001 • HUNTING HUMOR

Create an original, high-impact hunting and grilling merchandise graphic built around the exact readable phrase "HUNT HARD GRILL HARDER". **CONCEPT:** deer-camp chaos, exaggerated hunter confidence, muddy boots, thermos coffee and ridiculous tall tales. **HERO ART:** a rack of ribs presented like a hunting trophy with camp badges, flames and smoke. Add one small visual joke or collectible camp detail that rewards a second look. **STYLE:** retro comic cover with speed lines, halftone bursts and melodramatic outdoor action. **COMPOSITION:** Create a dense camp-table collage around one clean central phrase; tools and food may overlap each other but never obscure lettering. **PALETTE** - Hot Grill Summer: #FF5A36, #FFB000, #151515, #F7E8D0, #B63A2B. Use 4-5 dominant colors plus transparent negative space. **DETAIL DIRECTION:** Use believable outdoors and cooking details: anatomically convincing game animals where shown, sensible bow/gear relationships, recognizable grilling tools, realistic food texture, purposeful smoke direction and clean silhouettes. Favor oversized expressions, bold contrast and across-the-room readability. **TEXT RULE:** Render only "HUNT HARD GRILL HARDER". Every letter must be fully readable and correctly spelled; no filler copy, fake brands or pseudo-writing. Transparent background, isolated artwork only. No rectangular scenery, mockup, garment, human model, copyrighted character, celebrity likeness, real brand/outfitter/team logo, watermark, pseudo-text or unintended letters. No gore, blood, wounds or graphic kill imagery.

002 • DEER CAMP

Create an original, high-impact hunting and grilling merchandise graphic built around the exact readable phrase "BUCKS & BRISKET". **CONCEPT:** whitetail bucks, tree stands, trail cameras, camp chairs, frosty mornings and cabin nonsense. **HERO ART:** a turkey call, antler shed, meat thermometer and barbecue tongs arranged like prized collectibles. Add one small visual joke or collectible camp detail that rewards a second look. **STYLE:** woodcut-meets-punk-poster illustration with carved line texture and rough distressed edges. **COMPOSITION:** Use a vertical totem: phrase, antlers or grill icon, hero subject, crossed tools, smoke curls, then a tiny footer ornament. **PALETTE** - Pink Hunt Club: #F27CA7, #F7B7C9, #6D7B54, #FFF0DA, #3B3040. Use 4-5 dominant colors plus transparent negative space. **DETAIL DIRECTION:** Use believable outdoors and cooking details: anatomically convincing game animals where shown, sensible bow/gear relationships, recognizable grilling tools, realistic food texture, purposeful smoke direction and clean silhouettes. Favor oversized expressions, bold contrast and across-the-room readability. **TEXT RULE:** Render only "BUCKS & BRISKET". Every letter must be fully readable and correctly spelled; no filler copy, fake brands or pseudo-writing. Transparent background, isolated artwork only. No rectangular scenery, mockup, garment, human model, copyrighted character, celebrity likeness, real brand/outfitter/team logo, watermark, pseudo-text or unintended letters. No gore, blood, wounds or graphic kill imagery.

003 • BOWHUNTING

Create an original, high-impact hunting and grilling merchandise graphic built around the exact readable phrase "SMOKE 'EM IF YOU GOT 'EM". **CONCEPT:** compound bows, arrows, target practice, quiet woods and obsessive precision. **HERO ART:** a wild turkey mascot sprinting away with a barbecue brush clenched in its beak. Add one small visual joke or collectible camp detail that rewards a second look. **STYLE:** old roadside smokehouse sign with hand-lettered type, faded enamel texture and oddball local-business charm. **COMPOSITION:** Arrange the design like a fake camp-event poster with oversized hero art, smoke, leaves and tiny decorative shapes only - no readable sponsor text. **PALETTE** - Smoker Steel: #2D3338, #777E84, #B64B32, #D7A44A, #F2E6CE. Use 4-5 dominant colors plus transparent negative space. **DETAIL DIRECTION:** Use believable outdoors and cooking details: anatomically convincing game animals where shown, sensible bow/gear relationships, recognizable grilling tools, realistic food texture, purposeful smoke direction and clean silhouettes. Favor oversized expressions, bold contrast and across-the-room readability. **TEXT RULE:** Render only "SMOKE 'EM IF YOU GOT 'EM". Every letter must be fully readable and correctly spelled; no filler copy, fake brands or pseudo-writing. Transparent background, isolated artwork only. No rectangular scenery, mockup, garment, human model, copyrighted character, celebrity likeness, real brand/outfitter/team logo, watermark, pseudo-text or unintended letters. No gore, blood, wounds or graphic kill imagery.

004 • DUCK HUNTING

Create an original, high-impact hunting and grilling merchandise graphic built around the exact readable phrase "DEER CAMP DINNER CLUB". **CONCEPT:** mallards, retrievers, decoys, waders, marsh grass, sunrise water and blind-side comedy. **HERO ART:** a vintage cooler overflowing with venison cuts, barbecue tools and camp snacks. Add one small visual joke or collectible camp detail that rewards a second look. **STYLE:** wild vintage tattoo flash with heavy contour, cream negative space and punchy spot color. **COMPOSITION:** Create a fake circular outdoors-club badge; let the subject break the inner frame for motion while keeping the outer silhouette merchandise-friendly. **PALETTE** - Tailgate Heat: #D7432F, #F2C14E, #254B59, #F5E7D0, #252525. Use 4-5 dominant colors plus transparent negative space. **DETAIL DIRECTION:** Use believable outdoors and cooking details: anatomically convincing game animals where shown, sensible bow/gear relationships, recognizable grilling tools, realistic food texture, purposeful smoke direction and clean silhouettes. Favor oversized expressions, bold contrast and across-the-room readability. **TEXT RULE:** Render only "DEER CAMP DINNER CLUB". Every letter must be fully readable and correctly spelled; no filler copy, fake brands or pseudo-writing. Transparent background, isolated artwork only. No rectangular scenery, mockup, garment, human model, copyrighted character, celebrity likeness, real brand/outfitter/team logo, watermark, pseudo-text or unintended letters. No gore, blood, wounds or graphic kill imagery.

005 • TURKEY HUNTING

Create an original, high-impact hunting and grilling merchandise graphic built around the exact readable phrase "GRILLIN' & CHILLIN'". **CONCEPT:** gobblers, calls, camouflage, spring woods and overconfident calling. **HERO ART:** a campfire grill grate loaded with burgers and wild-game steaks while raccoons plot a snack heist. Add one small visual joke or collectible camp detail that rewards a second look. **STYLE:** clean modern vector mascot art with exaggerated expression, thick contour and sticker-like readability. **COMPOSITION:** Use a giant central mascot occupying about 60% of the graphic, with the phrase wrapped tightly above and below like a novelty sticker. **PALETTE - Campfire Smoke:** #D96C32, #F2B84B, #263238, #F4E6C1, #6B3F2A. Use 4-5 dominant colors plus transparent negative space. **DETAIL DIRECTION:** Use believable outdoors and cooking details: anatomically convincing game animals where shown, sensible bow/gear relationships, recognizable grilling tools, realistic food texture, purposeful smoke direction and clean silhouettes. Favor oversized expressions, bold contrast and across-the-room readability. **TEXT RULE:** Render only "GRILLIN' & CHILLIN'". Every letter must be fully readable and correctly spelled; no filler copy, fake brands or pseudo-writing. Transparent background, isolated artwork only. No rectangular scenery, mockup, garment, human model, copyrighted character, celebrity likeness, real brand/outfitter/team logo, watermark, pseudo-text or unintended letters. No gore, blood, wounds or graphic kill imagery.

006 • ELK COUNTRY

Create an original, high-impact hunting and grilling merchandise graphic built around the exact readable phrase "BORN TO HUNT FORCED TO WORK". **CONCEPT:** bugling elk, mountain ridges, packs, binoculars and big-country adventure. **HERO ART:** a cartoon brisket wearing a camo cap and flexing tiny arms beside a smoker. Add one small visual joke or collectible camp detail that rewards a second look. **STYLE:** bold Western ranch graphic with rope lettering, tooled-leather motifs and camp-country swagger. **COMPOSITION:** Build a tall stacked composition with the phrase dominant and the hero art breaking through secondary shapes without covering letters. **PALETTE - Hot Grill Summer:** #FF5A36, #FFB000, #151515, #F7E8D0, #B63A2B. Use 4-5 dominant colors plus transparent negative space. **DETAIL DIRECTION:** Use believable outdoors and cooking details: anatomically convincing game animals where shown, sensible bow/gear relationships, recognizable grilling tools, realistic food texture, purposeful smoke direction and clean silhouettes. Favor oversized expressions, bold contrast and across-the-room readability. **TEXT RULE:** Render only "BORN TO HUNT FORCED TO WORK". Every letter must be fully readable and correctly spelled; no filler copy, fake brands or pseudo-writing. Transparent background, isolated artwork only. No rectangular scenery, mockup, garment, human model, copyrighted character, celebrity likeness, real brand/outfitter/team logo, watermark, pseudo-text or unintended letters. No gore, blood, wounds or graphic kill imagery.

