stars, florals and symmetrical craft composition. Use a controlled palette of #A4473D, #F0DFC3, #D49A36, #3E7048, #3B3033. Add the exact wording "SWEET CHRISTMAS" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

106. Gothic Christmas • TEXT: CHRISTMAS HEART

Create an original Christmas merchandise illustration featuring gingerbread character holding a candy cane. Render it in a Gothic Christmas direction: elegant gothic Christmas emblem with arches, holly, candles, decorative ravens and dramatic engraved linework. Use a controlled palette of #6B2035, #E1D0B6, #B18A4A, #20201F, #2F5140. Add the exact wording "CHRISTMAS HEART" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

107. Cute Christmas Character • TEXT: MERRY AUNTIE

Create an original Christmas merchandise illustration featuring festive dachshund in a generic holiday sweater with no logos. Render it in a Cute Christmas Character direction: original generic cute holiday animal character with seasonal accessories, oversized expressive features and clean bold silhouette. Use a controlled palette of #D84B43, #F3E4CA, #D5A43A, #4C7A52, #2D2930. Add the exact wording "MERRY AUNTIE" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

108. Chalkboard Christmas • TEXT: MERRY LITTLE CHRISTMAS

Create an original Christmas merchandise illustration featuring Christmas mailbox with envelopes, evergreen and bow. Render it in a Chalkboard Christmas direction: chalkboard-inspired Christmas aesthetic with hand-drawn stars, evergreen, ornaments and festive marks. Use a controlled palette of #2F3433, #F1EBD9, #A94A45, #48634B, #B69A75. Add the exact wording "MERRY LITTLE CHRISTMAS" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

CHRISTMAS PROMPTS 109-112

109. Embroidered Christmas • TEXT: CHRISTMAS IS CALLING

Create an original Christmas merchandise illustration featuring vintage pickup truck carrying an evergreen tree, with no logos or branding. Render it in a Embroidered Christmas direction: embroidered-patch Christmas aesthetic with visible thread texture, satin-stitch borders and simplified seasonal icons. Use a controlled palette of #A92F34, #EFE2C8, #2F6742, #D2A43B, #253A5A. Add the exact wording "CHRISTMAS IS CALLING" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

110. Rhinestone Christmas • TEXT: MERRY NURSE

Create an original Christmas merchandise illustration featuring cozy cocoa mug with marshmallows, candy cane and evergreen. Render it in a Rhinestone Christmas direction: sparkly rhinestone-inspired flat Christmas graphic with gem-dot highlights, bold holiday silhouette and glamorous energy. Use a controlled palette of #171719, #BFC2C7, #D92F4A, #2D7A49, #D4B04C. Add the exact wording "MERRY NURSE" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

111. Cottagecore Christmas • TEXT: MERRY CHRISTMAS

Create an original Christmas merchandise illustration featuring Christmas stocking stuffed with candy, evergreen and small gifts. Render it in a Cottagecore Christmas direction: cozy cottagecore Christmas arrangement with mushrooms, tiny florals, evergreen, berries and vintage seasonal objects. Use a controlled palette of #6C4A3A, #E6D7BC, #4E7454, #B83C39, #302B2C. Add the exact wording "MERRY CHRISTMAS" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

112. Bold Christmas Typography • TEXT: COZY & BRIGHT

Create an original Christmas merchandise illustration featuring large Christmas bow with dangling ornaments and stars. Render it in a Bold Christmas Typography direction: typography-led Christmas composition with oversized block lettering, stars, holly and seasonal icons. Use a controlled palette of #D52F35, #F3E3C5, #2E7047, #17171B, #D6A83B. Add the exact wording "COZY & BRIGHT" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

CHRISTMAS PROMPTS 113-116

113. Sticker Bomb Christmas • TEXT: MERRY AND COZY

Create an original Christmas merchandise illustration featuring highland cow with Christmas bow, evergreen and ornaments. Render it in a Sticker Bomb Christmas direction: clean sticker-art Christmas collage with separated original icons, lightning, stars, hearts and holiday objects. Use a controlled palette of #00BFD5, #F04D9B, #D92D35, #32A85D, #171717. Add the exact wording "MERRY AND COZY" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

114. Monochrome Christmas • TEXT: CHRISTMAS BLESSINGS

Create an original Christmas merchandise illustration featuring cross wrapped with tasteful evergreen, red ribbon and small stars. Render it in a Monochrome Christmas direction: black-and-white Christmas engraving and line-art composition with crisp contrast and dramatic movement. Use a controlled palette of #111111, #F5F1E8, #777777, #D0C8B8, #343434. Add the exact wording "CHRISTMAS BLESSINGS" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

115. Sunset Christmas • TEXT: SWEATER WEATHER

Create an original Christmas merchandise illustration featuring pink holiday tumbler with bow, candy cane and tiny hearts. Render it in a Sunset Christmas direction: retro sunset Christmas composition with layered sun arcs, evergreen silhouettes and bold centered seasonal object. Use a controlled palette of #D84C4C, #D8A33D, #2F7149, #25334D, #F1E1C7. Add the exact wording "SWEATER WEATHER" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

116. Plaid Christmas • TEXT: MERRY MAMA

Create an original Christmas merchandise illustration featuring pair of western boots with evergreen, ornaments and rope curves. Render it in a Plaid Christmas direction: Christmas plaid and gingham graphic with large clean pattern panels, stitched edges and cozy holiday energy. Use a controlled palette of #B52F34, #F0DDBD, #242127, #D5A53B, #2F6B42. Add the exact wording "MERRY MAMA" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

CHRISTMAS PROMPTS 117-120

117. Metallic-Look Christmas • TEXT: PEPPERMINT SEASON

Create an original Christmas merchandise illustration featuring holiday baking arrangement with cookies, rolling pin and candy canes. Render it in a Metallic-Look Christmas direction: flat metallic-look Christmas graphic with printed gold and steel-gray effects, crisp seasonal silhouettes and no realistic foil. Use a controlled palette of #303236, #EEE4D0, #C5A14A, #2E6B45, #A92E35. Add the exact wording "PEPPERMINT SEASON" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

118. Pop Art Christmas • TEXT: COCOA WEATHER

Create an original Christmas merchandise illustration featuring holiday lantern surrounded by pine, berries and ribbon. Render it in a Pop Art Christmas direction: bold pop-art Christmas graphic with thick outlines, halftone texture, punchy shapes and comic energy. Use a controlled palette of #D94135, #F0C83E, #24AFC1, #2D7048, #F4E6C9. Add the exact wording "COCOA WEATHER" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

119. Boho Christmas • TEXT: MERRY DAD

Create an original Christmas merchandise illustration featuring western hat resting on wrapped gifts with holly. Render it in a Boho Christmas direction: bohemian Christmas aesthetic with terracotta, evergreen, stars, moons, simple botanicals and relaxed handmade balance. Use a controlled palette of #B9684C, #EFE0C7, #C89B3C, #4C7653, #49352B. Add the exact wording "MERRY DAD" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

120. Classic Holiday Heritage • TEXT: MERRY & BRIGHT

Create an original Christmas merchandise illustration featuring three candles with evergreen, berries and ribbon. Render it in a Classic Holiday Heritage direction: timeless heritage Christmas graphic with evergreen, ribbon, bells, ornaments and restrained vintage balance. Use a controlled palette of #A92F34, #F0E2C5, #743A42, #315E43, #C4A04A. Add the exact wording "MERRY & BRIGHT" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

CHRISTMAS PROMPTS 121-124

121. Classic Christmas • TEXT: DECK THE HALLS

Create an original Christmas merchandise illustration featuring cozy cocoa mug with marshmallows, candy cane and evergreen. Render it in a Classic Christmas direction: traditional Christmas merchandise art with evergreen, holly, ribbon, ornaments and crisp screen-print separation. Use a controlled palette of #C62828, #1F6B3A, #F7F0DC, #D4AF37, #183A2A. Add the exact wording “DECK THE HALLS” once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

122. Retro Christmas • TEXT: WRAPPED IN JOY

Create an original Christmas merchandise illustration featuring Christmas stocking stuffed with candy, evergreen and small gifts. Render it in a Retro Christmas direction: 1970s retro holiday graphic with chunky curves, sunbursts, stars and cheerful seasonal motifs. Use a controlled palette of #C83A32, #F1DFC2, #D4A72C, #3F6B43, #3A2A22. Add the exact wording “WRAPPED IN JOY” once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

123. Neon Christmas • TEXT: BELIEVE IN JOY

Create an original Christmas merchandise illustration featuring large Christmas bow with dangling ornaments and stars. Render it in a Neon Christmas direction: 1990s neon holiday graphic with crisp electric outlines, geometric bursts and checker accents, no blurry glow. Use a controlled palette of #FF2D2D, #12D85A, #00CFE8, #F5F2E8, #17142B. Add the exact wording “BELIEVE IN JOY” once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

