

## 50 Retro 70s Thanksgiving & Halloween Illustration Prompts

25 Halloween + 25 Thanksgiving | Sayings with coordinating illustrations | Great for wrapping paper and POD

### How to use

Each prompt creates a standalone retro design with its exact funny saying. Use the designs on shirts, mugs, stickers, or arrange them into seamless wrapping-paper patterns inside MyDesigns Canvas. The original artwork does not need to be seamless.

### 1970s color palette

# **HALLOWEEN — 25 PROMPTS**

## **01. Too Cute to Spook — Smiling jack-o-lantern with groovy daisy eyes**

Create a funny vintage 1970s halloween illustration featuring smiling jack-o-lantern with groovy daisy eyes as the unmistakable focal subject. Include the EXACT phrase “Too Cute to Spook” in large, correctly spelled, clearly readable, groovy 1970s bubble or hand-lettered typography, integrated naturally with the artwork. Make the words a major design element, with thick dark outlines, layered cream drop shadows, and period-authentic playful lettering. Render with flower-power daisies and playful atomic sparkles, warm retro screen-print grain, and a coordinated palette of avocado green, pumpkin orange, dusty pink, and warm ivory. Balance illustration and typography with a bold silhouette suitable for printing. Standalone high-resolution design on a clean transparent background; no other words, random letters, physical signboards, border frames, mockups, or watermark. Do not make a seamless repeat tile.

## **02. Resting Witch Face — Friendly sheet ghosts dancing among flowers**

Create a funny vintage 1970s halloween illustration featuring friendly sheet ghosts dancing among flowers as the unmistakable focal subject. Include the EXACT phrase “Resting Witch Face” in large, correctly spelled, clearly readable, groovy 1970s bubble or hand-lettered typography, integrated naturally with the artwork. Make the words a major design element, with thick dark outlines, layered cream drop shadows, and period-authentic playful lettering. Render with flowing psychedelic curves and vintage halftone shading, warm retro screen-print grain, and a coordinated palette of rust, plum, golden yellow, and dark cocoa. Balance illustration and typography with a bold silhouette suitable for printing. Standalone high-resolution design on a clean transparent background; no other words, random letters, physical signboards, border frames, mockups, or watermark. Do not make a seamless repeat tile.

## **03. Boo, I Guess — Black cat with oversized orange bow**

Create a funny vintage 1970s halloween illustration featuring black cat with oversized orange bow as the unmistakable focal subject. Include the EXACT phrase “Boo, I Guess” in large, correctly spelled, clearly readable, groovy 1970s bubble or hand-lettered typography, integrated naturally with the artwork. Make the words a major design element, with thick dark outlines, layered cream drop shadows, and period-authentic playful lettering. Render with chunky screen-print silhouettes and lightly distressed ink, warm retro screen-print grain, and a coordinated palette of pumpkin, mustard, avocado, and muted coral. Balance illustration and typography with a bold silhouette suitable for printing. Standalone high-resolution design on a clean transparent background; no other words, random letters, physical signboards, border frames, mockups, or watermark. Do not make a seamless repeat tile.

## **04. Creep It Real — Pumpkin wearing round 1970s sunglasses**

Create a funny vintage 1970s halloween illustration featuring pumpkin wearing round 1970s sunglasses as the unmistakable focal subject. Include the EXACT phrase “Creep It Real” in large, correctly spelled, clearly readable, groovy 1970s bubble or hand-lettered typography, integrated naturally with the artwork. Make the words a major design element, with thick dark outlines, layered cream drop shadows, and period-authentic playful lettering. Render with groovy geometric accents and hand-painted texture, warm retro screen-print grain, and a coordinated palette of orange, deep brown, pale cream, and retro pink. Balance illustration and typography with a bold silhouette suitable for printing. Standalone high-resolution design on a clean transparent background; no other words, random letters, physical signboards, border frames, mockups, or watermark. Do not make a seamless repeat tile.

## **05. Here for the Boos — Witch hat surrounded by psychedelic daisies**

Create a funny vintage 1970s halloween illustration featuring witch hat surrounded by psychedelic daisies as the unmistakable focal subject. Include the EXACT phrase “Here for the Boos” in large, correctly spelled, clearly readable, groovy 1970s bubble or hand-lettered typography, integrated naturally with the artwork. Make the words a major design element, with thick dark outlines, layered cream drop shadows, and period-authentic playful lettering. Render with rounded cartoon shapes and bold dark outlines, warm retro screen-print grain, and a coordinated palette of burnt orange, mustard, chocolate brown, and cream. Balance illustration and typography with a bold silhouette suitable for printing. Standalone high-resolution design on a clean transparent background; no other words, random letters, physical signboards, border frames, mockups, or watermark. Do not make a seamless repeat tile.