007 • HUNTING DAD

Create an original, high-impact hunting and grilling merchandise graphic built around the exact readable phrase "VENISON IS MY LOVE LANGUAGE". **CONCEPT:** dad jokes, old gear, practical wisdom, snack stashes and absolute confidence. **HERO ART:** a sleepy dad in a folding chair guarding a smoker with binoculars like it is a trophy buck. Add one small visual joke or collectible camp detail that rewards a second look. **STYLE:** 90s hunting-camp T-shirt graphic with oversized mascot art, jagged action type and worn plastisol texture. **COMPOSITION:** Create a dense camp-table collage around one clean central phrase; tools and food may overlap each other but never obscure lettering. **PALETTE - Midnight Camp:** #111827, #294C3A, #D19A45, #E8DFC8, #7A3D2B. Use 4-5 dominant colors plus transparent negative space. **DETAIL DIRECTION:** Use believable outdoors and cooking details: anatomically convincing game animals where shown, sensible bow/gear relationships, recognizable grilling tools, realistic food texture, purposeful smoke direction and clean silhouettes. Favor oversized expressions, bold contrast and across-the-room readability. **TEXT RULE:** Render only "VENISON IS MY LOVE LANGUAGE". Every letter must be fully readable and correctly spelled; no filler copy, fake brands or pseudo-writing. Transparent background, isolated artwork only. No rectangular scenery, mockup, garment, human model, copyrighted character, celebrity likeness, real brand/outfitter/team logo, watermark, pseudo-text or unintended letters. No gore, blood, wounds or graphic kill imagery.

008 • HUNTING GRANDPA

Create an original, high-impact hunting and grilling merchandise graphic built around the exact readable phrase "MEAT ME AT THE GRILL". **CONCEPT:** old camp mugs, worn hats, vintage gear, stories and generational outdoors humor. **HERO ART:** a grizzled camp cook holding barbecue tongs like trophy antlers beside a cast-iron skillet. Add one small visual joke or collectible camp detail that rewards a second look. **STYLE:** mid-century sporting-goods advertisement with hand-painted illustration and awkward retro charm. **COMPOSITION:** Use a vertical totem: phrase, antlers or grill icon, hero subject, crossed tools, smoke curls, then a tiny footer ornament. **PALETTE - Venison Vintage:** #8B3A2E, #C57D3B, #556B2F, #E9D7B2, #2B2520. Use 4-5 dominant colors plus transparent negative space. **DETAIL DIRECTION:** Use believable outdoors and cooking details: anatomically convincing game animals where shown, sensible bow/gear relationships, recognizable grilling tools, realistic food texture, purposeful smoke direction and clean silhouettes. Favor oversized expressions, bold contrast and across-the-room readability. **TEXT RULE:** Render only "MEAT ME AT THE GRILL". Every letter must be fully readable and correctly spelled; no filler copy, fake brands or pseudo-writing. Transparent background, isolated artwork only. No rectangular scenery, mockup, garment, human model, copyrighted character, celebrity likeness, real brand/outfitter/team logo, watermark, pseudo-text or unintended letters. No gore, blood, wounds or graphic kill imagery.

009 • WOMEN WHO HUNT

Create an original, high-impact hunting and grilling merchandise graphic built around the exact readable phrase "JUST ONE MORE HUNT". **CONCEPT:** confident outdoors energy, boots, bows, antlers, retro accents and zero generic floral filler. **HERO ART:** a vintage cooler overflowing with venison cuts, barbecue tools and camp snacks. Add one small visual joke or collectible camp detail that rewards a second look. **STYLE:** vintage embroidered-patch illusion with simplified shapes, stitched borders and outdoors-club attitude. **COMPOSITION:** Arrange the design like a fake camp-event poster with oversized hero art, smoke, leaves and tiny decorative shapes only - no readable sponsor text. **PALETTE - Wild Game Neon:** #B7FF2A, #FF6B35, #162126, #34C6B3, #FFF1C7. Use 4-5 dominant colors plus transparent negative space. **DETAIL DIRECTION:** Use believable outdoors and cooking details: anatomically convincing game animals where shown, sensible bow/gear relationships, recognizable grilling tools, realistic food texture, purposeful smoke direction and clean silhouettes. Favor oversized expressions, bold contrast and across-the-room readability. **TEXT RULE:** Render only "JUST ONE MORE HUNT". Every letter must be fully readable and correctly spelled; no filler copy, fake brands or pseudo-writing. Transparent background, isolated artwork only. No rectangular scenery, mockup, garment, human model, copyrighted character, celebrity likeness, real brand/outfitter/team logo, watermark, pseudo-text or unintended letters. No gore, blood, wounds or graphic kill imagery.

010 • LITTLE HUNTERS

Create an original, high-impact hunting and grilling merchandise graphic built around the exact readable phrase "LICENSE TO GRILL". **CONCEPT:** cute woodland mascots, first-hunt excitement, binoculars, tracks and campfire fun. **HERO ART:** a campfire grill grate loaded with burgers and wild-game steaks while raccoons plot a snack heist. Add one small visual joke or collectible camp detail that rewards a second look. **STYLE:** 1970s outdoors-shop screen print with chunky ink, sun-faded halftones and imperfect registration. **COMPOSITION:** Create a fake circular outdoors-club badge; let the subject break the inner frame for motion while keeping the outer silhouette merchandise-friendly. **PALETTE - Backwoods Camo:** #5B6B3A, #2F3B24, #A58B5B, #D8C9A3, #1E211B. Use 4-5 dominant colors plus transparent negative space. **DETAIL DIRECTION:** Use believable outdoors and cooking details: anatomically convincing game animals where shown, sensible bow/gear relationships, recognizable grilling tools, realistic food texture, purposeful smoke direction and clean silhouettes. Favor oversized expressions, bold contrast and across-the-room readability. **TEXT RULE:** Render only "LICENSE TO GRILL". Every letter must be fully readable and correctly spelled; no filler copy, fake brands or pseudo-writing. Transparent background, isolated artwork only. No rectangular scenery, mockup, garment, human model, copyrighted character, celebrity likeness, real brand/outfitter/team logo, watermark, pseudo-text or unintended letters. No gore, blood, wounds or graphic kill imagery.

011 • WILD GAME COOK

Create an original, high-impact hunting and grilling merchandise graphic built around the exact readable phrase "BUCK AROUND & FIND OUT". **CONCEPT:** venison, cast iron, camp kitchens, butcher paper, herbs and backwoods chef swagger. **HERO ART:** a cartoon brisket wearing a camo cap and flexing tiny arms beside a smoker. Add one small visual joke or collectible camp detail that rewards a second look. **STYLE:** mid-century sporting-goods advertisement with hand-painted illustration and awkward retro charm. **COMPOSITION:** Use a giant central mascot occupying about 60% of the graphic, with the phrase wrapped tightly above and below like a novelty sticker. **PALETTE - Buck & Bourbon:** #6A3E2E, #C58B45, #24302B, #E8D7B6, #8A6B45. Favor oversized expressions, bold contrast and across-the-room readability. TEXT RULE: Render only "HUNTING BUDDIES & BBQ". Every letter must be fully readable and correctly spelled; no filler copy, fake brands or pseudo-writing. Transparent background, isolated artwork only. No rectangular scenery, mockup, garment, human model, copyrighted character, celebrity likeness, real brand/outfitter/team logo, watermark, pseudo-text or unintended letters. No gore, blood, wounds or graphic kill imagery.

046 • ELK COUNTRY

Create an original, high-impact hunting and grilling merchandise graphic built around the exact readable phrase "MY WEEKEND HAS ANTLERS". CONCEPT: bugling elk, mountain ridges, packs, binoculars and big-country adventure. HERO ART: a wild turkey mascot sprinting away with a barbecue brush clenched in its beak. Add one small visual joke or collectible camp detail that rewards a second look. STYLE: wild vintage tattoo flash with heavy contour, cream negative space and punchy spot color. COMPOSITION: Create a dense camp-table collage around one clean central phrase; tools and food may overlap each other but never obscure lettering. PALETTE - Tailgate Heat: #D7432F, #F2C14E, #254B59, #F5E7D0, #252525. Use 4-5 dominant colors plus transparent negative space. DETAIL DIRECTION: Use believable outdoors and cooking details: anatomically convincing game animals where shown, sensible bow/gear relationships, recognizable grilling tools, realistic food texture, purposeful smoke direction and clean silhouettes. Favor oversized expressions, bold contrast and across-the-room readability. TEXT RULE: Render only "MY WEEKEND HAS ANTLERS". Every letter must be fully readable and correctly spelled; no filler copy, fake brands or pseudo-writing. Transparent background, isolated artwork only. No rectangular scenery, mockup, garment, human model, copyrighted character, celebrity likeness, real brand/outfitter/team logo, watermark, pseudo-text or unintended letters. No gore, blood, wounds or graphic kill imagery.