124. Vintage Christmas Card • TEXT: MERRY STATE OF MIND

Create an original Christmas merchandise illustration featuring highland cow with Christmas bow, evergreen and ornaments. Render it in a Vintage Christmas Card direction: mid-century holiday-card aesthetic, worn screen-print texture, bold simple silhouettes and old-print charm. Use a controlled palette of #A94735, #E9D9B8, #2F6944, #D2A23B, #1B1B1B. Add the exact wording “MERRY STATE OF MIND” once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

CHRISTMAS PROMPTS 125-128

125. Western Christmas • TEXT: ALL IS MERRY

Create an original Christmas merchandise illustration featuring cross wrapped with tasteful evergreen, red ribbon and small stars. Render it in a Western Christmas direction: western holiday aesthetic with rope curves, boots, stars, bandana accents and rugged badge composition. Use a controlled palette of #B33B32, #E8D4B4, #2F6341, #C79A3C, #5A382A. Add the exact wording "ALL IS MERRY" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

126. Coquette Christmas • TEXT: JINGLE ALL THE WAY

Create an original Christmas merchandise illustration featuring pink holiday tumbler with bow, candy cane and tiny hearts. Render it in a Coquette Christmas direction: feminine coquette holiday aesthetic with bows, ribbons, hearts, pearls and polished Christmas shapes. Use a controlled palette of #C92F45, #F2DFE6, #2F7047, #252025, #D2AF4C. Add the exact wording "JINGLE ALL THE WAY" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

127. Tattoo Flash Christmas • TEXT: MERRY BESTIE

Create an original Christmas merchandise illustration featuring pair of western boots with evergreen, ornaments and rope curves. Render it in a Tattoo Flash Christmas direction: traditional tattoo-flash-inspired holiday icons with bold black contour, limited color and compact composition. Use a controlled palette of #D84A35, #E9DDBF, #2C6543, #D3A43B, #171717. Add the exact wording "MERRY BESTIE" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

128. Disco Christmas • TEXT: CHRISTMAS TIME

Create an original Christmas merchandise illustration featuring holiday baking arrangement with cookies, rolling pin and candy canes. Render it in a Disco Christmas direction: 1970s disco holiday graphic with mirror-ball facets, groovy waves, stars and energetic festive silhouettes. Use a controlled palette of #D946EF, #F2E2C8, #D7353A, #2F7547, #E0C54A. Add the exact wording "CHRISTMAS TIME" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

CHRISTMAS PROMPTS 129-132

129. Minimal Christmas • TEXT: JINGLE BABE

Create an original Christmas merchandise illustration featuring holiday lantern surrounded by pine, berries and ribbon. Render it in a Minimal Christmas direction: clean minimalist Christmas line art with strong negative space and precise geometric balance. Use a controlled palette of #B9272D, #F7F5EF, #2F6844, #C7B59A, #343434. Add the exact wording "JINGLE BABE" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

130. Preppy Christmas • TEXT: CHRISTMAS MAGIC

Create an original Christmas merchandise illustration featuring western hat resting on wrapped gifts with holly. Render it in a Preppy Christmas direction: preppy heritage Christmas aesthetic with stripes, shields, bows, stars and clean seasonal geometry. Use a controlled palette of #284B3C, #F2E5C8, #A52F3A, #23395B, #C5A24A. Add the exact wording "CHRISTMAS MAGIC" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

131. Kitsch Christmas • TEXT: CHRISTMAS SPIRIT

Create an original Christmas merchandise illustration featuring three candles with evergreen, berries and ribbon. Render it in a Kitsch Christmas direction: cute vintage kitsch holiday illustration with cheerful ornaments, starbursts and old-print charm. Use a controlled palette of #D83C35, #F7E7D2, #F18AA5, #236B42, #E5B83E. Add the exact wording "CHRISTMAS SPIRIT" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

132. Clay Christmas • TEXT: MERRY SEASON

Create an original Christmas merchandise illustration featuring disco-ball ornament with starbursts and ribbon. Render it in a Clay Christmas direction: handmade polymer-clay Christmas objects with rounded sculpted forms, fingerprints, matte texture and collectible charm. Use a controlled palette of #D94B52, #F0E3CA, #2F7047, #E3B34B, #9277B5. Add the exact wording "MERRY SEASON" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

CHRISTMAS PROMPTS 133-136

133. Watercolor Christmas • TEXT: JOLLY ALL DAY

Create an original Christmas merchandise illustration featuring retro ceramic-style Christmas tree with colorful bulbs. Render it in a Watercolor Christmas direction: whimsical watercolor holiday arrangement with soft painted edges, layered washes and airy composition. Use a controlled palette of #C94B4B, #F3E5D0, #D8A23B, #5C7A55, #68506E. Add the exact wording "JOLLY ALL DAY" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

134. Grunge Christmas • TEXT: CHRISTMAS CREW

Create an original Christmas merchandise illustration featuring evergreen branch bundle with berries, bells and ribbon. Render it in a Grunge Christmas direction: edgy grunge streetwear Christmas graphic with distressed ink, rough photocopy texture and bold holiday forms. Use a controlled palette of #171717, #EFE6D5, #C92D35, #2F6A43, #B9B9B9. Add the exact wording "CHRISTMAS CREW" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

135. Paper Cut Christmas • TEXT: MERRY EVERYTHING

Create an original Christmas merchandise illustration featuring three stylized fir trees arranged like a Christmas tree farm badge. Render it in a Paper Cut Christmas direction: layered paper-cut Christmas illustration with dimensional cut-paper shapes, clean shadows and crisp stacked depth. Use a controlled palette of #B93636, #E8DFCC, #2F7047, #6B5287, #D1A64B. Add the exact wording "MERRY EVERYTHING" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

136. Stained Glass Christmas • TEXT: CHRISTMAS AT HOME

Create an original Christmas merchandise illustration featuring stacked Christmas cookies with icing and candy details. Render it in a Stained Glass Christmas direction: stained-glass-inspired holiday emblem with thick dark leading, jewel-tone panels and symmetrical geometry. Use a controlled palette of #B43E63, #E6D8BC, #2C6B48, #315464, #D39A3E. Add the exact wording "CHRISTMAS AT HOME" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

CHRISTMAS PROMPTS 137-140

137. Botanical Christmas • TEXT: SWEET CHRISTMAS

Create an original Christmas merchandise illustration featuring oversized satin bow wrapped around two candy canes with tiny stars. Render it in a Botanical Christmas direction: Christmas objects framed by tasteful evergreen, holly, berries and winter botanicals in a balanced merchandise emblem. Use a controlled palette of #B83B37, #E6D9C0, #2C613F, #5D6B49, #B88747. Add the exact wording "SWEET CHRISTMAS" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

138. Retro Comic Christmas • TEXT: CHRISTMAS HEART

Create an original Christmas merchandise illustration featuring gingerbread house with peppermint details and tiny stars. Render it in a Retro Comic Christmas direction: vintage comic-book Christmas action with bold ink, halftone dots, motion bursts and energetic silhouettes. Use a controlled palette of #D94332, #F3E3B7, #E3B52F, #2A7049, #171719. Add the exact wording "CHRISTMAS HEART" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

139. Dark Academia Christmas • TEXT: MERRY AUNTIE

Create an original Christmas merchandise illustration featuring pair of ice skates tied together with ribbon and holly. Render it in a Dark Academia Christmas direction: dark-academia holiday aesthetic with old books, candles, evergreen, ribbon and scholarly vintage composition. Use a controlled palette of #6E2929, #E0C9A6, #2F4F38, #30312B, #B28A43. Add the exact wording "MERRY AUNTIE" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

140. Pastel Christmas • TEXT: MERRY LITTLE CHRISTMAS

Create an original Christmas merchandise illustration featuring holiday book stack with cocoa mug, candle and evergreen. Render it in a Pastel Christmas direction: pastel Christmas illustration with soft chunky shapes, cute accessories and mature boutique polish. Use a controlled palette of #F29BC1, #F7E5EE, #6DAA7C, #F0A45C, #33313A. Add the exact wording "MERRY LITTLE CHRISTMAS" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

CHRISTMAS PROMPTS 141-144

141. Checkerboard Christmas • TEXT: JOYFUL SEASON

Create an original Christmas merchandise illustration featuring festive black cat beside ornaments and a tiny tree. Render it in a Checkerboard Christmas direction: high-contrast checkerboard Christmas graphic with racing-style energy, bold stars and clean central hero. Use a controlled palette of #111111, #F3E3C5, #C83D36, #2D6A43, #D6A83B. Add the exact wording "JOYFUL SEASON" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