## **06. Witch Better Have My Candy — Candy corn characters with happy faces**

Create a funny vintage 1970s halloween illustration featuring candy corn characters with happy faces as the unmistakable focal subject. Include the EXACT phrase “Witch Better Have My Candy” in large, correctly spelled, clearly readable, groovy 1970s bubble or hand-lettered typography, integrated naturally with the artwork. Make the words a major design element, with thick dark outlines, layered cream drop shadows, and period-authentic playful lettering. Render with flower-power daisies and playful atomic sparkles, warm retro screen-print grain, and a coordinated palette of avocado green, pumpkin orange, dusty pink, and warm ivory. Balance illustration and typography with a bold silhouette suitable for printing. Standalone high-resolution design on a clean transparent background; no other words, random letters, physical signboards, border frames, mockups, or watermark. Do not make a seamless repeat tile.

## **07. Ghouls Just Wanna Have Fun — Retro haunted house with wavy windows**

Create a funny vintage 1970s halloween illustration featuring retro haunted house with wavy windows as the unmistakable focal subject. Include the EXACT phrase “Ghouls Just Wanna Have Fun” in large, correctly spelled, clearly readable, groovy 1970s bubble or hand-lettered typography, integrated naturally with the artwork. Make the words a major design element, with thick dark outlines, layered cream drop shadows, and period-authentic playful lettering. Render with flowing psychedelic curves and vintage halftone shading, warm retro screen-print grain, and a coordinated palette of rust, plum, golden yellow, and dark cocoa. Balance illustration and typography with a bold silhouette suitable for printing. Standalone high-resolution design on a clean transparent background; no other words, random letters, physical signboards, border frames, mockups, or watermark. Do not make a seamless repeat tile.

## **08. Bat to the Bone — Bats circling a mustard-yellow harvest moon**

Create a funny vintage 1970s halloween illustration featuring bats circling a mustard-yellow harvest moon as the unmistakable focal subject. Include the EXACT phrase “Bat to the Bone” in large, correctly spelled, clearly readable, groovy 1970s bubble or hand-lettered typography, integrated naturally with the artwork. Make the words a major design element, with thick dark outlines, layered cream drop shadows, and period-authentic playful lettering. Render with chunky screen-print silhouettes and lightly distressed ink, warm retro screen-print grain, and a coordinated palette of pumpkin, mustard, avocado, and muted coral. Balance illustration and typography with a bold silhouette suitable for printing. Standalone high-resolution design on a clean transparent background; no other words, random letters, physical signboards, border frames, mockups, or watermark. Do not make a seamless repeat tile.

## 09. Disco Inferno, but Make It Spooky — Smiling skeleton doing disco dance

Create a funny vintage 1970s halloween illustration featuring smiling skeleton doing disco dance as the unmistakable focal subject. Include the EXACT phrase “Disco Inferno, but Make It Spooky” in large, correctly spelled, clearly readable, groovy 1970s bubble or hand-lettered typography, integrated naturally with the artwork. Make the words a major design element, with thick dark outlines, layered cream drop shadows, and period-authentic playful lettering. Render with groovy geometric accents and hand-painted texture, warm retro screen-print grain, and a coordinated palette of orange, deep brown, pale cream, and retro pink. Balance illustration and typography with a bold silhouette suitable for printing. Standalone high-resolution design on a clean transparent background; no other words, random letters, physical signboards, border frames, mockups, or watermark. Do not make a seamless repeat tile.

## 10. Oh My Gourd! — Striped pumpkins and funky mushrooms

Create a funny vintage 1970s halloween illustration featuring striped pumpkins and funky mushrooms as the unmistakable focal subject. Include the EXACT phrase “Oh My Gourd!” in large, correctly spelled, clearly readable, groovy 1970s bubble or hand-lettered typography, integrated naturally with the artwork. Make the words a major design element, with thick dark outlines, layered cream drop shadows, and period-authentic playful lettering. Render with rounded cartoon shapes and bold dark outlines, warm retro screen-print grain, and a coordinated palette of burnt orange, mustard, chocolate brown, and cream. Balance illustration and typography with a bold silhouette suitable for printing. Standalone high-resolution design on a clean transparent background; no other words, random letters, physical signboards, border frames, mockups, or watermark. Do not make a seamless repeat tile.

## 11. Boo on Wheels — Ghost riding a vintage bicycle

Create a funny vintage 1970s halloween illustration featuring ghost riding a vintage bicycle as the unmistakable focal subject. Include the EXACT phrase “Boo on Wheels” in large, correctly spelled, clearly readable, groovy 1970s bubble or hand-lettered typography, integrated naturally with the artwork. Make the words a major design element, with thick dark outlines, layered cream drop shadows, and period-authentic playful lettering.