047 • HUNTING DAD

Create an original, high-impact hunting and grilling merchandise graphic built around the exact readable phrase "MEAT SWEATS IN PROGRESS". **CONCEPT:** dad jokes, old gear, practical wisdom, snack stashes and absolute confidence. **HERO ART:** a vintage cooler overflowing with venison cuts, barbecue tools and camp snacks. Add one small visual joke or collectible camp detail that rewards a second look. **STYLE:** clean modern vector mascot art with exaggerated expression, thick contour and sticker-like readability. **COMPOSITION:** Use a vertical totem: phrase, antlers or grill icon, hero subject, crossed tools, smoke curls, then a tiny footer ornament. **PALETTE** - Campfire Smoke: #D96C32, #F2B84B, #263238, #F4E6C1, #6B3F2A. Use 4-5 dominant colors plus transparent negative space. **DETAIL DIRECTION:** Use believable outdoors and cooking details: anatomically convincing game animals where shown, sensible bow/gear relationships, recognizable grilling tools, realistic food texture, purposeful smoke direction and clean silhouettes. Favor oversized expressions, bold contrast and across-the-room readability. **TEXT RULE:** Render only "MEAT SWEATS IN PROGRESS". Every letter must be fully readable and correctly spelled; no filler copy, fake brands or pseudo-writing. Transparent background, isolated artwork only. No rectangular scenery, mockup, garment, human model, copyrighted character, celebrity likeness, real brand/outfitter/team logo, watermark, pseudo-text or unintended letters. No gore, blood, wounds or graphic kill imagery.

048 • HUNTING GRANDPA

Create an original, high-impact hunting and grilling merchandise graphic built around the exact readable phrase "GRILL MASTER IN TRAINING". **CONCEPT:** old camp mugs, worn hats, vintage gear, stories and generational outdoors humor. **HERO ART:** a campfire grill grate loaded with burgers and wild-game steaks while raccoons plot a snack heist. Add one small visual joke or collectible camp detail that rewards a second look. **STYLE:** bold Western ranch graphic with rope lettering, tooled-leather motifs and camp-country swagger. **COMPOSITION:** Arrange the design like a fake camp-event poster with oversized hero art, smoke, leaves and tiny decorative shapes only - no readable sponsor text. **PALETTE** - Hot Grill Summer: #FF5A36, #FFB000, #151515, #F7E8D0, #B63A2B. Use 4-5 dominant colors plus transparent negative space. **DETAIL DIRECTION:** Use believable outdoors and cooking details: anatomically convincing game animals where shown, sensible bow/gear relationships, recognizable grilling tools, realistic food texture, purposeful smoke direction and clean silhouettes. Favor oversized expressions, bold contrast and across-the-room readability. **TEXT RULE:** Render only "GRILL MASTER IN TRAINING". Every letter must be fully readable and correctly spelled; no filler copy, fake brands or pseudo-writing. Transparent background, isolated artwork only. No rectangular scenery, mockup, garment, human model, copyrighted character, celebrity likeness, real brand/outfitter/team logo, watermark, pseudo-text or unintended letters. No gore, blood, wounds or graphic kill imagery.

049 • WOMEN WHO HUNT

Create an original, high-impact hunting and grilling merchandise graphic built around the exact readable phrase "BOWS BEFORE CHORES". **CONCEPT:** confident outdoors energy, boots, bows, antlers, retro accents and zero generic floral filler. **HERO ART:** a cartoon brisket wearing a camo cap and flexing tiny arms beside a smoker. Add one small visual joke or collectible camp detail that rewards a second look. **STYLE:** 90s hunting-camp T-shirt graphic with oversized mascot art, jagged action type and worn plastisol texture. **COMPOSITION:** Create a fake circular outdoors-club badge; let the subject break the inner frame for motion while keeping the outer silhouette merchandise-friendly. **PALETTE - Midnight Camp:** #111827, #294C3A, #D19A45, #E8DFC8, #7A3D2B. Use 4-5 dominant colors plus transparent negative space. **DETAIL DIRECTION:** Use believable outdoors and cooking details: anatomically convincing game animals where shown, sensible bow/gear relationships, recognizable grilling tools, realistic food texture, purposeful smoke direction and clean silhouettes. Favor oversized expressions, bold contrast and across-the-room readability. **TEXT RULE:** Render only "BOWS BEFORE CHORES". Every letter must be fully readable and correctly spelled; no filler copy, fake brands or pseudo-writing. Transparent background, isolated artwork only. Create an original, high-impact hunting and grilling merchandise graphic built around the exact readable phrase "BRISKET BEFORE BUSINESS". **CONCEPT:** old camp mugs, worn hats, vintage gear, stories and generational outdoors humor. **HERO ART:** a flaming smash burger stacked beneath a stylized whitetail rack. Add one small visual joke or collectible camp detail that rewards a second look. **STYLE:** 1970s outdoors-shop screen print with chunky ink, sun-faded halftones and imperfect registration. **COMPOSITION:** Arrange the design like a fake camp-event poster with oversized hero art, smoke, leaves and tiny decorative shapes only - no readable sponsor text. **PALETTE - Midnight Camp:** #111827, #294C3A, #D19A45, #E8DFC8, #7A3D2B. Use 4-5 dominant colors plus transparent negative space. **DETAIL DIRECTION:** Use believable outdoors and cooking details: anatomically convincing game animals where shown, sensible bow/gear relationships, recognizable grilling tools, realistic food texture, purposeful smoke direction and clean silhouettes. Favor oversized expressions, bold contrast and across-the-room readability. **TEXT RULE:** Render only "BRISKET BEFORE BUSINESS". Every letter must be fully readable and correctly spelled; no filler copy, fake brands or pseudo-writing. Transparent background, isolated artwork only. No rectangular scenery, mockup, garment, human model, copyrighted character, celebrity likeness, real brand/outfitter/team logo, watermark, pseudo-text or unintended letters. No gore, blood, wounds or graphic kill imagery.

069 • WOMEN WHO HUNT

Create an original, high-impact hunting and grilling merchandise graphic built around the exact readable phrase "DEER SEASON IS MY HAPPY PLACE". **CONCEPT:** confident outdoors energy, boots, bows, antlers, retro accents and zero generic floral filler. **HERO ART:** a retriever proudly carrying an absurdly oversized grilling spatula through marsh grass. Add one small visual joke or collectible camp detail that rewards a second look. **STYLE:** retro comic cover with speed lines, halftone bursts and melodramatic outdoor action. **COMPOSITION:** Create a fake circular outdoors-club badge; let the subject break the inner frame for motion while keeping the outer silhouette merchandise-friendly. **PALETTE - Venison Vintage:** #8B3A2E, #C57D3B, #556B2F, #E9D7B2, #2B2520. Use 4-5 dominant colors plus transparent negative space. **DETAIL DIRECTION:** Use believable outdoors and cooking details: anatomically convincing game animals where shown, sensible bow/gear relationships, recognizable grilling tools, realistic food texture, purposeful smoke direction and clean silhouettes. Favor oversized expressions, bold contrast and across-the-room readability. **TEXT RULE:** Render only "DEER SEASON IS MY HAPPY PLACE". Every letter must be fully readable and correctly spelled; no filler copy, fake brands or pseudo-writing. Transparent background, isolated artwork only. Add one small visual joke or collectible camp detail that rewards a second look. **STYLE:** bold Western ranch graphic with rope lettering, tooled-leather motifs and camp-country swagger. **COMPOSITION:** Build a tall stacked composition with the phrase dominant and the hero art breaking through secondary shapes without covering letters. **PALETTE - Hot Grill Summer:** #FF5A36, #FFB000, #151515, #F7E8D0, #B63A2B. Use 4-5 dominant colors plus transparent negative space. **DETAIL DIRECTION:** Use believable outdoors and cooking details: anatomically convincing game animals where shown, sensible bow/gear relationships, recognizable grilling tools, realistic food texture, purposeful smoke direction and clean silhouettes. Favor oversized expressions, bold contrast and across-the-room readability. **TEXT RULE:** Render only "BUCK WILD & BBQ MILD". Every letter must be fully readable and correctly spelled; no filler copy, fake brands or pseudo-writing. Transparent background, isolated artwork only. No rectangular scenery, mockup, garment, human model, copyrighted character, celebrity likeness, real brand/outfitter/team logo, watermark, pseudo-text or unintended letters. No gore, blood, wounds or graphic kill imagery.

091 • WILD GAME COOK

Create an original, high-impact hunting and grilling merchandise graphic built around the exact readable phrase "CAMPFIRE CHEF". CONCEPT: venison, cast iron, camp kitchens, butcher paper, herbs and backwoods chef swagger. HERO ART: a campfire grill grate loaded with burgers and wild-game steaks while raccoons plot a snack heist. Add one small visual joke or collectible camp detail that rewards a second look. STYLE: 90s hunting-camp T-shirt graphic with oversized mascot art, jagged action type and worn plastisol texture. COMPOSITION: Build a tall stacked composition with the phrase dominant and the hero art breaking through secondary shapes without covering letters. PALETTE - Midnight Camp: #111827, #294C3A, #D19A45, #E8DFC8, #7A3D2B. Use 4-5 dominant colors plus transparent negative space. DETAIL DIRECTION: Use believable outdoors and cooking details: anatomically convincing game animals where shown, sensible bow/gear relationships, recognizable grilling tools, realistic food texture, purposeful smoke direction and clean silhouettes. Favor oversized expressions, bold contrast and across-the-room readability. TEXT RULE: Render only "CAMPFIRE CHEF". Every letter must be fully readable and correctly spelled; no filler copy, fake brands or pseudo-writing. Transparent background, isolated artwork only. No rectangular scenery, mockup, garment, human model, copyrighted character, celebrity likeness, real brand/outfitter/team logo, watermark, pseudo-text or unintended letters. No gore, blood, wounds or graphic kill imagery.