142. Groovy Christmas • TEXT: MERRY TEACHER

Create an original Christmas merchandise illustration featuring festive cherries, holly, ribbon and ornament cluster. Render it in a Groovy Christmas direction: 1960s-70s groovy Christmas aesthetic with wavy stripes, daisies, rounded icons and warm retro print texture. Use a controlled palette of #B83B37, #F0DFC3, #D49A36, #3D7048, #4A3428. Add the exact wording "MERRY TEACHER" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

143. Americana Christmas • TEXT: HOLLY JOLLY

Create an original Christmas merchandise illustration featuring smiling ornament character with a simple checkerboard accent. Render it in a Americana Christmas direction: Americana Christmas graphic with stars, stripes, evergreen and classic holiday objects without brand insignia. Use a controlled palette of #A63C3C, #F3E7D2, #243B64, #2E6A43, #C6A04B. Add the exact wording "HOLLY JOLLY" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

144. Y2K Christmas • TEXT: HOLIDAY MODE

Create an original Christmas merchandise illustration featuring holiday wreath with bow, ornaments, pinecones and berries. Render it in a Y2K Christmas direction: Y2K-inspired Christmas graphic with flat chrome-like highlights, stars, flames, hearts and sharp playful geometry. Use a controlled palette of #FF4DA6, #BFC4CC, #D92832, #26A85A, #7A3CF0. Add the exact wording "HOLIDAY MODE" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

CHRISTMAS PROMPTS 145-148

145. Folk Art Christmas • TEXT: MERRY AND COZY

Create an original Christmas merchandise illustration featuring snow globe containing a tiny Christmas tree and wrapped gifts. Render it in a Folk Art Christmas direction: handmade folk-art Christmas illustration with simple stitched shapes, stars, florals and symmetrical craft composition. Use a controlled palette of #A4473D, #F0DFC3, #D49A36, #3E7048, #3B3033. Add the exact wording "MERRY AND COZY" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

146. Gothic Christmas • TEXT: CHRISTMAS BLESSINGS

Create an original Christmas merchandise illustration featuring winter cardinal perched on evergreen with berries. Render it in a Gothic Christmas direction: elegant gothic Christmas emblem with arches, holly, candles, decorative ravens and dramatic engraved linework. Use a controlled palette of #6B2035, #E1D0B6, #B18A4A, #20201F, #2F5140. Add the exact wording "CHRISTMAS BLESSINGS" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

147. Cute Christmas Character • TEXT: SWEATER WEATHER

Create an original Christmas merchandise illustration featuring snowman with scarf, candy cane and evergreen. Render it in a Cute Christmas Character direction: original generic cute holiday animal character with seasonal accessories, oversized expressive features and clean bold silhouette. Use a controlled palette of #D84B43, #F3E4CA, #D5A43A, #4C7A52, #2D2930. Add the exact wording "SWEATER WEATHER" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

148. Chalkboard Christmas • TEXT: MERRY MAMA

Create an original Christmas merchandise illustration featuring church silhouette beneath a bright star with evergreen accents. Render it in a Chalkboard Christmas direction: chalkboard-inspired Christmas aesthetic with hand-drawn stars, evergreen, ornaments and festive marks. Use a controlled palette of #2F3433, #F1EBD9, #A94A45, #48634B, #B69A75. Add the exact wording "MERRY MAMA" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

CHRISTMAS PROMPTS 149-152

149. Embroidered Christmas • TEXT: PEPPERMINT SEASON

Create an original Christmas merchandise illustration featuring black winter boot filled with evergreen, berries and a large ribbon. Render it in a Embroidered Christmas direction: embroidered-patch Christmas aesthetic with visible thread texture, satin-stitch borders and simplified seasonal icons. Use a controlled palette of #A92F34, #EFE2C8, #2F6742, #D2A43B, #253A5A. Add the exact wording "PEPPERMINT SEASON" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

150. Rhinestone Christmas • TEXT: CHRISTMAS CHEER

Create an original Christmas merchandise illustration featuring Christmas bells with ribbon, holly and berries. Render it in a Rhinestone Christmas direction: sparkly rhinestone-inspired flat Christmas graphic with gem-dot highlights, bold holiday silhouette and glamorous energy. Use a controlled palette of #171719, #BFC2C7, #D92F4A, #2D7A49, #D4B04C. Add the exact wording "CHRISTMAS CHEER" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

151. Cottagecore Christmas • TEXT: MERRY MOM

Create an original Christmas merchandise illustration featuring bow-covered Christmas tree with ornaments and sparkles. Render it in a Cottagecore Christmas direction: cozy cottagecore Christmas arrangement with mushrooms, tiny florals, evergreen, berries and vintage seasonal objects. Use a controlled palette of #6C4A3A, #E6D7BC, #4E7454, #B83C39, #302B2C. Add the exact wording "MERRY MOM" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

152. Bold Christmas Typography • TEXT: HOLIDAY HAPPINESS

Create an original Christmas merchandise illustration featuring peppermint candy cluster with bows and stars. Render it in a Bold Christmas Typography direction: typography-led Christmas composition with oversized block lettering, stars, holly and seasonal icons. Use a controlled palette of #D52F35, #F3E3C5, #2E7047, #17171B, #D6A83B. Add the exact wording "HOLIDAY HAPPINESS" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

CHRISTMAS PROMPTS 153-156

153. Sticker Bomb Christmas • TEXT: SLEIGH THE DAY

Create an original Christmas merchandise illustration featuring holiday record player with evergreen, stars and ornaments. Render it in a Sticker Bomb Christmas direction: clean sticker-art Christmas collage with separated original icons, lightning, stars, hearts and holiday objects. Use a controlled palette of #00BFD5, #F04D9B, #D92D35, #32A85D, #171717. Add the exact wording "SLEIGH THE DAY" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

154. Monochrome Christmas • TEXT: WRAPPED IN JOY

Create an original Christmas merchandise illustration featuring decorated Christmas tree with wrapped gifts and a star topper. Render it in a Monochrome Christmas direction: black-and-white Christmas engraving and line-art composition with crisp contrast and dramatic movement. Use a controlled palette of #111111, #F5F1E8, #777777, #D0C8B8, #343434. Add the exact wording "WRAPPED IN JOY" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

155. Sunset Christmas • TEXT: BELIEVE IN JOY

Create an original Christmas merchandise illustration featuring stacked wrapped gifts with oversized bow and holly. Render it in a Sunset Christmas direction: retro sunset Christmas composition with layered sun arcs, evergreen silhouettes and bold centered seasonal object. Use a controlled palette of #D84C4C, #D8A33D, #2F7149, #25334D, #F1E1C7. Add the exact wording "BELIEVE IN JOY" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

156. Plaid Christmas • TEXT: MERRY STATE OF MIND

Create an original Christmas merchandise illustration featuring generic wooden holiday guard with drum and evergreen. Render it in a Plaid Christmas direction: Christmas plaid and gingham graphic with large clean pattern panels, stitched edges and cozy holiday energy. Use a controlled palette of #B52F34, #F0DDBD, #242127, #D5A53B, #2F6B42. Add the exact wording "MERRY STATE OF MIND" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

CHRISTMAS PROMPTS 157-160

157. Metallic-Look Christmas • TEXT: ALL IS MERRY

Create an original Christmas merchandise illustration featuring gingerbread character holding a candy cane. Render it in a Metallic-Look Christmas direction: flat metallic-look Christmas graphic with printed gold and steel-gray effects, crisp seasonal silhouettes and no realistic foil. Use a controlled palette of #303236, #EEE4D0, #C5A14A, #2E6B45, #A92E35. Add the exact wording "ALL IS MERRY" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

158. Pop Art Christmas • TEXT: JINGLE ALL THE WAY

Create an original Christmas merchandise illustration featuring festive dachshund in a generic holiday sweater with no logos. Render it in a Pop Art Christmas direction: bold pop-art Christmas graphic with thick outlines, halftone texture, punchy shapes and comic energy. Use a controlled palette of #D94135, #F0C83E, #24AFC1, #2D7048, #F4E6C9. Add the exact wording "JINGLE ALL THE WAY" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

159. Boho Christmas • TEXT: HOLLY JOLLY DAYS

Create an original Christmas merchandise illustration featuring Christmas mailbox with envelopes, evergreen and bow. Render it in a Boho Christmas direction: bohemian Christmas aesthetic with terracotta, evergreen, stars, moons, simple botanicals and relaxed handmade balance. Use a controlled palette of #B9684C, #EFE0C7, #C89B3C, #4C7653, #49352B. Add the exact wording "HOLLY JOLLY DAYS" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