092 • GRILL MASTER

Create an original, high-impact hunting and grilling merchandise graphic built around the exact readable phrase "BRISKET IS MY CARDIO". CONCEPT: smoke, spatulas, tongs, burgers, ribs, steaks, aprons and backyard authority. HERO ART: a cartoon brisket wearing a camo cap and flexing tiny arms beside a smoker. Add one small visual joke or collectible camp detail that rewards a second look. STYLE: mid-century sporting-goods advertisement with hand-painted illustration and awkward retro charm. COMPOSITION: Create a dense camp-table collage around one clean central phrase; tools and food may overlap each other but never obscure lettering. PALETTE - Venison Vintage: #8B3A2E, #C57D3B, #556B2F, #E9D7B2, #2B2520. Use 4-5 dominant colors plus transparent negative space. DETAIL DIRECTION: Use believable outdoors and cooking details: anatomically convincing game animals where shown, sensible bow/gear relationships, recognizable grilling tools, realistic food texture, purposeful smoke direction and clean silhouettes. Favor oversized expressions, bold contrast and across-the-room readability. TEXT RULE: Render only "BRISKET IS MY CARDIO". Every letter must be fully readable and correctly spelled; no filler copy, fake brands or pseudo-writing. Transparent background, isolated artwork only. No rectangular scenery, mockup, garment, human model, copyrighted character, celebrity likeness, real brand/outfitter/team logo, watermark, pseudo-text or unintended letters. No gore, blood, wounds or graphic kill imagery.

093 • BBQ DAD

Create an original, high-impact hunting and grilling merchandise graphic built around the exact readable phrase "HUNTING SEASON SURVIVOR". CONCEPT: dad jokes, lawn chairs, meat thermometers, coolers and unnecessarily serious grill technique. HERO ART: a sleepy dad in a folding chair guarding a smoker with binoculars like it is a trophy buck. Add one small visual joke or collectible camp detail that rewards a second look. STYLE: vintage embroidered-patch illusion with simplified shapes, stitched borders and outdoors-club attitude. COMPOSITION: Use a vertical totem: phrase, antlers or grill icon, hero subject, crossed tools, smoke curls, then a tiny footer ornament. PALETTE - Wild Game Neon: #B7FF2A, #FF6B35, #162126, #34C6B3, #FFF1C7. Use 4-5 dominant colors plus transparent negative space. DETAIL DIRECTION: Use believable outdoors and cooking details: anatomically convincing game animals where shown, sensible bow/gear relationships, recognizable grilling tools, realistic food texture, purposeful smoke direction and clean silhouettes. Favor oversized expressions, bold contrast and across-the-room readability. TEXT RULE: Render only "HUNTING SEASON SURVIVOR". Every letter must be fully readable and correctly spelled; no filler copy, fake brands or pseudo-writing. Transparent background, isolated artwork only. No rectangular scenery, mockup, garment, human model, copyrighted character, celebrity likeness, real brand/outfitter/team logo, watermark, pseudo-text or unintended letters. No gore, blood, wounds or graphic kill imagery.

094 • SMOKER CLUB

Create an original, high-impact hunting and grilling merchandise graphic built around the exact readable phrase "I TURN MEAT INTO MEMORIES". CONCEPT: brisket bark, ribs, pulled pork, wood chunks, smoke rings and low-and-slow obsession. HERO ART: a grizzled camp cook holding barbecue tongs like trophy antlers beside a cast-iron skillet. Add one small visual joke or collectible camp detail that rewards a second look. STYLE: 1970s outdoors-shop screen print with chunky ink, sun-faded halftones and imperfect registration. COMPOSITION: Arrange the design like a fake camp-event poster with oversized hero art, smoke, leaves and tiny decorative shapes only - no readable sponsor text. PALETTE - Backwoods Camo: #5B6B3A, #2F3B24, #A58B5B, #D8C9A3, #1E211B. Use 4-5 dominant colors plus transparent negative space. DETAIL DIRECTION: Use believable outdoors and cooking details: anatomically convincing game animals where shown, sensible bow/gear relationships, recognizable grilling tools, realistic food texture, purposeful smoke direction and clean silhouettes. Favor oversized expressions, bold contrast and across-the-room readability. TEXT RULE: Render only "I TURN MEAT INTO MEMORIES". Every letter must be fully readable and correctly spelled; no filler copy, fake brands or pseudo-writing. Transparent background, isolated artwork only. No rectangular scenery, mockup, garment, human model, copyrighted character, celebrity likeness, real brand/outfitter/team logo, watermark, pseudo-text or unintended letters. No gore, blood, wounds or graphic kill imagery.

095 • TAILGATE COOKOUT

Create an original, high-impact hunting and grilling merchandise graphic built around the exact readable phrase "MARSH MORNINGS & BBQ EVENINGS". CONCEPT: portable grills, folding tables, coolers, game-day food and parking-lot chaos. HERO ART: a giant elk bugling over a mountain ridge while a tiny camp chef flips steaks in the foreground. Add one small visual joke or collectible camp detail that rewards a second look. STYLE: retro comic cover with speed lines, halftone bursts and melodramatic outdoor action. COMPOSITION: Create a fake circular outdoors-club badge; let the subject break the inner frame for motion while keeping the outer silhouette merchandise-friendly. PALETTE - Buck & Bourbon: #6A3E2E, #C58B45, #24302B, #E8D7B6, #8A6B45. Use 4-5 dominant colors plus transparent negative space. DETAIL DIRECTION: Use believable outdoors and cooking details: anatomically convincing game animals where shown, sensible bow/gear relationships, recognizable grilling tools, realistic food texture, purposeful smoke direction and clean silhouettes. Favor oversized expressions, bold contrast and across-the-room readability. TEXT RULE: Render only "MARSH MORNINGS & BBQ EVENINGS". Every letter must be fully readable and correctly spelled; no filler copy, fake brands or pseudo-writing. Transparent background, isolated artwork only. No rectangular scenery, mockup, garment, human model, copyrighted character, celebrity likeness, real brand/outfitter/team logo, watermark, pseudo-text or unintended letters. No gore, blood, wounds or graphic kill imagery.

096 • STEAK NIGHT

Create an original, high-impact hunting and grilling merchandise graphic built around the exact readable phrase "SMOKED TO PERFECTION". CONCEPT: cast iron, flame-kissed steaks, butter, garlic, pepper and steakhouse bravado. HERO ART: a friendly retro antler emblem with smoke curls and crossed grill tools. Add one small visual joke or collectible camp detail that rewards a second look. STYLE: woodcut-meets-punk-poster illustration with carved line texture and rough distressed edges. COMPOSITION: Use a giant central mascot occupying about 60% of the graphic, with the phrase wrapped tightly above and below like a novelty sticker. PALETTE - Midnight Camp: #111827, #294C3A, #D19A45, #E8DFC8, #7A3D2B. Use 4-5 dominant colors plus transparent negative space. DETAIL DIRECTION: Use believable outdoors and cooking details: anatomically convincing game animals where shown, sensible bow/gear relationships, recognizable grilling tools, realistic food texture, purposeful smoke direction and clean silhouettes. Favor oversized expressions, bold contrast and across-the-room readability. TEXT RULE: Render only "SMOKED TO PERFECTION". Every letter must be fully readable and correctly spelled; no filler copy, fake brands or pseudo-writing. Transparent background, isolated artwork only. No rectangular scenery, mockup, garment, human model, copyrighted character, celebrity likeness, real brand/outfitter/team logo, watermark, pseudo-text or unintended letters. No gore, blood, wounds or graphic kill imagery.

097 • BURGER CREW

Create an original, high-impact hunting and grilling merchandise graphic built around the exact readable phrase "HUNTING BUDDIES & BBQ". **CONCEPT:** smash burgers, cheese drips, griddles, pickles, fries and diner-style mascot energy. **HERO ART:** a compound bow and crossed grilling tools framed by antlers, smoke curls and pine sprigs. Add one small visual joke or collectible camp detail that rewards a second look. **STYLE:** old roadside smokehouse sign with hand-lettered type, faded enamel texture and oddball local-business charm. **COMPOSITION:** Build a tall stacked composition with the phrase dominant and the hero art breaking through secondary shapes without covering letters. **PALETTE - Venison Vintage:** #8B3A2E, #C57D3B, #556B2F, #E9D7B2, #2B2520. Use 4-5 dominant colors plus transparent negative space. **DETAIL DIRECTION:** Use believable outdoors and cooking details: anatomically convincing game animals where shown, sensible bow/gear relationships, recognizable grilling tools, realistic food texture, purposeful smoke direction and clean silhouettes. Favor oversized expressions, bold contrast and across-the-room readability. **TEXT RULE:** Render only "HUNTING BUDDIES & BBQ". Every letter must be fully readable and correctly spelled; no filler copy, fake brands or pseudo-writing. Transparent background, isolated artwork only. No rectangular scenery, mockup, garment, human model, copyrighted character, celebrity likeness, real brand/outfitter/team logo, watermark, pseudo-text or unintended letters. No gore, blood, wounds or graphic kill imagery.