160. Classic Holiday Heritage • TEXT: HOLIDAY CHEER

Create an original Christmas merchandise illustration featuring vintage pickup truck carrying an evergreen tree, with no logos or branding. Render it in a Classic Holiday Heritage direction: timeless heritage Christmas graphic with evergreen, ribbon, bells, ornaments and restrained vintage balance. Use a controlled palette of #A92F34, #F0E2C5, #743A42, #315E43, #C4A04A. Add the exact wording "HOLIDAY CHEER" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

CHRISTMAS PROMPTS 161-164

161. Classic Christmas • TEXT: MERRY GIRL

Create an original Christmas merchandise illustration featuring Christmas bells with ribbon, holly and berries. Render it in a Classic Christmas direction: traditional Christmas merchandise art with evergreen, holly, ribbon, ornaments and crisp screen-print separation. Use a controlled palette of #C62828, #1F6B3A, #F7F0DC, #D4AF37, #183A2A. Add the exact wording "MERRY GIRL" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

162. Retro Christmas • TEXT: TIS THE SEASON

Create an original Christmas merchandise illustration featuring bow-covered Christmas tree with ornaments and sparkles. Render it in a Retro Christmas direction: 1970s retro holiday graphic with chunky curves, sunbursts, stars and cheerful seasonal motifs. Use a controlled palette of #C83A32, #F1DFC2, #D4A72C, #3F6B43, #3A2A22. Add the exact wording "TIS THE SEASON" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

163. Neon Christmas • TEXT: CHRISTMAS SPIRIT

Create an original Christmas merchandise illustration featuring peppermint candy cluster with bows and stars. Render it in a Neon Christmas direction: 1990s neon holiday graphic with crisp electric outlines, geometric bursts and checker accents, no blurry glow. Use a controlled palette of #FF2D2D, #12D85A, #00CFE8, #F5F2E8, #17142B. Add the exact wording "CHRISTMAS SPIRIT" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

164. Vintage Christmas Card • TEXT: MERRY SEASON

Create an original Christmas merchandise illustration featuring holiday record player with evergreen, stars and ornaments. Render it in a Vintage Christmas Card direction: mid-century holiday-card aesthetic, worn screen-print texture, bold simple silhouettes and old-print charm. Use a controlled palette of #A94735, #E9D9B8, #2F6944, #D2A23B, #1B1B1B. Add the exact wording "MERRY SEASON" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

CHRISTMAS PROMPTS 165-168

165. Western Christmas • TEXT: JOLLY ALL DAY

Create an original Christmas merchandise illustration featuring decorated Christmas tree with wrapped gifts and a star topper. Render it in a Western Christmas direction: western holiday aesthetic with rope curves, boots, stars, bandana accents and rugged badge composition. Use a controlled palette of #B33B32, #E8D4B4, #2F6341, #C79A3C, #5A382A. Add the exact wording "JOLLY ALL DAY" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

166. Coquette Christmas • TEXT: CHRISTMAS CREW

Create an original Christmas merchandise illustration featuring stacked wrapped gifts with oversized bow and holly. Render it in a Coquette Christmas direction: feminine coquette holiday aesthetic with bows, ribbons, hearts, pearls and polished Christmas shapes. Use a controlled palette of #C92F45, #F2DFE6, #2F7047, #252025, #D2AF4C. Add the exact wording "CHRISTMAS CREW" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

167. Tattoo Flash Christmas • TEXT: MERRY EVERYTHING

Create an original Christmas merchandise illustration featuring generic wooden holiday guard with drum and evergreen. Render it in a Tattoo Flash Christmas direction: traditional tattoo-flash-inspired holiday icons with bold black contour, limited color and compact composition. Use a controlled palette of #D84A35, #E9DDBF, #2C6543, #D3A43B, #171717. Add the exact wording "MERRY EVERYTHING" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

168. Disco Christmas • TEXT: JINGLE & MINGLE

Create an original Christmas merchandise illustration featuring gingerbread character holding a candy cane. Render it in a Disco Christmas direction: 1970s disco holiday graphic with mirror-ball facets, groovy waves, stars and energetic festive silhouettes. Use a controlled palette of #D946EF, #F2E2C8, #D7353A, #2F7547, #E0C54A. Add the exact wording "JINGLE & MINGLE" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

CHRISTMAS PROMPTS 169-172

169. Minimal Christmas • TEXT: A VERY MERRY DAY

Create an original Christmas merchandise illustration featuring festive dachshund in a generic holiday sweater with no logos. Render it in a Minimal Christmas direction: clean minimalist Christmas line art with strong negative space and precise geometric balance. Use a controlled palette of #B9272D, #F7F5EF, #2F6844, #C7B59A, #343434. Add the exact wording "A VERY MERRY DAY" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

170. Preppy Christmas • TEXT: GOOD TIDINGS

Create an original Christmas merchandise illustration featuring Christmas mailbox with envelopes, evergreen and bow. Render it in a Preppy Christmas direction: preppy heritage Christmas aesthetic with stripes, shields, bows, stars and clean seasonal geometry. Use a controlled palette of #284B3C, #F2E5C8, #A52F3A, #23395B, #C5A24A. Add the exact wording "GOOD TIDINGS" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

171. Kitsch Christmas • TEXT: MERRY GRANDMA

Create an original Christmas merchandise illustration featuring vintage pickup truck carrying an evergreen tree, with no logos or branding. Render it in a Kitsch Christmas direction: cute vintage kitsch holiday illustration with cheerful ornaments, starbursts and old-print charm. Use a controlled palette of #D83C35, #F7E7D2, #F18AA5, #236B42, #E5B83E. Add the exact wording "MERRY GRANDMA" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

172. Clay Christmas • TEXT: MERRY LITTLE CHRISTMAS

Create an original Christmas merchandise illustration featuring cozy cocoa mug with marshmallows, candy cane and evergreen. Render it in a Clay Christmas direction: handmade polymer-clay Christmas objects with rounded sculpted forms, fingerprints, matte texture and collectible charm. Use a controlled palette of #D94B52, #F0E3CA, #2F7047, #E3B34B, #9277B5. Add the exact wording "MERRY LITTLE CHRISTMAS" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

CHRISTMAS PROMPTS 173-176

173. Watercolor Christmas • TEXT: JOYFUL SEASON

Create an original Christmas merchandise illustration featuring Christmas stocking stuffed with candy, evergreen and small gifts. Render it in a Watercolor Christmas direction: whimsical watercolor holiday arrangement with soft painted edges, layered washes and airy composition. Use a controlled palette of #C94B4B, #F3E5D0, #D8A23B, #5C7A55, #68506E. Add the exact wording "JOYFUL SEASON" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

174. Grunge Christmas • TEXT: MERRY TEACHER

Create an original Christmas merchandise illustration featuring large Christmas bow with dangling ornaments and stars. Render it in a Grunge Christmas direction: edgy grunge streetwear Christmas graphic with distressed ink, rough photocopy texture and bold holiday forms. Use a controlled palette of #171717, #EFE6D5, #C92D35, #2F6A43, #B9B9B9. Add the exact wording "MERRY TEACHER" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

175. Paper Cut Christmas • TEXT: HOLLY JOLLY

Create an original Christmas merchandise illustration featuring highland cow with Christmas bow, evergreen and ornaments. Render it in a Paper Cut Christmas direction: layered paper-cut Christmas illustration with dimensional cut-paper shapes, clean shadows and crisp stacked depth. Use a controlled palette of #B93636, #E8DFCC, #2F7047, #6B5287, #D1A64B. Add the exact wording "HOLLY JOLLY" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

176. Stained Glass Christmas • TEXT: HOLIDAY MODE

Create an original Christmas merchandise illustration featuring cross wrapped with tasteful evergreen, red ribbon and small stars. Render it in a Stained Glass Christmas direction: stained-glass-inspired holiday emblem with thick dark leading, jewel-tone panels and symmetrical geometry. Use a controlled palette of #B43E63, #E6D8BC, #2C6B48, #315464, #D39A3E. Add the exact wording "HOLIDAY MODE" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

CHRISTMAS PROMPTS 177-180

177. Botanical Christmas • TEXT: VERY MERRY

Create an original Christmas merchandise illustration featuring pink holiday tumbler with bow, candy cane and tiny hearts. Render it in a Botanical Christmas direction: Christmas objects framed by tasteful evergreen, holly, berries and winter botanicals in a balanced merchandise emblem. Use a controlled palette of #B83B37, #E6D9C0, #2C613F, #5D6B49, #B88747. Add the exact wording "VERY MERRY" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

178. Retro Comic Christmas • TEXT: PEACE LOVE CHRISTMAS

Create an original Christmas merchandise illustration featuring pair of western boots with evergreen, ornaments and rope curves. Render it in a Retro Comic Christmas direction: vintage comic-book Christmas action with bold ink, halftone dots, motion bursts and energetic silhouettes. Use a controlled palette of #D94332, #F3E3B7, #E3B52F, #2A7049, #171719. Add the exact wording "PEACE LOVE CHRISTMAS" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

179. Dark Academia Christmas • TEXT: JOY MODE ON

Create an original Christmas merchandise illustration featuring holiday baking arrangement with cookies, rolling pin and candy canes. Render it in a Dark Academia Christmas direction: dark-academia holiday aesthetic with old books, candles, evergreen, ribbon and scholarly vintage composition. Use a controlled palette of #6E2929, #E0C9A6, #2F4F38, #30312B, #B28A43. Add the exact wording "JOY MODE ON" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

180. Pastel Christmas • TEXT: JOY TO THE WORLD

Create an original Christmas merchandise illustration featuring holiday lantern surrounded by pine, berries and ribbon. Render it in a Pastel Christmas direction: pastel Christmas illustration with soft chunky shapes, cute accessories and mature boutique polish. Use a controlled palette of #F29BC1, #F7E5EE, #6DAA7C, #F0A45C, #33313A. Add the exact wording "JOY TO THE WORLD" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

CHRISTMAS PROMPTS 181-184

181. Checkerboard Christmas • TEXT: PEPPERMINT SEASON

Create an original Christmas merchandise illustration featuring western hat resting on wrapped gifts with holly. Render it in a Checkerboard Christmas direction: high-contrast checkerboard Christmas graphic with racing-style energy, bold stars and clean central hero. Use a controlled palette of #111111, #F3E3C5, #C83D36, #2D6A43, #D6A83B. Add the exact wording "PEPPERMINT SEASON" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

182. Groovy Christmas • TEXT: CHRISTMAS CHEER

Create an original Christmas merchandise illustration featuring three candles with evergreen, berries and ribbon. Render it in a Groovy Christmas direction: 1960s-70s groovy Christmas aesthetic with wavy stripes, daisies, rounded icons and warm retro print texture. Use a controlled palette of #B83B37, #F0DFC3, #D49A36, #3D7048, #4A3428. Add the exact wording "CHRISTMAS CHEER" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

183. Americana Christmas • TEXT: MERRY MOM

Create an original Christmas merchandise illustration featuring disco-ball ornament with starbursts and ribbon. Render it in a Americana Christmas direction: Americana Christmas graphic with stars, stripes, evergreen and classic holiday objects without brand insignia. Use a controlled palette of #A63C3C, #F3E7D2, #243B64, #2E6A43, #C6A04B. Add the exact wording "MERRY MOM" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

184. Y2K Christmas • TEXT: HOLIDAY HAPPINESS

Create an original Christmas merchandise illustration featuring retro ceramic-style Christmas tree with colorful bulbs. Render it in a Y2K Christmas direction: Y2K-inspired Christmas graphic with flat chrome-like highlights, stars, flames, hearts and sharp playful geometry. Use a controlled palette of #FF4DA6, #BFC4CC, #D92832, #26A85A, #7A3CF0. Add the exact wording "HOLIDAY HAPPINESS" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

CHRISTMAS PROMPTS 185-188

185. Folk Art Christmas • TEXT: SLEIGH THE DAY

Create an original Christmas merchandise illustration featuring evergreen branch bundle with berries, bells and ribbon. Render it in a Folk Art Christmas direction: handmade folk-art Christmas illustration with simple stitched shapes, stars, florals and symmetrical craft composition. Use a controlled palette of #A4473D, #F0DFC3, #D49A36, #3E7048, #3B3033. Add the exact wording "SLEIGH THE DAY" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

186. Gothic Christmas • TEXT: BAKING SPIRITS BRIGHT

Create an original Christmas merchandise illustration featuring three stylized fir trees arranged like a Christmas tree farm badge. Render it in a Gothic Christmas direction: elegant gothic Christmas emblem with arches, holly, candles, decorative ravens and dramatic engraved linework. Use a controlled palette of #6B2035, #E1D0B6, #B18A4A, #20201F, #2F5140. Add the exact wording "BAKING SPIRITS BRIGHT" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

187. Cute Christmas Character • TEXT: FA LA LA

Create an original Christmas merchandise illustration featuring stacked Christmas cookies with icing and candy details. Render it in a Cute Christmas Character direction: original generic cute holiday animal character with seasonal accessories, oversized expressive features and clean bold silhouette. Use a controlled palette of #D84B43, #F3E4CA, #D5A43A, #4C7A52, #2D2930. Add the exact wording "FA LA LA" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

188. Chalkboard Christmas • TEXT: CHRISTMAS KINDA DAY

Create an original Christmas merchandise illustration featuring oversized satin bow wrapped around two candy canes with tiny stars. Render it in a Chalkboard Christmas direction: chalkboard-inspired Christmas aesthetic with hand-drawn stars, evergreen, ornaments and festive marks. Use a controlled palette of #2F3433, #F1EBD9, #A94A45, #48634B, #B69A75. Add the exact wording "CHRISTMAS KINDA DAY" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

CHRISTMAS PROMPTS 189-192

189. Embroidered Christmas • TEXT: COZY CHRISTMAS CLUB

Create an original Christmas merchandise illustration featuring gingerbread house with peppermint details and tiny stars. Render it in a Embroidered Christmas direction: embroidered-patch Christmas aesthetic with visible thread texture, satin-stitch borders and simplified seasonal icons. Use a controlled palette of #A92F34, #EFE2C8, #2F6742, #D2A43B, #253A5A. Add the exact wording "COZY CHRISTMAS CLUB" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

190. Rhinestone Christmas • TEXT: JINGLE ALL THE WAY

Create an original Christmas merchandise illustration featuring pair of ice skates tied together with ribbon and holly. Render it in a Rhinestone Christmas direction: sparkly rhinestone-inspired flat Christmas graphic with gem-dot highlights, bold holiday silhouette and glamorous energy. Use a controlled palette of #171719, #BFC2C7, #D92F4A, #2D7A49, #D4B04C. Add the exact wording "JINGLE ALL THE WAY" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

191. Cottagecore Christmas • TEXT: HOLLY JOLLY DAYS

Create an original Christmas merchandise illustration featuring holiday book stack with cocoa mug, candle and evergreen. Render it in a Cottagecore Christmas direction: cozy cottagecore Christmas arrangement with mushrooms, tiny florals, evergreen, berries and vintage seasonal objects. Use a controlled palette of #6C4A3A, #E6D7BC, #4E7454, #B83C39, #302B2C. Add the exact wording "HOLLY JOLLY DAYS" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

192. Bold Christmas Typography • TEXT: HOLIDAY CHEER

Create an original Christmas merchandise illustration featuring festive black cat beside ornaments and a tiny tree. Render it in a Bold Christmas Typography direction: typography-led Christmas composition with oversized block lettering, stars, holly and seasonal icons. Use a controlled palette of #D52F35, #F3E3C5, #2E7047, #17171B, #D6A83B. Add the exact wording "HOLIDAY CHEER" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

CHRISTMAS PROMPTS 193-196

193. Sticker Bomb Christmas • TEXT: MERRY GIRL

Create an original Christmas merchandise illustration featuring festive cherries, holly, ribbon and ornament cluster. Render it in a Sticker Bomb Christmas direction: clean sticker-art Christmas collage with separated original icons, lightning, stars, hearts and holiday objects. Use a controlled palette of #00BFD5, #F04D9B, #D92D35, #32A85D, #171717. Add the exact wording "MERRY GIRL" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

194. Monochrome Christmas • TEXT: TIS THE SEASON

Create an original Christmas merchandise illustration featuring smiling ornament character with a simple checkerboard accent. Render it in a Monochrome Christmas direction: black-and-white Christmas engraving and line-art composition with crisp contrast and dramatic movement. Use a controlled palette of #111111, #F5F1E8, #777777, #D0C8B8, #343434. Add the exact wording "TIS THE SEASON" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

195. Sunset Christmas • TEXT: JOYFUL & COZY

Create an original Christmas merchandise illustration featuring holiday wreath with bow, ornaments, pinecones and berries. Render it in a Sunset Christmas direction: retro sunset Christmas composition with layered sun arcs, evergreen silhouettes and bold centered seasonal object. Use a controlled palette of #D84C4C, #D8A33D, #2F7149, #25334D, #F1E1C7. Add the exact wording "JOYFUL & COZY" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

196. Plaid Christmas • TEXT: CHRISTMAS IS CALLING

Create an original Christmas merchandise illustration featuring snow globe containing a tiny Christmas tree and wrapped gifts. Render it in a Plaid Christmas direction: Christmas plaid and gingham graphic with large clean pattern panels, stitched edges and cozy holiday energy. Use a controlled palette of #B52F34, #F0DDBD, #242127, #D5A53B, #2F6B42. Add the exact wording "CHRISTMAS IS CALLING" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