098 • RIBS & BRISKET

Create an original, high-impact hunting and grilling merchandise graphic built around the exact readable phrase "MY WEEKEND HAS ANTLERS". **CONCEPT:** sticky ribs, brisket slices, butcher paper, smoke clouds and trophy-meat presentation. **HERO ART:** a buck and a brisket mascot standing back-to-back like an unlikely action-movie duo. Add one small visual joke or collectible camp detail that rewards a second look. **STYLE:** wild vintage tattoo flash with heavy contour, cream negative space and punchy spot color. **COMPOSITION:** Create a dense camp-table collage around one clean central phrase; tools and food may overlap each other but never obscure lettering. **PALETTE - Campfire Smoke:** #D96C32, #F2B84B, #263238, #F4E6C1, #6B3F2A. Use 4-5 dominant colors plus transparent negative space. **DETAIL DIRECTION:** Use believable outdoors and cooking details: anatomically convincing game animals where shown, sensible bow/gear relationships, recognizable grilling tools, realistic food texture, purposeful smoke direction and clean silhouettes. Favor oversized expressions, bold contrast and across-the-room readability. **TEXT RULE:** Render only "MY WEEKEND HAS ANTLERS". Every letter must be fully readable and correctly spelled; no filler copy, fake brands or pseudo-writing. Transparent background, isolated artwork only. No rectangular scenery, mockup, garment, human model, copyrighted character, celebrity likeness, real brand/outfitter/team logo, watermark, pseudo-text or unintended letters. No gore, blood, wounds or graphic kill imagery.

099 • CAMPFIRE COOKING

Create an original, high-impact hunting and grilling merchandise graphic built around the exact readable phrase "MEAT SWEATS IN PROGRESS". **CONCEPT:** cast iron skillets, flames, enamel mugs, foil packets and rustic campsite food. **HERO ART:** a grizzled camp cook holding barbecue tongs like trophy antlers beside a cast-iron skillet. Add one small visual joke or collectible camp detail that rewards a second look. **STYLE:** woodcut-meets-punk-poster illustration with carved line texture and rough distressed edges. **COMPOSITION:** Use a vertical totem: phrase, antlers or grill icon, hero subject, crossed tools, smoke curls, then a tiny footer ornament. **PALETTE - Hot Grill Summer:** #FF5A36, #FFB000, #151515, #F7E8D0, #B63A2B. Use 4-5 dominant colors plus transparent negative space. **DETAIL DIRECTION:** Use believable outdoors and cooking details: anatomically convincing game animals where shown, sensible bow/gear relationships, recognizable grilling tools, realistic food texture, purposeful smoke direction and clean silhouettes. Favor oversized expressions, bold contrast and across-the-room readability. **TEXT RULE:** Render only "MEAT SWEATS IN PROGRESS". Every letter must be fully readable and correctly spelled; no filler copy, fake brands or pseudo-writing. Transparent background, isolated artwork only. No rectangular scenery, mockup, garment, human model, copyrighted character, celebrity likeness, real brand/outfitter/team logo, watermark, pseudo-text or unintended letters. No gore, blood, wounds or graphic kill imagery.

100 • HUNT + GRILL

Create an original, high-impact hunting and grilling merchandise graphic built around the exact readable phrase "GRILL MASTER IN TRAINING". **CONCEPT:** field-to-fire pride, antlers, camp grills, wild game, smoke and outdoors tradition. **HERO ART:** a giant elk bugling over a mountain ridge while a tiny camp chef flips steaks in the foreground. Add one small visual joke or collectible camp detail that rewards a second look. **STYLE:** old roadside smokehouse sign with hand-lettered type, faded enamel texture and oddball local-business charm. **COMPOSITION:** Arrange the design like a fake camp-event poster with oversized hero art, smoke, leaves and tiny decorative shapes only - no readable sponsor text. **PALETTE - Pink Hunt Club:** #F27CA7, #F7B7C9, #6D7B54, #FFF0DA, #3B3040. Use 4-5 dominant colors plus transparent negative space. **DETAIL DIRECTION:** Use believable outdoors and cooking details: anatomically convincing game animals where shown, sensible bow/gear relationships, recognizable grilling tools, realistic food texture, purposeful smoke direction and clean silhouettes. No rectangular scenery, mockup, garment, human model, copyrighted character, celebrity likeness, real brand/outfitter/team logo, watermark, pseudo-text or unintended letters. No gore, blood, wounds or graphic kill imagery.

113 • BBQ DAD

Create an original, high-impact hunting and grilling merchandise graphic built around the exact readable phrase "JUST ONE MORE HUNT". **CONCEPT:** dad jokes, lawn chairs, meat thermometers, coolers and unnecessarily serious grill technique. **HERO ART:** a cast-iron skillet filled with sizzling wild-game steak, garlic and herbs beneath a bold antler crest. Add one small visual joke or collectible camp detail that rewards a second look. **STYLE:** old roadside smokehouse sign with hand-lettered type, faded enamel texture and oddball local-business charm. **COMPOSITION:** Arrange the design like a fake camp-event poster with oversized hero art, smoke, leaves and tiny decorative shapes only - no readable sponsor text. **PALETTE - Hot Grill Summer:** #FF5A36, #FFB000, #151515, #F7E8D0, #B63A2B. Use 4-5 dominant colors plus transparent negative space. **DETAIL DIRECTION:** Use believable outdoors and cooking details: anatomically convincing game animals where shown, sensible bow/gear relationships, recognizable grilling tools, realistic food texture, purposeful smoke direction and clean silhouettes. Favor oversized expressions, bold contrast and across-the-room readability. **TEXT RULE:** Render only "JUST ONE MORE HUNT". Every letter must be fully readable and correctly spelled; no filler copy, fake brands or pseudo-writing. Transparent background, isolated artwork only. No rectangular scenery, mockup, garment, human model, copyrighted character, celebrity likeness, real brand/outfitter/team logo, watermark, pseudo-text or unintended letters. No gore, blood, wounds or graphic kill imagery.

114 • SMOKER CLUB

Create an original, high-impact hunting and grilling merchandise graphic built around the exact readable phrase "LICENSE TO GRILL". **CONCEPT:** brisket bark, ribs, pulled pork, wood chunks, smoke rings and low-and-slow obsession. **HERO ART:** a massive whitetail buck bursting through a distressed retro sunset with leaves and track marks flying. Add one small visual joke or collectible camp detail that rewards a second look. **STYLE:** wild vintage tattoo flash with heavy contour, cream negative space and punchy spot color. **COMPOSITION:** Create a fake circular outdoors-club badge; let the subject break the inner frame for motion while keeping the outer silhouette merchandise-friendly. **PALETTE - Pink Hunt Club:** #F27CA7, #F7B7C9, #6D7B54, #FFF0DA, #3B3040. Use 4-5 dominant colors plus transparent negative space. **DETAIL DIRECTION:** Use believable outdoors and cooking details: anatomically convincing game animals where shown, sensible bow/gear relationships, recognizable grilling tools, realistic food texture, purposeful smoke direction and clean silhouettes. Favor oversized expressions, bold contrast and across-the-room readability. **TEXT RULE:** Render only "LICENSE TO GRILL". Every letter must be fully readable and correctly spelled; no filler copy, fake brands or pseudo-writing. Transparent background, isolated artwork only. No rectangular scenery, mockup, garment, human model, copyrighted character, celebrity likeness, real brand/outfitter/team logo, watermark, pseudo-text or unintended letters. 135 • TAILGATE COOKOUT

Create an original, high-impact hunting and grilling merchandise graphic built around the exact readable phrase "THE GRILL IS CALLING". **CONCEPT:** portable grills, folding tables, coolers, game-day food and parking-lot chaos. **HERO ART:** a cartoon brisket wearing a camo cap and flexing tiny arms beside a smoker. Add one small visual joke or collectible camp detail that rewards a second look. **STYLE:** vintage embroidered-patch illusion with simplified shapes, stitched borders and outdoors-club attitude. **COMPOSITION:** Use a giant central mascot occupying about 60% of the graphic, with the phrase wrapped tightly above and below like a novelty sticker. **PALETTE - Wild Game Neon:** #B7FF2A, #FF6B35, #162126, #34C6B3, #FFF1C7. Use 4-5 dominant colors plus transparent negative space. **DETAIL DIRECTION:** Use believable outdoors and cooking details: anatomically convincing game animals where shown, sensible bow/gear relationships, recognizable grilling tools, realistic food texture, purposeful smoke direction and clean silhouettes. Favor oversized expressions, bold contrast and across-the-room readability. **TEXT RULE:** Render only "THE GRILL IS CALLING". Every letter must be fully readable and correctly spelled; no filler copy, fake brands or pseudo-writing. Transparent background, isolated artwork only. No rectangular scenery, mockup, garment, human model, copyrighted character, celebrity likeness, real brand/outfitter/team logo, watermark, pseudo-text or unintended letters. No gore, blood, wounds or graphic kill imagery.