CHRISTMAS PROMPTS 197-200

197. Metallic-Look Christmas • TEXT: MERRY NURSE

Create an original Christmas merchandise illustration featuring winter cardinal perched on evergreen with berries. Render it in a Metallic-Look Christmas direction: flat metallic-look Christmas graphic with printed gold and steel-gray effects, crisp seasonal silhouettes and no realistic foil. Use a controlled palette of #303236, #EEE4D0, #C5A14A, #2E6B45, #A92E35. Add the exact wording "MERRY NURSE" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

198. Pop Art Christmas • TEXT: MERRY CHRISTMAS

Create an original Christmas merchandise illustration featuring snowman with scarf, candy cane and evergreen. Render it in a Pop Art Christmas direction: bold pop-art Christmas graphic with thick outlines, halftone texture, punchy shapes and comic energy. Use a controlled palette of #D94135, #F0C83E, #24AFC1, #2D7048, #F4E6C9. Add the exact wording "MERRY CHRISTMAS" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

199. Boho Christmas • TEXT: MERRY EVERYTHING

Create an original Christmas merchandise illustration featuring church silhouette beneath a bright star with evergreen accents. Render it in a Boho Christmas direction: bohemian Christmas aesthetic with terracotta, evergreen, stars, moons, simple botanicals and relaxed handmade balance. Use a controlled palette of #B9684C, #EFE0C7, #C89B3C, #4C7653, #49352B. Add the exact wording "MERRY EVERYTHING" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

200. Classic Holiday Heritage • TEXT: JINGLE & MINGLE

Create an original Christmas merchandise illustration featuring black winter boot filled with evergreen, berries and a large ribbon. Render it in a Classic Holiday Heritage direction: timeless heritage Christmas graphic with evergreen, ribbon, bells, ornaments and restrained vintage balance. Use a controlled palette of #A92F34, #F0E2C5, #743A42, #315E43, #C4A04A. Add the exact wording "JINGLE & MINGLE" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

CHRISTMAS PROMPTS 201-204

201. Classic Christmas • TEXT: A VERY MERRY DAY

Create an original Christmas merchandise illustration featuring pair of ice skates tied together with ribbon and holly. Render it in a Classic Christmas direction: traditional Christmas merchandise art with evergreen, holly, ribbon, ornaments and crisp screen-print separation. Use a controlled palette of #C62828, #1F6B3A, #F7F0DC, #D4AF37, #183A2A. Add the exact wording "A VERY MERRY DAY" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

202. Retro Christmas • TEXT: GOOD TIDINGS

Create an original Christmas merchandise illustration featuring holiday book stack with cocoa mug, candle and evergreen. Render it in a Retro Christmas direction: 1970s retro holiday graphic with chunky curves, sunbursts, stars and cheerful seasonal motifs. Use a controlled palette of #C83A32, #F1DFC2, #D4A72C, #3F6B43, #3A2A22. Add the exact wording "GOOD TIDINGS" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

203. Neon Christmas • TEXT: MERRY GRANDMA

Create an original Christmas merchandise illustration featuring festive black cat beside ornaments and a tiny tree. Render it in a Neon Christmas direction: 1990s neon holiday graphic with crisp electric outlines, geometric bursts and checker accents, no blurry glow. Use a controlled palette of #FF2D2D, #12D85A, #00CFE8, #F5F2E8, #17142B. Add the exact wording "MERRY GRANDMA" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

204. Vintage Christmas Card • TEXT: TREE FARM DAYS

Create an original Christmas merchandise illustration featuring festive cherries, holly, ribbon and ornament cluster. Render it in a Vintage Christmas Card direction: mid-century holiday-card aesthetic, worn screen-print texture, bold simple silhouettes and old-print charm. Use a controlled palette of #A94735, #E9D9B8, #2F6944, #D2A23B, #1B1B1B. Add the exact wording "TREE FARM DAYS" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

CHRISTMAS PROMPTS 205-208

205. Western Christmas • TEXT: COCOA WEATHER

Create an original Christmas merchandise illustration featuring smiling ornament character with a simple checkerboard accent. Render it in a Western Christmas direction: western holiday aesthetic with rope curves, boots, stars, bandana accents and rugged badge composition. Use a controlled palette of #B33B32, #E8D4B4, #2F6341, #C79A3C, #5A382A. Add the exact wording "COCOA WEATHER" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

206. Coquette Christmas • TEXT: MERRY DAD

Create an original Christmas merchandise illustration featuring holiday wreath with bow, ornaments, pinecones and berries. Render it in a Coquette Christmas direction: feminine coquette holiday aesthetic with bows, ribbons, hearts, pearls and polished Christmas shapes. Use a controlled palette of #C92F45, #F2DFE6, #2F7047, #252025, #D2AF4C. Add the exact wording "MERRY DAD" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

207. Tattoo Flash Christmas • TEXT: MERRY & BRIGHT

Create an original Christmas merchandise illustration featuring snow globe containing a tiny Christmas tree and wrapped gifts. Render it in a Tattoo Flash Christmas direction: traditional tattoo-flash-inspired holiday icons with bold black contour, limited color and compact composition. Use a controlled palette of #D84A35, #E9DDBF, #2C6543, #D3A43B, #171717. Add the exact wording "MERRY & BRIGHT" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

208. Disco Christmas • TEXT: HOLIDAY MODE

Create an original Christmas merchandise illustration featuring winter cardinal perched on evergreen with berries. Render it in a Disco Christmas direction: 1970s disco holiday graphic with mirror-ball facets, groovy waves, stars and energetic festive silhouettes. Use a controlled palette of #D946EF, #F2E2C8, #D7353A, #2F7547, #E0C54A. Add the exact wording "HOLIDAY MODE" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

CHRISTMAS PROMPTS 209-212

209. Minimal Christmas • TEXT: VERY MERRY

Create an original Christmas merchandise illustration featuring snowman with scarf, candy cane and evergreen. Render it in a Minimal Christmas direction: clean minimalist Christmas line art with strong negative space and precise geometric balance. Use a controlled palette of #B9272D, #F7F5EF, #2F6844, #C7B59A, #343434. Add the exact wording "VERY MERRY" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

210. Preppy Christmas • TEXT: PEACE LOVE CHRISTMAS

Create an original Christmas merchandise illustration featuring church silhouette beneath a bright star with evergreen accents. Render it in a Preppy Christmas direction: preppy heritage Christmas aesthetic with stripes, shields, bows, stars and clean seasonal geometry. Use a controlled palette of #284B3C, #F2E5C8, #A52F3A, #23395B, #C5A24A. Add the exact wording "PEACE LOVE CHRISTMAS" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

211. Kitsch Christmas • TEXT: JOY MODE ON

Create an original Christmas merchandise illustration featuring black winter boot filled with evergreen, berries and a large ribbon. Render it in a Kitsch Christmas direction: cute vintage kitsch holiday illustration with cheerful ornaments, starbursts and old-print charm. Use a controlled palette of #D83C35, #F7E7D2, #F18AA5, #236B42, #E5B83E. Add the exact wording "JOY MODE ON" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

212. Clay Christmas • TEXT: JOY TO THE WORLD

Create an original Christmas merchandise illustration featuring Christmas bells with ribbon, holly and berries. Render it in a Clay Christmas direction: handmade polymer-clay Christmas objects with rounded sculpted forms, fingerprints, matte texture and collectible charm. Use a controlled palette of #D94B52, #F0E3CA, #2F7047, #E3B34B, #9277B5. Add the exact wording "JOY TO THE WORLD" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

CHRISTMAS PROMPTS 213-216

213. Watercolor Christmas • TEXT: HOLLY DAYS

Create an original Christmas merchandise illustration featuring bow-covered Christmas tree with ornaments and sparkles. Render it in a Watercolor Christmas direction: whimsical watercolor holiday arrangement with soft painted edges, layered washes and airy composition. Use a controlled palette of #C94B4B, #F3E5D0, #D8A23B, #5C7A55, #68506E. Add the exact wording "HOLLY DAYS" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

214. Grunge Christmas • TEXT: MERRY BESTIE

Create an original Christmas merchandise illustration featuring peppermint candy cluster with bows and stars. Render it in a Grunge Christmas direction: edgy grunge streetwear Christmas graphic with distressed ink, rough photocopy texture and bold holiday forms. Use a controlled palette of #171717, #EFE6D5, #C92D35, #2F6A43, #B9B9B9. Add the exact wording "MERRY BESTIE" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

215. Paper Cut Christmas • TEXT: CHRISTMAS TIME

Create an original Christmas merchandise illustration featuring holiday record player with evergreen, stars and ornaments. Render it in a Paper Cut Christmas direction: layered paper-cut Christmas illustration with dimensional cut-paper shapes, clean shadows and crisp stacked depth. Use a controlled palette of #B93636, #E8DFCC, #2F7047, #6B5287, #D1A64B. Add the exact wording "CHRISTMAS TIME" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

216. Stained Glass Christmas • TEXT: JINGLE BABE

Create an original Christmas merchandise illustration featuring decorated Christmas tree with wrapped gifts and a star topper. Render it in a Stained Glass Christmas direction: stained-glass-inspired holiday emblem with thick dark leading, jewel-tone panels and symmetrical geometry. Use a controlled palette of #B43E63, #E6D8BC, #2C6B48, #315464, #D39A3E. Add the exact wording "JINGLE BABE" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

CHRISTMAS PROMPTS 217-220

217. Botanical Christmas • TEXT: SLEIGH THE DAY

Create an original Christmas merchandise illustration featuring stacked wrapped gifts with oversized bow and holly. Render it in a Botanical Christmas direction: Christmas objects framed by tasteful evergreen, holly, berries and winter botanicals in a balanced merchandise emblem. Use a controlled palette of #B83B37, #E6D9C0, #2C613F, #5D6B49, #B88747. Add the exact wording "SLEIGH THE DAY" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

218. Retro Comic Christmas • TEXT: BAKING SPIRITS BRIGHT

Create an original Christmas merchandise illustration featuring generic wooden holiday guard with drum and evergreen. Render it in a Retro Comic Christmas direction: vintage comic-book Christmas action with bold ink, halftone dots, motion bursts and energetic silhouettes. Use a controlled palette of #D94332, #F3E3B7, #E3B52F, #2A7049, #171719. Add the exact wording "BAKING SPIRITS BRIGHT" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

219. Dark Academia Christmas • TEXT: FA LA LA

Create an original Christmas merchandise illustration featuring gingerbread character holding a candy cane. Render it in a Dark Academia Christmas direction: dark-academia holiday aesthetic with old books, candles, evergreen, ribbon and scholarly vintage composition. Use a controlled palette of #6E2929, #E0C9A6, #2F4F38, #30312B, #B28A43. Add the exact wording "FA LA LA" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

220. Pastel Christmas • TEXT: CHRISTMAS KINDA DAY

Create an original Christmas merchandise illustration featuring festive dachshund in a generic holiday sweater with no logos. Render it in a Pastel Christmas direction: pastel Christmas illustration with soft chunky shapes, cute accessories and mature boutique polish. Use a controlled palette of #F29BC1, #F7E5EE, #6DAA7C, #F0A45C, #33313A. Add the exact wording "CHRISTMAS KINDA DAY" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

CHRISTMAS PROMPTS 221-224

- 221. Checkerboard Christmas • TEXT: COZY CHRISTMAS CLUB**

Create an original Christmas merchandise illustration featuring Christmas mailbox with envelopes, evergreen and bow. Render it in a Checkerboard Christmas direction: high-contrast checkerboard Christmas graphic with racing-style energy, bold stars and clean central hero. Use a controlled palette of #111111, #F3E3C5, #C83D36, #2D6A43, #D6A83B. Add the exact wording "COZY CHRISTMAS CLUB" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.
- 222. Groovy Christmas • TEXT: CHRISTMAS VIBES**

Create an original Christmas merchandise illustration featuring vintage pickup truck carrying an evergreen tree, with no logos or branding. Render it in a Groovy Christmas direction: 1960s-70s groovy Christmas aesthetic with wavy stripes, daisies, rounded icons and warm retro print texture. Use a controlled palette of #B83B37, #F0DFC3, #D49A36, #3D7048, #4A3428. Add the exact wording "CHRISTMAS VIBES" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.
- 223. Americana Christmas • TEXT: CHRISTMAS AT HOME**

Create an original Christmas merchandise illustration featuring cozy cocoa mug with marshmallows, candy cane and evergreen. Render it in a Americana Christmas direction: Americana Christmas graphic with stars, stripes, evergreen and classic holiday objects without brand insignia. Use a controlled palette of #A63C3C, #F3E7D2, #243B64, #2E6A43, #C6A04B. Add the exact wording "CHRISTMAS AT HOME" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.
- 224. Y2K Christmas • TEXT: SWEET CHRISTMAS**

Create an original Christmas merchandise illustration featuring Christmas stocking stuffed with candy, evergreen and small gifts. Render it in a Y2K Christmas direction: Y2K-inspired Christmas graphic with flat chrome-like highlights, stars, flames, hearts and sharp playful geometry. Use a controlled palette of #FF4DA6, #BFC4CC, #D92832, #26A85A, #7A3CF0. Add the exact wording "SWEET CHRISTMAS" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

CHRISTMAS PROMPTS 225-228

225. Folk Art Christmas • TEXT: CHRISTMAS HEART

Create an original Christmas merchandise illustration featuring large Christmas bow with dangling ornaments and stars. Render it in a Folk Art Christmas direction: handmade folk-art Christmas illustration with simple stitched shapes, stars, florals and symmetrical craft composition. Use a controlled palette of #A4473D, #F0DFC3, #D49A36, #3E7048, #3B3033. Add the exact wording "CHRISTMAS HEART" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

226. Gothic Christmas • TEXT: TIS THE SEASON

Create an original Christmas merchandise illustration featuring highland cow with Christmas bow, evergreen and ornaments. Render it in a Gothic Christmas direction: elegant gothic Christmas emblem with arches, holly, candles, decorative ravens and dramatic engraved linework. Use a controlled palette of #6B2035, #E1D0B6, #B18A4A, #20201F, #2F5140. Add the exact wording "TIS THE SEASON" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

227. Cute Christmas Character • TEXT: JOYFUL & COZY

Create an original Christmas merchandise illustration featuring cross wrapped with tasteful evergreen, red ribbon and small stars. Render it in a Cute Christmas Character direction: original generic cute holiday animal character with seasonal accessories, oversized expressive features and clean bold silhouette. Use a controlled palette of #D84B43, #F3E4CA, #D5A43A, #4C7A52, #2D2930. Add the exact wording "JOYFUL & COZY" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

228. Chalkboard Christmas • TEXT: CHRISTMAS IS CALLING

Create an original Christmas merchandise illustration featuring pink holiday tumbler with bow, candy cane and tiny hearts. Render it in a Chalkboard Christmas direction: chalkboard-inspired Christmas aesthetic with hand-drawn stars, evergreen, ornaments and festive marks. Use a controlled palette of #2F3433, #F1EBD9, #A94A45, #48634B, #B69A75. Add the exact wording "CHRISTMAS IS CALLING" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

CHRISTMAS PROMPTS 229-232

229. Embroidered Christmas • TEXT: MERRY NURSE

Create an original Christmas merchandise illustration featuring pair of western boots with evergreen, ornaments and rope curves. Render it in a Embroidered Christmas direction: embroidered-patch Christmas aesthetic with visible thread texture, satin-stitch borders and simplified seasonal icons. Use a controlled palette of #A92F34, #EFE2C8, #2F6742, #D2A43B, #253A5A. Add the exact wording "MERRY NURSE" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

230. Rhinestone Christmas • TEXT: MERRY CHRISTMAS

Create an original Christmas merchandise illustration featuring holiday baking arrangement with cookies, rolling pin and candy canes. Render it in a Rhinestone Christmas direction: sparkly rhinestone-inspired flat Christmas graphic with gem-dot highlights, bold holiday silhouette and glamorous energy. Use a controlled palette of #171719, #BFC2C7, #D92F4A, #2D7A49, #D4B04C. Add the exact wording "MERRY CHRISTMAS" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

231. Cottagecore Christmas • TEXT: COZY & BRIGHT

Create an original Christmas merchandise illustration featuring holiday lantern surrounded by pine, berries and ribbon. Render it in a Cottagecore Christmas direction: cozy cottagecore Christmas arrangement with mushrooms, tiny florals, evergreen, berries and vintage seasonal objects. Use a controlled palette of #6C4A3A, #E6D7BC, #4E7454, #B83C39, #302B2C. Add the exact wording "COZY & BRIGHT" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

232. Bold Christmas Typography • TEXT: MERRY AND COZY

Create an original Christmas merchandise illustration featuring western hat resting on wrapped gifts with holly. Render it in a Bold Christmas Typography direction: typography-led Christmas composition with oversized block lettering, stars, holly and seasonal icons. Use a controlled palette of #D52F35, #F3E3C5, #2E7047, #17171B, #D6A83B. Add the exact wording "MERRY AND COZY" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