136 • STEAK NIGHT

Create an original, high-impact hunting and grilling merchandise graphic built around the exact readable phrase "I CAME. I SAW. I OVERCOOKED IT.". **CONCEPT:** cast iron, flame-kissed steaks, butter, garlic, pepper and steakhouse bravado. **HERO ART:** a sleepy dad in a folding chair guarding a smoker with binoculars like it is a trophy buck. Add one small visual joke or collectible camp detail that rewards a second look. **STYLE:** 1970s outdoors-shop screen print with chunky ink, sun-faded halftones and imperfect registration. **COMPOSITION:** Build a tall stacked composition with the phrase dominant and the hero art breaking through secondary shapes without covering letters. **PALETTE - Backwoods Camo:** #5B6B3A, #2F3B24, #A58B5B, #D8C9A3, #1E211B. Use 4-5 dominant colors plus transparent negative space. **DETAIL DIRECTION:** Use believable outdoors and cooking details: anatomically convincing game animals where shown, sensible bow/gear relationships, recognizable grilling tools, realistic food texture, purposeful smoke direction and clean silhouettes. Favor oversized expressions, bold contrast and across-the-room readability. **TEXT RULE:** Render only "I CAME. I SAW. I OVERCOOKED IT.". Every letter must be fully readable and correctly spelled; no filler copy, fake brands or pseudo-writing. Transparent background, isolated artwork only. No rectangular scenery, mockup, garment, human model, copyrighted character, celebrity likeness, real brand/outfitter/team logo, watermark, pseudo-text or unintended letters. No gore, blood, wounds or graphic kill imagery.

137 • BURGER CREW

Create an original, high-impact hunting and grilling merchandise graphic built around the exact readable phrase "RACKS & RIBS". **CONCEPT:** smash burgers, cheese drips, griddles, pickles, fries and diner-style mascot energy. **HERO ART:** a grizzled camp cook holding barbecue tongs like trophy antlers beside a cast-iron skillet. Add one small visual joke or collectible camp detail that rewards a second look. **STYLE:** retro comic cover with speed lines, halftone bursts and melodramatic outdoor action. **COMPOSITION:** Create a dense camp-table collage around one clean central phrase; tools and food may overlap each other but never obscure lettering. **PALETTE** - Buck & Bourbon: #6A3E2E, #C58B45, #24302B, #E8D7B6, #8A6B45. Use 4-5 dominant colors plus transparent negative space. **DETAIL DIRECTION:** Use believable outdoors and cooking details: anatomically convincing game animals where shown, sensible bow/gear relationships, recognizable grilling tools, realistic food texture, purposeful smoke direction and clean silhouettes. Favor oversized expressions, bold contrast and across-the-room readability. **TEXT RULE:** Render only "RACKS & RIBS". Every letter must be fully readable and correctly spelled; no filler copy, fake brands or pseudo-writing. Transparent background, isolated artwork only. Add one small visual joke or collectible camp detail that rewards a second look. **STYLE:** clean modern vector mascot art with exaggerated expression, thick contour and sticker-like readability. **COMPOSITION:** Create a dense camp-table collage around one clean central phrase; tools and food may overlap each other but never obscure lettering. **PALETTE - Smoker Steel:** #2D3338, #777E84, #B64B32, #D7A44A, #F2E6CE. Use 4-5 dominant colors plus transparent negative space. **DETAIL DIRECTION:** Use believable outdoors and cooking details: anatomically convincing game animals where shown, sensible bow/gear relationships, recognizable grilling tools, realistic food texture, purposeful smoke direction and clean silhouettes. Favor oversized expressions, bold contrast and across-the-room readability. **TEXT RULE:** Render only "HUNT HARD GRILL HARDER". Every letter must be fully readable and correctly spelled; no filler copy, fake brands or pseudo-writing. Transparent background, isolated artwork only. No rectangular scenery, mockup, garment, human model, copyrighted character, celebrity likeness, real brand/outfitter/team logo, watermark, pseudo-text or unintended letters. No gore, blood, wounds or graphic kill imagery.

158 • RIBS & BRISKET

Create an original, high-impact hunting and grilling merchandise graphic built around the exact readable phrase "BUCKS & BRISKET". **CONCEPT:** sticky ribs, brisket slices, butcher paper, smoke clouds and trophy-meat presentation. **HERO ART:** a rack of ribs presented like a hunting trophy with camp badges, flames and smoke. Add one small visual joke or collectible camp detail that rewards a second look. **STYLE:** bold Western ranch graphic with rope lettering, tooled-leather motifs and camp-country swagger. **COMPOSITION:** Use a vertical totem: phrase, antlers or grill icon, hero subject, crossed tools, smoke curls, then a tiny footer ornament. **PALETTE - Tailgate Heat:** #D7432F, #F2C14E, #254B59, #F5E7D0, #252525. Use 4-5 dominant colors plus transparent negative space. **DETAIL DIRECTION:** Use believable outdoors and cooking details: anatomically convincing game animals where shown, sensible bow/gear relationships, recognizable grilling tools, realistic food texture, purposeful smoke direction and clean silhouettes. Favor oversized expressions, bold contrast and across-the-room readability. **TEXT RULE:** Render only "BUCKS & BRISKET". Every letter must be fully readable and correctly spelled; no filler copy, fake brands or pseudo-writing. Transparent background, isolated artwork only. No rectangular scenery, mockup, garment, human model, copyrighted character, celebrity likeness, real brand/outfitter/team logo, watermark, pseudo-text or unintended letters. No gore, blood, wounds or graphic kill imagery.

159 • CAMPFIRE COOKING

Create an original, high-impact hunting and grilling merchandise graphic built around the exact readable phrase "SMOKE 'EM IF YOU GOT 'EM". CONCEPT: cast iron skillets, flames, enamel mugs, foil packets and rustic campsite food. HERO ART: a turkey call, antler shed, meat thermometer and barbecue tongs arranged like prized collectibles. Add one small visual joke or collectible camp detail that rewards a second look. STYLE: 90s hunting-camp T-shirt graphic with oversized mascot art, jagged action type and worn plastisol texture. COMPOSITION: Arrange the design like a fake camp-event poster with oversized hero art, smoke, leaves and tiny decorative shapes only - no readable sponsor text. PALETTE - Campfire Smoke: #D96C32, #F2B84B, #263238, #F4E6C1, #6B3F2A. Use 4-5 dominant colors plus transparent negative space. DETAIL DIRECTION: Use believable outdoors and cooking details: anatomically convincing game animals where shown, sensible bow/gear relationships, recognizable grilling tools, realistic food texture, purposeful smoke direction and clean silhouettes. Favor oversized expressions, bold contrast and across-the-room readability. TEXT RULE: Render only "SMOKE 'EM IF YOU GOT 'EM". Every letter must be fully readable and correctly spelled; no filler copy, fake brands or pseudo-writing. Transparent background, isolated artwork only. No rectangular scenery, mockup, garment, human model, copyrighted character, celebrity likeness, real brand/outfitter/team logo, watermark, pseudo-text or unintended letters. No gore, blood, wounds or graphic kill imagery.

160 • HUNT + GRILL

Create an original, high-impact hunting and grilling merchandise graphic built around the exact readable phrase "DEER CAMP DINNER CLUB". CONCEPT: field-to-fire pride, antlers, camp grills, wild game, smoke and outdoors tradition. HERO ART: a wild turkey mascot sprinting away with a barbecue brush clenched in its beak. Add one small visual joke or collectible camp detail that rewards a second look. STYLE: mid-century sporting-goods advertisement with hand-painted illustration and awkward retro charm. COMPOSITION: Create a fake circular outdoors-club badge; let the subject break the inner frame for motion while keeping the outer silhouette merchandise-friendly. PALETTE - Hot Grill Summer: #FF5A36, #FFB000, #151515, #F7E8D0, #B63A2B. Use 4-5 dominant colors plus transparent negative space. DETAIL DIRECTION: Use believable outdoors and cooking details: anatomically convincing game animals where shown, sensible bow/gear relationships, recognizable grilling tools, realistic food texture, purposeful smoke direction and clean silhouettes. Favor oversized expressions, bold contrast and across-the-room readability. TEXT RULE: Render only "DEER CAMP DINNER CLUB". Every letter must be fully readable and correctly spelled; no filler copy, fake brands or pseudo-writing. Transparent background, isolated artwork only. No rectangular scenery, mockup, garment, human model, copyrighted character, celebrity likeness, real brand/outfitter/team logo, watermark, pseudo-text or unintended letters. No gore, blood, wounds or graphic kill imagery.