CHRISTMAS PROMPTS 233-236

233. Sticker Bomb Christmas • TEXT: CHRISTMAS BLESSINGS

Create an original Christmas merchandise illustration featuring three candles with evergreen, berries and ribbon. Render it in a Sticker Bomb Christmas direction: clean sticker-art Christmas collage with separated original icons, lightning, stars, hearts and holiday objects. Use a controlled palette of #00BFD5, #F04D9B, #D92D35, #32A85D, #171717. Add the exact wording "CHRISTMAS BLESSINGS" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

234. Monochrome Christmas • TEXT: SWEATER WEATHER

Create an original Christmas merchandise illustration featuring disco-ball ornament with starbursts and ribbon. Render it in a Monochrome Christmas direction: black-and-white Christmas engraving and line-art composition with crisp contrast and dramatic movement. Use a controlled palette of #111111, #F5F1E8, #777777, #D0C8B8, #343434. Add the exact wording "SWEATER WEATHER" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

235. Sunset Christmas • TEXT: MERRY GRANDMA

Create an original Christmas merchandise illustration featuring retro ceramic-style Christmas tree with colorful bulbs. Render it in a Sunset Christmas direction: retro sunset Christmas composition with layered sun arcs, evergreen silhouettes and bold centered seasonal object. Use a controlled palette of #D84C4C, #D8A33D, #2F7149, #25334D, #F1E1C7. Add the exact wording "MERRY GRANDMA" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

236. Plaid Christmas • TEXT: TREE FARM DAYS

Create an original Christmas merchandise illustration featuring evergreen branch bundle with berries, bells and ribbon. Render it in a Plaid Christmas direction: Christmas plaid and gingham graphic with large clean pattern panels, stitched edges and cozy holiday energy. Use a controlled palette of #B52F34, #F0DDBD, #242127, #D5A53B, #2F6B42. Add the exact wording "TREE FARM DAYS" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

CHRISTMAS PROMPTS 237-240

237. Metallic-Look Christmas • TEXT: COCOA WEATHER

Create an original Christmas merchandise illustration featuring three stylized fir trees arranged like a Christmas tree farm badge. Render it in a Metallic-Look Christmas direction: flat metallic-look Christmas graphic with printed gold and steel-gray effects, crisp seasonal silhouettes and no realistic foil. Use a controlled palette of #303236, #EEE4D0, #C5A14A, #2E6B45, #A92E35. Add the exact wording "COCOA WEATHER" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

238. Pop Art Christmas • TEXT: MERRY DAD

Create an original Christmas merchandise illustration featuring stacked Christmas cookies with icing and candy details. Render it in a Pop Art Christmas direction: bold pop-art Christmas graphic with thick outlines, halftone texture, punchy shapes and comic energy. Use a controlled palette of #D94135, #F0C83E, #24AFC1, #2D7048, #F4E6C9. Add the exact wording "MERRY DAD" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

239. Boho Christmas • TEXT: MERRY & BRIGHT

Create an original Christmas merchandise illustration featuring oversized satin bow wrapped around two candy canes with tiny stars. Render it in a Boho Christmas direction: bohemian Christmas aesthetic with terracotta, evergreen, stars, moons, simple botanicals and relaxed handmade balance. Use a controlled palette of #B9684C, #EFE0C7, #C89B3C, #4C7653, #49352B. Add the exact wording "MERRY & BRIGHT" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

240. Classic Holiday Heritage • TEXT: DECK THE HALLS

Create an original Christmas merchandise illustration featuring gingerbread house with peppermint details and tiny stars. Render it in a Classic Holiday Heritage direction: timeless heritage Christmas graphic with evergreen, ribbon, bells, ornaments and restrained vintage balance. Use a controlled palette of #A92F34, #F0E2C5, #743A42, #315E43, #C4A04A. Add the exact wording "DECK THE HALLS" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

CHRISTMAS PROMPTS 241-244

241. Classic Christmas • TEXT: WRAPPED IN JOY

Create an original Christmas merchandise illustration featuring holiday baking arrangement with cookies, rolling pin and candy canes. Render it in a Classic Christmas direction: traditional Christmas merchandise art with evergreen, holly, ribbon, ornaments and crisp screen-print separation. Use a controlled palette of #C62828, #1F6B3A, #F7F0DC, #D4AF37, #183A2A. Add the exact wording "WRAPPED IN JOY" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

242. Retro Christmas • TEXT: BELIEVE IN JOY

Create an original Christmas merchandise illustration featuring holiday lantern surrounded by pine, berries and ribbon. Render it in a Retro Christmas direction: 1970s retro holiday graphic with chunky curves, sunbursts, stars and cheerful seasonal motifs. Use a controlled palette of #C83A32, #F1DFC2, #D4A72C, #3F6B43, #3A2A22. Add the exact wording "BELIEVE IN JOY" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

243. Neon Christmas • TEXT: MERRY STATE OF MIND

Create an original Christmas merchandise illustration featuring western hat resting on wrapped gifts with holly. Render it in a Neon Christmas direction: 1990s neon holiday graphic with crisp electric outlines, geometric bursts and checker accents, no blurry glow. Use a controlled palette of #FF2D2D, #12D85A, #00CFE8, #F5F2E8, #17142B. Add the exact wording "MERRY STATE OF MIND" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

244. Vintage Christmas Card • TEXT: JOY TO THE WORLD

Create an original Christmas merchandise illustration featuring three candles with evergreen, berries and ribbon. Render it in a Vintage Christmas Card direction: mid-century holiday-card aesthetic, worn screen-print texture, bold simple silhouettes and old-print charm. Use a controlled palette of #A94735, #E9D9B8, #2F6944, #D2A23B, #1B1B1B. Add the exact wording "JOY TO THE WORLD" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

CHRISTMAS PROMPTS 245-248

245. Western Christmas • TEXT: HOLLY DAYS

Create an original Christmas merchandise illustration featuring disco-ball ornament with starbursts and ribbon. Render it in a Western Christmas direction: western holiday aesthetic with rope curves, boots, stars, bandana accents and rugged badge composition. Use a controlled palette of #B33B32, #E8D4B4, #2F6341, #C79A3C, #5A382A. Add the exact wording "HOLLY DAYS" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

246. Coquette Christmas • TEXT: MERRY BESTIE

Create an original Christmas merchandise illustration featuring retro ceramic-style Christmas tree with colorful bulbs. Render it in a Coquette Christmas direction: feminine coquette holiday aesthetic with bows, ribbons, hearts, pearls and polished Christmas shapes. Use a controlled palette of #C92F45, #F2DFE6, #2F7047, #252025, #D2AF4C. Add the exact wording "MERRY BESTIE" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

247. Tattoo Flash Christmas • TEXT: CHRISTMAS TIME

Create an original Christmas merchandise illustration featuring evergreen branch bundle with berries, bells and ribbon. Render it in a Tattoo Flash Christmas direction: traditional tattoo-flash-inspired holiday icons with bold black contour, limited color and compact composition. Use a controlled palette of #D84A35, #E9DDBF, #2C6543, #D3A43B, #171717. Add the exact wording "CHRISTMAS TIME" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

248. Disco Christmas • TEXT: JINGLE BABE

Create an original Christmas merchandise illustration featuring three stylized fir trees arranged like a Christmas tree farm badge. Render it in a Disco Christmas direction: 1970s disco holiday graphic with mirror-ball facets, groovy waves, stars and energetic festive silhouettes. Use a controlled palette of #D946EF, #F2E2C8, #D7353A, #2F7547, #E0C54A. Add the exact wording "JINGLE BABE" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

CHRISTMAS PROMPTS 249-250

249. Minimal Christmas • TEXT: CHRISTMAS MAGIC

Create an original Christmas merchandise illustration featuring stacked Christmas cookies with icing and candy details. Render it in a Minimal Christmas direction: clean minimalist Christmas line art with strong negative space and precise geometric balance. Use a controlled palette of #B9272D, #F7F5EF, #2F6844, #C7B59A, #343434. Add the exact wording "CHRISTMAS MAGIC" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.

250. Preppy Christmas • TEXT: CHRISTMAS SPIRIT

Create an original Christmas merchandise illustration featuring oversized satin bow wrapped around two candy canes with tiny stars. Render it in a Preppy Christmas direction: preppy heritage Christmas aesthetic with stripes, shields, bows, stars and clean seasonal geometry. Use a controlled palette of #284B3C, #F2E5C8, #A52F3A, #23395B, #C5A24A. Add the exact wording "CHRISTMAS SPIRIT" once, spelled exactly as written. Make the lettering a major part of the composition, using bold, highly legible, merchandise-ready typography that matches the art direction. Do not add any other words or filler letters. Keep one clear hero subject, strong thumbnail readability, crisp print-friendly separation, balanced negative space, and a centered isolated composition. Transparent background. No brand names, logos, copyrighted characters, celebrity likenesses, branded products, product mockup, garment, rectangular backdrop, or watermark. Keep all Christmas imagery generic and original.