161 • HUNTING HUMOR

Create an original, high-impact hunting and grilling merchandise graphic built around the exact readable phrase "GRILLIN' & CHILLIN'". **CONCEPT:** deer-camp chaos, exaggerated hunter confidence, muddy boots, thermos coffee and ridiculous tall tales. **HERO ART:** a vintage cooler overflowing with venison cuts, barbecue tools and camp snacks. Add one small visual joke or collectible camp detail that rewards a second look. **STYLE:** vintage embroidered-patch illusion with simplified shapes, stitched borders and outdoors-club attitude. **COMPOSITION:** Use a giant central mascot occupying about 60% of the graphic, with the phrase wrapped tightly above and below like a novelty sticker. **PALETTE - Midnight Camp:** #111827, #294C3A, #D19A45, #E8DFC8, #7A3D2B. Use 4-5 dominant colors plus transparent negative space. **DETAIL DIRECTION:** Use believable outdoors and cooking details: anatomically convincing game animals where shown, sensible bow/gear relationships, recognizable grilling tools, realistic food texture, purposeful smoke direction and clean silhouettes. Favor oversized expressions, bold contrast and across-the-room readability. **TEXT RULE:** Render only "GRILLIN' & CHILLIN'". Every letter must be fully readable and correctly spelled; no filler copy, fake brands or pseudo-writing. Transparent background, isolated artwork only. No rectangular scenery, mockup, garment, human model, copyrighted character, celebrity likeness, real brand/outfitter/team logo, watermark, pseudo-text or unintended letters. No gore, blood, wounds or graphic kill imagery.

180 • HUNT + GRILL

Create an original, high-impact hunting and grilling merchandise graphic built around the exact readable phrase "RARELY WRONG, ALWAYS HUNGRY". CONCEPT: field-to-fire pride, antlers, camp grills, wild game, smoke and outdoors tradition. HERO ART: a grizzled camp cook holding barbecue tongs like trophy antlers beside a cast-iron skillet. Add one small visual joke or collectible camp detail that rewards a second look. STYLE: woodcut-meets-punk-poster illustration with carved line texture and rough distressed edges. COMPOSITION: Use a giant central mascot occupying about 60% of the graphic, with the phrase wrapped tightly above and below like a novelty sticker. PALETTE - Midnight Camp: #111827, #294C3A, #D19A45, #E8DFC8, #7A3D2B. Use 4-5 dominant colors plus transparent negative space. DETAIL DIRECTION: Use believable outdoors and cooking details: anatomically convincing game animals where shown, sensible bow/gear relationships, recognizable grilling tools, realistic food texture, purposeful smoke direction and clean silhouettes. Favor oversized expressions, bold contrast and across-the-room readability. TEXT RULE: Render only "RARELY WRONG, ALWAYS HUNGRY". Every letter must be fully readable and correctly spelled; no filler copy, fake brands or pseudo-writing. Transparent background, isolated artwork only. No rectangular scenery, mockup, garment, human model, copyrighted character, celebrity likeness, real brand/outfitter/team logo, watermark, pseudo-text or unintended letters. No gore, blood, wounds or graphic kill imagery.

181 • HUNTING HUMOR

Create an original, high-impact hunting and grilling merchandise graphic built around the exact readable phrase "TREE STAND LEGEND". **CONCEPT:** deer-camp chaos, exaggerated hunter confidence, muddy boots, thermos coffee and ridiculous tall tales. **HERO ART:** a giant elk bugling over a mountain ridge while a tiny camp chef flips steaks in the foreground. Add one small visual joke or collectible camp detail that rewards a second look. **STYLE:** old roadside smokehouse sign with hand-lettered type, faded enamel texture and oddball local-business charm. **COMPOSITION:** Build a tall stacked composition with the phrase dominant and the hero art breaking through secondary shapes without covering letters. **PALETTE - Venison Vintage:** #8B3A2E, #C57D3B, #556B2F, #E9D7B2, #2B2520. Use 4-5 dominant colors plus transparent negative space. **DETAIL DIRECTION:** Use believable outdoors and cooking details: anatomically convincing game animals where shown, sensible bow/gear relationships, recognizable grilling tools, realistic food texture, purposeful smoke direction and clean silhouettes. STYLE: mid-century sporting-goods advertisement with hand-painted illustration and awkward retro charm. COMPOSITION: Create a dense camp-table collage around one clean central phrase; tools and food may overlap each other but never obscure lettering. PALETTE - Hot Grill Summer: #FF5A36, #FFB000, #151515, #F7E8D0, #B63A2B. Use 4-5 dominant colors plus transparent negative space. DETAIL DIRECTION: Use believable outdoors and cooking details: anatomically convincing game animals where shown, sensible bow/gear relationships, recognizable grilling tools, realistic food texture, purposeful smoke direction and clean silhouettes. Favor oversized expressions, bold contrast and across-the-room readability. TEXT RULE: Render only "MY WEEKEND HAS ANTLERS". Every letter must be fully readable and correctly spelled; no filler copy, fake brands or pseudo-writing. Transparent background, isolated artwork only. No rectangular scenery, mockup, garment, human model, copyrighted character, celebrity likeness, real brand/outfitter/team logo, watermark, pseudo-text or unintended letters. No gore, blood, wounds or graphic kill imagery.

203 • BOWHUNTING

Create an original, high-impact hunting and grilling merchandise graphic built around the exact readable phrase "MEAT SWEATS IN PROGRESS". **CONCEPT:** compound bows, arrows, target practice, quiet woods and obsessive precision. **HERO ART:** a wild turkey mascot sprinting away with a barbecue brush clenched in its beak. Add one small visual joke or collectible camp detail that rewards a second look. **STYLE:** vintage embroidered-patch illusion with simplified shapes, stitched borders and outdoors-club attitude. **COMPOSITION:** Use a vertical totem: phrase, antlers or grill icon, hero subject, crossed tools, smoke curls, then a tiny footer ornament. **PALETTE** - Midnight Camp: #111827, #294C3A, #D19A45, #E8DFC8, #7A3D2B. Use 4-5 dominant colors plus transparent negative space. **DETAIL DIRECTION:** Use believable outdoors and cooking details: anatomically convincing game animals where shown, sensible bow/gear relationships, recognizable grilling tools, realistic food texture, purposeful smoke direction and clean silhouettes. Favor oversized expressions, bold contrast and across-the-room readability. **TEXT RULE:** Render only "MEAT SWEATS IN PROGRESS". Every letter must be fully readable and correctly spelled; no filler copy, fake brands or pseudo-writing. Transparent background, isolated artwork only. No rectangular scenery, mockup, garment, human model, copyrighted character, celebrity likeness, real brand/outfitter/team logo, watermark, pseudo-text or unintended letters. No gore, blood, wounds or graphic kill imagery.

204 • DUCK HUNTING

Create an original, high-impact hunting and grilling merchandise graphic built around the exact readable phrase "GRILL MASTER IN TRAINING". **CONCEPT:** mallards, retrievers, decoys, waders, marsh grass, sunrise water and blind-side comedy. **HERO ART:** a vintage cooler overflowing with venison cuts, barbecue tools and camp snacks. Add one small visual joke or collectible camp detail that rewards a second look. **STYLE:** 1970s outdoors-shop screen print with chunky ink, sun-faded halftones and imperfect registration. **COMPOSITION:** Arrange the design like a fake camp-event poster with oversized hero art, smoke, leaves and tiny decorative shapes only - no readable sponsor text. **PALETTE** - Venison Vintage: #8B3A2E, #C57D3B, #556B2F, #E9D7B2, #2B2520. Use 4-5 dominant colors plus transparent negative space. **DETAIL DIRECTION:** Use believable outdoors and cooking details: anatomically convincing game animals where shown, sensible bow/gear relationships, recognizable grilling tools, realistic food texture, purposeful smoke direction and clean silhouettes. Favor oversized expressions, bold contrast and across-the-room readability. **TEXT RULE:** Render only "GRILL MASTER IN TRAINING". Every letter must be fully readable and correctly spelled; no filler copy, fake brands or pseudo-writing. Transparent background, isolated artwork only. No rectangular scenery, mockup, garment, human model, copyrighted character, celebrity likeness, real brand/outfitter/team logo, watermark, pseudo-text or unintended letters. No gore, blood, wounds or graphic kill imagery.

205 • TURKEY HUNTING

Create an original, high-impact hunting and grilling merchandise graphic built around the exact readable phrase "BOWS BEFORE CHORES". **CONCEPT:** gobblers, calls, camouflage, spring woods and overconfident calling. **HERO ART:** a campfire grill grate loaded with burgers and wild-game steaks while raccoons plot a snack heist. Add one small visual joke or collectible camp detail that rewards a second look. **STYLE:** retro comic cover with speed lines, halftone bursts and melodramatic outdoor action. **COMPOSITION:** Create a fake circular outdoors-club badge; let the subject break the inner frame for motion while keeping the outer silhouette merchandise-friendly. **PALETTE - Wild Game Neon:** #B7FF2A, #FF6B35, #162126, #34C6B3, #FFF1C7. Use 4-5 dominant colors plus transparent negative space. **DETAIL DIRECTION:** Use believable outdoors and cooking details: anatomically convincing game animals where shown, sensible bow/gear relationships, recognizable grilling tools, realistic food texture, purposeful smoke direction and clean silhouettes. Favor oversized expressions, bold contrast and across-the-room readability. **TEXT RULE:** Render only "BOWS BEFORE CHORES". Every letter must be fully readable and correctly spelled; no filler copy, fake brands or pseudo-writing. Transparent background, isolated artwork only. No rectangular scenery, mockup, garment, human model, copyrighted character, celebrity likeness, real brand/outfitter/team logo, watermark, pseudo-text or unintended letters. No gore, blood, wounds or graphic kill imagery.

206 • ELK COUNTRY

Create an original, high-impact hunting and grilling merchandise graphic built around the exact readable phrase "DECOYS & DINNER". **CONCEPT:** bugling elk, mountain ridges, packs, binoculars and big-country adventure. **HERO ART:** a cartoon brisket wearing a camo cap and flexing tiny arms beside a smoker. Add one small visual joke or collectible camp detail that rewards a second look. **STYLE:** woodcut-meets-punk-poster illustration with carved line texture and rough distressed edges. **COMPOSITION:** Use a giant central mascot occupying about 60% of the graphic, with the phrase wrapped tightly above and below like a novelty sticker. **PALETTE - Backwoods Camo:** #5B6B3A, #2F3B24, #A58B5B, #D8C9A3, #1E211B. Use 4-5 dominant colors plus transparent negative space. **DETAIL DIRECTION:** Use believable outdoors and cooking details: anatomically convincing game animals where shown, sensible bow/gear relationships, recognizable grilling tools, realistic food texture, purposeful smoke direction and clean silhouettes. Favor oversized expressions, bold contrast and across-the-room readability. **TEXT RULE:** Render only "DECOYS & DINNER". Every letter must be fully readable and correctly spelled; no filler copy, fake brands or pseudo-writing. Transparent background, isolated artwork only. No gore, blood, wounds or graphic kill imagery.

225 • TURKEY HUNTING

Create an original, high-impact hunting and grilling merchandise graphic built around the exact readable phrase "DEER SEASON IS MY HAPPY PLACE". **CONCEPT:** gobblers, calls, camouflage, spring woods and overconfident calling. **HERO ART:** a friendly retro antler emblem with smoke curls and crossed grill tools. Add one small visual joke or collectible camp detail that rewards a second look. **STYLE:** clean modern vector mascot art with exaggerated expression, thick contour and sticker-like readability. **COMPOSITION:** Create a fake circular outdoors-club badge; let the subject break the inner frame for motion while keeping the outer silhouette merchandise-friendly. **PALETTE - Hot Grill Summer:** #FF5A36, #FFB000, #151515, #F7E8D0, #B63A2B. Use 4-5 dominant colors plus transparent negative space. **DETAIL DIRECTION:** Use believable outdoors and cooking details: anatomically convincing game animals where shown, sensible bow/gear relationships, recognizable grilling tools, realistic food texture, purposeful smoke direction and clean silhouettes. Favor oversized expressions, bold contrast and across-the-room readability. **TEXT RULE:** Render only "DEER SEASON IS MY HAPPY PLACE". Every letter must be fully readable and correctly spelled; no filler copy, fake brands or pseudo-writing. Transparent background, isolated artwork only. No rectangular scenery, mockup, garment, human model, copyrighted character, celebrity likeness, real brand/outfitter/team logo, watermark, pseudo-text or unintended letters. No gore, blood, wounds or graphic kill imagery.

226 • ELK COUNTRY

Create an original, high-impact hunting and grilling merchandise graphic built around the exact readable phrase "SMOKE RING SPECIALIST". **CONCEPT:** bugling elk, mountain ridges, packs, binoculars and big-country adventure. **HERO ART:** a compound bow and crossed grilling tools framed by antlers, smoke curls and pine sprigs. Add one small visual joke or collectible camp detail that rewards a second look. **STYLE:** bold Western ranch graphic with rope lettering, tooled-leather motifs and camp-country swagger. **COMPOSITION:** Use a giant central mascot occupying about 60% of the graphic, with the phrase wrapped tightly above and below like a novelty sticker. **PALETTE - Pink Hunt Club:** #F27CA7, #F7B7C9, #6D7B54, #FFF0DA, #3B3040. Use 4-5 dominant colors plus transparent negative space. **DETAIL DIRECTION:** Use believable outdoors and cooking details: anatomically convincing game animals where shown, sensible bow/gear relationships, recognizable grilling tools, realistic food texture, purposeful smoke direction and clean silhouettes. Favor oversized expressions, bold contrast and across-the-room readability. **TEXT RULE:** Render only "SMOKE RING SPECIALIST". Every letter must be fully readable and correctly spelled; no filler copy, fake brands or pseudo-writing. Transparent background, isolated artwork only. Create an original, high-impact hunting and grilling merchandise graphic built around the exact readable phrase "CAMPFIRE CHEF". **CONCEPT:** dad jokes, old gear, practical wisdom, snack stashes and absolute confidence. **HERO ART:** a vintage cooler overflowing with venison cuts, barbecue tools and camp snacks. Add one small visual joke or collectible camp detail that rewards a second look. **STYLE:** retro comic cover with speed lines, halftone bursts and melodramatic outdoor action. **COMPOSITION:** Build a tall stacked composition with the phrase dominant and the hero art breaking through secondary shapes without covering letters. **PALETTE - Wild Game Neon:** #B7FF2A, #FF6B35, #162126, #34C6B3, #FFF1C7. Use 4-5 dominant colors plus transparent negative space. **DETAIL DIRECTION:** Use believable outdoors and cooking details: anatomically convincing game animals where shown, sensible bow/gear relationships, recognizable grilling tools, realistic food texture, purposeful smoke direction and clean silhouettes. Favor oversized expressions, bold contrast and across-the-room readability. **TEXT RULE:** Render only "CAMPFIRE CHEF". Every letter must be fully readable and correctly spelled; no filler copy, fake brands or pseudo-writing. Transparent background, isolated artwork only. No rectangular scenery, mockup, garment, human model, copyrighted character, celebrity likeness, real brand/outfitter/team logo, watermark, pseudo-text or unintended letters. No gore, blood, wounds or graphic kill imagery.

248 • HUNTING GRANDPA

Create an original, high-impact hunting and grilling merchandise graphic built around the exact readable phrase "BRISKET IS MY CARDIO". **CONCEPT:** old camp mugs, worn hats, vintage gear, stories and generational outdoors humor. **HERO ART:** a campfire grill grate loaded with burgers and wild-game steaks while raccoons plot a snack heist. Add one small visual joke or collectible camp detail that rewards a second look. **STYLE:** woodcut-meets-punk-poster illustration with carved line texture and rough distressed edges. **COMPOSITION:** Create a dense camp-table collage around one clean central phrase; tools and food may overlap each other but never obscure lettering. **PALETTE - Backwoods Camo:** #5B6B3A, #2F3B24, #A58B5B, #D8C9A3, #1E211B. Use 4-5 dominant colors plus transparent negative space. **DETAIL DIRECTION:** Use believable outdoors and cooking details: anatomically convincing game animals where shown, sensible bow/gear relationships, recognizable grilling tools, realistic food texture, purposeful smoke direction and clean silhouettes. Favor oversized expressions, bold contrast and across-the-room readability. **TEXT RULE:** Render only "BRISKET IS MY CARDIO". No rectangular scenery, mockup, garment, human model, copyrighted character, celebrity likeness, real brand/outfitter/team logo, watermark, pseudo-text or unintended letters. No gore, blood, wounds or graphic kill imagery.

249 • WOMEN WHO HUNT

Create an original, high-impact hunting and grilling merchandise graphic built around the exact readable phrase "HUNTING SEASON SURVIVOR". **CONCEPT:** confident outdoors energy, boots, bows, antlers, retro accents and zero generic floral filler. **HERO ART:** a cartoon brisket wearing a camo cap and flexing tiny arms beside a smoker. Add one small visual joke or collectible camp detail that rewards a second look. **STYLE:** old roadside smokehouse sign with hand-lettered type, faded enamel texture and oddball local-business charm. **COMPOSITION:** Use a vertical totem: phrase, antlers or grill icon, hero subject, crossed tools, smoke curls, then a tiny footer ornament. **PALETTE** - Buck & Bourbon: #6A3E2E, #C58B45, #24302B, #E8D7B6, #8A6B45. Use 4-5 dominant colors plus transparent negative space. **DETAIL DIRECTION:** Use believable outdoors and cooking details: anatomically convincing game animals where shown, sensible bow/gear relationships, recognizable grilling tools, realistic food texture, purposeful smoke direction and clean silhouettes. No gore, blood, wounds or graphic kill imagery.

250 • LITTLE HUNTERS

Create an original, high-impact hunting and grilling merchandise graphic built around the exact readable phrase "I TURN MEAT INTO MEMORIES". **CONCEPT:** cute woodland mascots, first-hunt excitement, binoculars, tracks and campfire fun. **HERO ART:** a sleepy dad in a folding chair guarding a smoker with binoculars like it is a trophy buck. Add one small visual joke or collectible camp detail that rewards a second look. **STYLE:** wild vintage tattoo flash with heavy contour, cream negative space and punchy spot color. **COMPOSITION:** Arrange the design like a fake camp-event poster with oversized hero art, smoke, leaves and tiny decorative shapes only - no readable sponsor text. **PALETTE** - Midnight Camp: #111827, #294C3A, #D19A45, #E8DFC8, #7A3D2B. Use 4-5 dominant colors plus transparent negative space. **DETAIL DIRECTION:** Use believable outdoors and cooking details: anatomically convincing game animals where shown, sensible bow/gear relationships, recognizable grilling tools, realistic food texture, purposeful smoke direction and clean silhouettes.
